

METRO TAC AGENDA
(Technical Advisory Committee to Metro JPA)

TO: Metro TAC Representatives and Metro Commissioners

DATE: Wednesday, November 19, 2014

TIME: 11:00 p.m. to 1:30 p.m.

LOCATION: MWWD, 9192 Topaz Way, (MOC II Auditorium) – Lunch will be provided

****PLEASE DISTRIBUTE THIS NOTICE TO METRO COMMISSIONERS AND METRO TAC REPRESENTATIVES****

1. Review and Approve MetroTAC Action Minutes for the Meeting of [October 15, 2014](#) (**Attachment**)
2. Metro Commission/JPA Board Meeting Recap (Standing Item)
3. **ACTION:** Meeting Calendar for 2015
4. **ACTION:** Pump Station 2 Power Reliability and Surge Protection (**Attachment**)
5. **ACTION:** Third Amendment to the Facility Franchise Agreement between the City of San Diego and San Diego Landfill Systems, Inc. (Cheryl Lester) (**Attachment Pending**)
6. **ACTION:** As-Needed Engineering Technical Services Consultant (**Attachment**)
7. **INFORMATION:** Water Reuse Forum – Purified Drinking Water (WRC) (Al Lau) (**Attachment**)
8. **DISCUSSION:** Ebola Procedures for Wastewater Crews (Tom Howard and Michael Obermiller)
9. Metro Wastewater Update (Standing Item)
10. Metro Capital Improvement Program and Funding Sources (Standing Item)
11. Financial Update (Standing Item) (Karyn Keese)
12. MetroTAC Work Plan (Standing Item) (**Attachment**)
13. Point Loma Permit Renewal (Standing Item) (**Attachment to be handed out at meeting**)
14. Review of Items to be Brought Forward to the Regular Metro Commission/Metro JPA Meeting (**December 4, 2015**)
15. Other Business of Metro TAC
16. Adjournment ([To the next Regular Meeting, December 17, 2015](#))

Metro TAC 2014 Meeting Schedule

January 15	May 21	September 17
February 19	June 18	October 15
March 19	July 16	November 19
April 16	August 20	December 17

AGENDA ITEM 1

Draft Minutes of October 15, 2014

Metro TAC
(Technical Advisory Committee to Metro Commission/JPA)

ACTION MINUTES

DATE OF MEETING: October 15, 2014
TIME: 11:00 AM
LOCATION: MWWD, MOC II Auditorium

MEETING ATTENDANCE:

Greg Humora, La Mesa
Al Lau, Padre Dam MWD
Dennis Davies, El Cajon
Roberto Yano, Chula Vista
Ed Walton, Coronado
Dan Brogadir, County of San Diego
Kristen Crane, Del Mar
Chris Helmer, Imperial Beach
Kuna Muthusamy, National City
Rita Bell, Otay WD
Stephen Beppler, Otay WD
Michael Obermiller, Poway
Guann Hwang, City of San Diego
Edgar Patino, City of San Diego

Tung Phung, City of San Diego
Marie Wright-Travis, City of San Diego
Lee Ann Jones-Santos, City of San Diego
Rania Amen, City of San Diego
Peggy Merino, City of San Diego
Jeanne Cole, City of San Diego
Jill Friedman, City of San Diego
Dave Stallman, City of San Diego
Karyn Keese, Atkins
Mark Elliott, Atkins
Julie Labonte, MWH
Peggy Umphres, MWH

1. **Review and Approve MetroTAC Action Minutes for the Meeting of September 17, 2014**
Kuna Muthusamy moved approval of the September 17, 2014 minutes. The motion was seconded by Vice Chair Davies and the minutes were approved unanimously.
2. **Metro Commission/JPA Board Meeting Recap (Standing Item)**
The regular Commission/JPA meeting was cancelled. A special meeting will be held on October 16, 2014 to discuss the support for the Permit Application.
3. **ACTION: Consideration and Possible Action for an As-Needed Engineering Technical Services Contract for Pure Water San Diego**
Ann Sasaki reviewed the staff report regarding the As-Needed Engineering Technical Services Contract and the scope of work anticipated to be accomplished under this contract (Copy included as Attachment A). The Contract is for a five-year period with a not to exceed amount of \$30 million. Individual task orders will be issued for specific amounts in support of the Pure Water Program as individual scopes of work are developed. The selected consultant is a joint venture of MWH America and Brown and Caldwell. Five firms' submitted proposals and the selection committee interviewed all five. Al Lau represented the JPA on the selection panel. The selection committee unanimously selected the MWH team. The Program Manager, Julie Labonte from MWH, was introduced and her background was reviewed. Chairman Humora discussed that the Metro TAC would like to receive and approve each task order separately that is negotiated under the contract. He also requested a list of all subcontractors. No action was taken on this item and Chairman Humora requested that the actual contract be brought back to Metro TAC for their review and approval when it was finalized.

- 4. Joint Public Workshop & Regional Advisory Committee Meeting #52.**
Steve Beppler reviewed the meeting minutes from Meeting #52 that were attached to the agenda. The next round of grants will be a year from now and will focus on medium to high risk projects..
- 5. Metro Wastewater Update (Standing Item)**
Edgar Patino reported that San Diego would be meeting with Padre Dam regarding the billing issue on October 24, 2014.
- 6. Metro Capital Improvement Program and Funding Sources (Standing Item).**
October 16, 2014 will be Guann Hwang's last day. The Metro TAC adjourned briefly to have a retirement celebration for Guann.
- 7. Financial Update**
Karyn Keese reported that the entrance conference for the Exhibit E audit would be held on October 16, 2014 prior to the Metro Commission/JPA meeting. The start of this audit is only a couple months later than the schedule that was followed prior to all of the audits being delayed.
- 8. MetroTAC Work Plan (Standing Item)**
There were not additions to the work plan.
- 9. Point Loma Permit Renewal**
Chairman Humora reported on the upcoming schedule over the next few months. The Steering Committee has drafted a letter of support for the Permit Application and has included it in the agenda packet for the Special Commission/JPA meeting tomorrow. He also reported on the City of San Diego Environmental Committee meeting which he and Chairman Cox attended. The Environmental Committee approved moving the Permit Application forward to the San Diego City Council but without a recommendation. This was because of the current uncertainty of being able to continue receiving low interest loans from the State due to Proposition A and that the potential rate impacts of the Pure Water Program have not been vetted. Ann Sasaki reported that the Permit Application will not be on the San Diego City Council agenda until November. Possible dates are the 10th or the 17th. It will be time certain and she will let the Metro TAC/Commission know as soon as it has been docketed.
- 10. Review of Items to be Brought Forward to the next Metro Commission/Metro JPA Meeting (October 16, 2014)**
There were no items which required Commission/JPA action from this meeting
- 11. Other Business of Metro TAC**
Chairman Humora announced that Leah Browder has taken a position in Colorado and will be leaving the City of Poway. He expressed thanks for all the work she has done on Metro TAC and on the Pure Water Program Ad Hoc and Steering Committees.
- 12. Adjournment (To the next Regular Meeting, November 19, 2014)**

ATTACHMENT A

SCOPE OF SERVICES

AS-NEEDED ENGINEERING TECHNICAL SERVICES CONSULTANT FOR PURE WATER SAN DIEGO PROGRAM (H156303)

REQUIREMENTS

The services provided by the selected Engineering Technical Services Consultant will include (but are not limited to) the following typical program support areas:

1.0 PROGRAM ADMINISTRATION AND CONTROLS

- 1.1 Establish a Program Management Office (PMO) which integrates City, and consultant staff to form a cohesive team to actively manage the program. The PMO will be located at the City's Kearny Mesa offices at 9192 Topaz Way, San Diego, CA 92123.
- 1.2 Prepare and submit a Program Management Plan (PMP) for approval by the City, which describes the steps, processes and controls necessary to successfully manage the Program. The Plan may include, but not be limited to:
 - 1.2.1 Refine the overall Program goals and objectives, success factors and project delivery strategies,
 - 1.2.2 Partner closely and effectively with internal Public Utilities staff on engineering, budgeting and financial planning, organizational effectiveness and change management, as needed,
 - 1.2.3 Establish a functional organizational structure showing clear roles and responsibilities for members of the PMO, other City

EXHIBIT A

Departments, the Participating Agencies, Independent Rates Oversight Committee (IROC), and key stakeholders,

1.2.4 Develop clear decision-making and issue resolution procedures;

1.2.5 Develop a communication plan for internal communications among project teams, operations, maintenance and consultant staff, as well as other City Departments,

1.2.6 Identify appropriate program control systems, consistent with existing City standards and procedures to manage various aspects of the program such as documentation, filing systems, records and archives, cost estimating, scheduling, change management, accounting and budgeting, and Quality Assurance/Quality Control (QA/QC), and

1.2.7 Refine and validate the Program scope and list of projects, schedules, and cost estimates as defined in the 2012 Recycled Water Study and subsequent Technical Memorandums while maintaining the multiple goals of the Program, and considering impacts of proposed projects on existing conveyance and treatment facilities. After the initial validation, reassess and refine the Program scope, schedule, and cost estimates on an annual basis to account for changes in Metro System flow projections, potable reuse regulations, or other factors that lead to significant differences in planned facility scopes and timing.

1.3 Identify project risks and develop a mitigation plan to address any constraints and risks to successful implementation of the Program.

1.4 Validate the existing public engagement and communication plan for external stakeholders which was prepared under a separate contract, and recommend strategies to expand upon the Department's existing Pure Water San Diego public education program.

EXHIBIT A

- 1.5 Develop procedures for involving O&M staff in decision-making, design review, technology validation, tie-in and shutdown planning, acceptance testing, start-up and commissioning, training and transfer of operations and maintenance of newly constructed facilities.
- 1.6 Develop standards for the preparation of program documents, including standards for technical writing and editing, citations and bibliographies, graphics, document form and format, reproduction and final binding.
- 1.7 Develop effective design procedures to integrate reviews of plans and specifications, process optimization, coordination between consultants and Plant staff, inspection, material submittal review and testing, regulatory permit coordination, constructability, value engineering reviews, and reviews of engineer's estimates.
- 1.8 Develop an overall Program Schedule in Primavera P6 or equivalent software. The schedule shall incorporate the work breakdown structure format and identify key milestones and timelines. Identify potential conflicts or long lead-time items and find timely cost-effective resolutions to conflicts as they arise, schedule recovery strategies, and review schedules submitted by design consultants and design-builders. On a monthly basis, prepare and update the master schedule for the entire program based on actual progress. Perform Critical Path Method (CPM) analysis as necessary.
- 1.9 Develop and maintain a multi-year program baseline budget and cash flow projection of financial needs based on current schedules to assist the City with financing, bond sales and cash management.
- 1.10 Develop project level cost estimates for all elements of the program along with cash flow projections for each project. Project budgets should track all encumbered and spent project costs, as well as projected costs. The project budget shall also track contingencies and liabilities related to

EXHIBIT A

each contract, and contract dates for contract compliance and fiscal control.

1.11 Produce a monthly schedule and budget status reports for use by senior management. The report shall include a detailed analysis of schedule and budget variances and recommend corrective actions, subject to approval by the City.

1.12 Conduct monthly meetings to ensure that the Program is completed as provided in the overall Program schedule to the satisfaction of the City's Program Manager.

1.13 Provide program audits and reports, in order to monitor and report overall program performance, as well as major project elements.

1.14 Develop and maintain an electronic non-proprietary web based document management system. Retain electronic copies of all project correspondence, plan submittals, review comments, study reports, data, contracts, change orders, invoices, as-builts and other project records. Develop and maintain a platform that allows the project team to easily share documents while maintaining appropriate security protocol and meeting City standards. During the implementation phase include City staff and provide training to City Staff to ensure a smooth transition as the City assumes responsibility for the document management system.

1.15 Prepare a QA/QC plan to ensure the Program is being implemented with the highest level of quality, consistency and according to industry best practices. Conduct QA/QC audits on annual basis to ensure compliance with the QA/QC Plan procedures and requirements.

1.16 Assist the City with contract procurement and management by developing Scopes Of Work (SOW) for professional services contracts for projects shown in Task 2.1.1; each project will require professional design and construction management services.

EXHIBIT A

- 1.17 Provide support during an Independent Feasibility Study performed by outside consultants as a requirement of future bond offerings.
 - 1.18 Provide support for revisions to the existing City/Participating Agency Regional Wastewater Disposal Agreement as well as any new agreements developed as a result of the implementation of the program.
-

- 1.19 Provide support in identifying and securing federal, state, or other grant funding for various project components, including identifying grant programs, assisting in the preparation of grant applications and contracts.

- 1.20 Participate in an average of three (3) external meetings (two hours per meeting) per month with the City Program Manager, and when directed by the City Program Manager, represent the City Program Manager at such meetings. Meetings may include, but are not limited to, presentations before governmental agencies, explanations to public community groups, and discussions with potential contractors who are seeking information about their business opportunities in the Program.

- 1.21 Provide training sessions and knowledge transfer workshops with City staff on program management, project management, program controls, budgeting and finance, process design, operations, public relations and communications, or other areas as requested by the City.

2.0 PLANNING AND ENGINEERING SUPPORT

The Engineering Technical Services Consultant shall be responsible for the following:

- 2.1 Pre-design Reports - The facilities planning work previously completed defines the CIP projects in relatively broad terms, i.e. basic information about size, capacity, layout and cost of facilities is provided and preliminary design criteria are recommended. In this task, pre-designs will be prepared for each of the CIP projects. The final list of projects

EXHIBIT A

will be finalized by the City's Program Manager and will include the projects listed below:

2.1.1 North City Area

1. North City Advanced Water Purification Plant
(Anticipated pre-design to start immediately after Notice To Proceed [NTP]),
2. North City Advanced Water Purification Pump Stations
(Anticipated pre-design to start immediately after NTP),
3. North City to San Vicente Pipeline (Not part of this contract), and
4. North City Water Reclamation to North City Advanced Water Purification Plant Pump Station and Pipeline
(Anticipated pre-design to start within 6 months of NTP).

2.1.2 South Bay Area

1. South Bay SV8 Pump Station (Anticipated pre-design to start within 6 months of NTP),
2. South Bay SV8 Forcemain (Anticipated pre-design to start within 6 months of NTP),
3. South Bay Wastewater Treatment Plant Expansion
(Anticipated pre-design to start within 6 months of NTP),
4. South Bay Sludge Processing Facility (Anticipated pre-design to start within 6 months of NTP),

EXHIBIT A

5. South Bay Advanced Water Purification Facility
(Anticipated pre-design to start within 6 months of NTP), and
 6. South Bay IPR Pipeline and Pump Station/s
(Anticipated pre-design to start within 6 months of NTP).
-

2.1.3 Harbor Drive Area (outside initial 5-year contract)

2.1.4 These pre-design reports will serve as the basis for Requests for Proposals which will be used in the selection of design consultants or design-build contractors. The level of effort for the pre-design report is intended to be approximately 10 percent of the total level of effort required to complete the design and shall include alternative evaluation that will be needed for the environmental document. Also included with the pre-design report will be a suggested scope of work for the detailed design of each project, delineating the City's responsibilities and the design firms' responsibilities.

2.1.5 Each pre-design report will provide site specific design criteria; preliminary soils reports; site specific risk assessment; process evaluations and recommendations; any equipment prequalification and evaluated bid test results; process diagrams; instrumentation and control requirements, hydraulic profile; civil site layouts of major structures, road, and yard piping; identification of operations requirements and recommended design measures to address such requirements; preliminary layouts of structures and mechanical equipment for all major buildings and structures; plumbing and HVAC criteria; architectural concept, preliminary specification outlines; land/easement acquisition needs; environmental

EXHIBIT A

constraints/permit requirements; traffic constraints; community constraints (i.e. moratoriums); coordination with other CIP project construction schedules; identification of other-jurisdiction requirements; evaluation of various project delivery methods including but not limited to design-bid-build, design-build, construction-management-at-risk while considering the City's procurement process and timeline, regional contracting capacity, overall Program schedule, financial, regulatory, and other goals and objectives; evaluation of a construction plan and schedule; preparation of a permit work plan which identifies all permits and regulatory approval requirements for the implementation of the project, including operation of the facilities and compliance with AB 32; how these requirements may impact the project and a strategy for obtaining such permits in a timely manner, and a preliminary construction cost estimate.

- 2.2 Review and update existing design standards and guidelines to be used during implementation of the CIP. Add new standards and guidelines for advanced water treatment equipment and associated process monitoring equipment.
- 2.3 Develop a standard procedure for cost estimating to ensure that design and construction contingencies, escalation factors, construction management fees, allowances for furnishings, fixtures and equipment are applied consistently and appropriately.
- 2.4 Develop strategies and recommendations for vendor prequalification for advanced water treatment equipment.
- 2.5 Evaluate climate change and its impacts on proposed Pure Water Facilities, as well as the impacts of Pure Water facilities on the City's compliance with the City's Climate Action Plan. Evaluation shall include but not be limited to site specific risk assessment and

EXHIBIT A

quantification of Greenhouse Gas (GHG) emissions resulting from project implementation and facility operations.

- 2.6 Review and provide comments on the predesign report for the North City Purified Water Pump Station and Pipeline. Report is currently being prepared under a separate contract.
-

3.0 DESIGN SUPPORT

The Engineering Technical Services Consultant shall be responsible for the following:

- 3.1 Review and provide comments on design submittals for all facilities listed in Section 2.1.1, including plans (at 30%, 75%, 90% and 100% design), specifications, and study reports for completeness, accuracy and consistency with the pre-design report and latest adopted City standards. Conduct detailed engineering reviews,
- 3.2 Review project specific scheduling and cost estimate submittals and provide comments and recommendations for incorporation into the City's scheduling and cost control program,
- 3.3 Review the designer's progress against the project baseline schedule and recommend corrective action as needed,
- 3.4 Review, evaluate and provide recommendations on any requests for scope changes during design,
- 3.5 Provide technical expertise when needed to advise the City on key decisions during design and for resolving disputes,
- 3.6 Assist the City in the review and evaluation of value engineering proposals,

EXHIBIT A

- 3.7 Coordinate commissioning requirements in both scopes of work and construction contracts to ensure obligations of the designers and contractors during the commissioning process are identified, developed, documented and implemented to the satisfaction of Plant O&M staff,
- 3.8 Conduct pilot testing of potential micro-filter and ultra-filter equipment. Testing will determine achievable membrane flux, recovery, cleaning frequency, cleaning chemical consumption, energy consumption, and any other relevant parameters needed to determine lifecycle costs. Research and analyze the benefits/risks associated with pre-purchasing material/equipment as directed by City staff,
- 3.9 Conduct pilot testing of reverse osmosis membranes. Testing will determine optimal operating conditions such as RO recovery, chemical addition, and management of waste streams (brine, concentrate, etc.) to reduce future operating costs,
- 3.10 Conduct prequalification testing on alternative ultraviolet light and/or Advanced Oxidation processes, and
- 3.11 Conduct prequalification testing on alternative on-line integrity verification monitors.

4.0 ENVIRONMENTAL CONSULTANT COORDINATION

Work closely with the City and its environmental consultants during the planning, pre-design, design, and construction phases to support the City's ongoing environmental compliance efforts. Support City staff in the development and implementation of an environmental compliance plan, which will include CEQA/NEPA and other resource agency permitting requirements.

5.0 PERMITTING AND REGULATORY SUPPORT

The Engineering Technical Services Consultant shall be responsible for securing full-scale potable reuse facility permitting approval from the State Water

EXHIBIT A

Resources Control Board (SWRCB) and final National Pollutant Discharge Elimination System (NPDES) permit from the San Diego Regional Water Quality Control Board (SDRWQCB) for reservoir augmentation. The Engineering Technical Services Consultant shall also:

- 5.1 Prepare and submit a draft regulatory approval work plan for securing permitting approvals for full-scale potable reuse facilities proposed for North City. The work plan shall identify: critical tasks and their required completion dates so permitting approvals adhere to the overall Program schedule, consultant and City staff resources required for each critical task, and critical success factors and contingency plans for resolving issues related to such factors,
- 5.2 Continually monitor SWRCB's ongoing progress towards finalizing surface water augmentation regulations and the report to the legislature on the feasibility of establishing direct potable reuse (DPR) regulations which are mandated to be concluded by the end of 2016. Recommend modifications to the overall Program schedule and to the scope of projects, in light of optimizing the balance between meeting anticipated regulatory criteria and Program objectives. Advise City of significant changes in anticipated regulations as they arise, and recommend additional program modifications as needed to address them,
- 5.3 Review and comment on up to five (5) documents related to ongoing potable reuse research projects in which the City is a participant,
- 5.4 Prepare the Title 22 Engineering Report for a full-scale North City-San Vicente potable reuse facilities and all necessary addenda, updates, and supplements,
- 5.5 Prepare Summary of SWRCB Public Hearing and Findings of Fact and Conditions for North City-San Vicente potable reuse facilities,

EXHIBIT A

- 5.6 Review plans to enhance the Industrial Waste Control Program to ensure they support full alignment with the Title 22 Engineering Report,
- 5.7 Prepare NPDES permit application for full-scale North City-San Vicente potable reuse facilities,
- 5.8 Prepare application for amendments to the City's current water supply permit specific to the new source of water (Advanced Purified Water) for SWRCB review,
- 5.9 Review draft version of NPDES Permit and monitoring and reporting program requirements released by the SWRCB/SDRWQCB for reservoir augmentation. Prepare recommendations for any necessary revisions to draft NPDES permit and monitoring and reporting program documentation as part of permit approval process,
- 5.10 Prepare North City IPR Operation, Maintenance, and Monitoring Plan,
- 5.11 Review draft versions of tentative orders, Water Recycling Requirements, Waste Discharge Requirements, and Monitoring and Reporting Program requirements issued before adoption of the permit for full-scale project. Prepare any necessary comments to SWRCB,
- 5.12 Attend up to eight (8) meetings with SWRCB staff related to the above subtasks. Assume each meeting will be two hours in duration,
- 5.13 Develop a strategy for working with the Coastal Commission regarding the Point Loma NPDES permit and advocate and liaison with Commissioners, and
- 5.14 Prepare proposed regulatory criteria for full-scale direct potable reuse facilities.

EXHIBIT A

6.0 PUBLIC EDUCATION AND STAKEHOLDER ENGAGEMENT

The Engineering Technical Services Consultant shall be responsible for providing the following services at the conclusion of the existing Katz and Associates Public Outreach Contract in May 2016.

-
- 6.1 Assist City staff in implementing the existing Pure Water Public Education and Stakeholder Engagement Plan,
 - 6.2 Develop strategies to assess public support and make recommendations to modify the Public Education program as needed to address stakeholder concerns, and
 - 6.3 Assist City staff in developing content to update education and outreach materials, fact sheets and brochures.

7.0 POSSIBLE PLANNING AND ENGINEERING SUPPORT OUTSIDE OF THE TERM OF THE INITIAL FIVE YEAR CONTRACT

The Engineering Technical Services Consultant shall be responsible for the following items which include, but are not limited to:

- 7.1 Retain the services of independent commissioning agents to ensure critical components of the Plant are properly installed, calibrated, tested, perform as intended and meet performance standards,
- 7.2 Identify and ensure new equipment is supplied with adequate training for Plant O&M staff and supplied with appropriate operations and maintenance manuals,
- 7.3 Assist with the integration of new equipment into existing asset management systems,
- 7.4 Prepare Title 22 Engineering Report for full-scale South Bay potable reuse facilities and all necessary addenda, updates, and supplements,

EXHIBIT A

- 7.5 Prepare Summary of SWRCB Public Hearing and Findings of Fact and Conditions for South Bay potable reuse project,
- 7.6 Prepare NPDES permit for full-scale South Bay potable reuse facilities, and
- 7.7 Attend meetings with SDRWQCB staff related to the above subtasks.

END OF SCOPE OF SERVICES

AGENDA ITEM 3

Meeting Calendar for 2015

**Metro Commission/Metro JPA
and
MetroTAC Committee**

2015 Meeting Schedules

METRO COMM/METROJPA 1st Thursday of the month		METRO TAC 3rd Wednesday of the month	
December 4, 2014	12:00 – 1:00	December 17, 2014	11:00 – 1:30
January 1, 2015	12:00 – 1:00	January 21, 2015	11:00 – 1:30
February 5, 2015	12:00 – 1:00	February 18, 2015	11:00 – 1:30
March 5, 2015	12:00 – 1:00	March 18, 2015	11:00 – 1:30
April 2, 2015	12:00 – 1:00	April 15, 2015	11:00 – 1:30
May 7, 2015	12:00 – 1:00	May 20, 2015	11:00 – 1:30
June 4, 2015	12:00 – 1:00 (SANDIST meeting immediately following)	June 17, 2015	11:00 – 1:30
July 2, 2015	12:00 – 1:00	July 15, 2015	11:00 – 1:30
August 6, 2015	12:00 – 1:00	August 19, 2015	11:00 – 1:30
September 3, 2015	12:00 – 1:00	September 16, 2015	11:00 – 1:30
October 1, 2015	12:00 – 1:00	October 21, 2015	11:00 – 1:30
November 5, 2015	12:00 – 1:00	November 18, 2015	11:00 – 1:30
December 3, 2015	12:00 – 1:00	December 16, 2015	11:00 – 1:30

Meetings are held at
MWWD MOC II Auditorium, 9192 Topaz Way, SD, CA 92023
(*unless otherwise noted on the agenda*)

AGENDA ITEM 4

**Pump Station 2 Power Reliability and
Surge Protection**

METRO JPA/TAC**Staff Report****Date: 11/6/2014****Project Title:** Pump Station 2 Power Reliability and Surge Protection**Requested Action:** Public Works Department requests approval of Amendment #1 to consultant contract with Lee & Ro Inc. for additional professional services.**Recommendations:** Approve the requested action

Metro TAC:	Present to Metro JPA/TAC for approval of design and construction
IROC:	N/A – This project is included in the approved PUD CIP budget and does not require IROC review.
Prior Actions: (Committee/Commission, Date, Result)	Original contract was presented to and approved by the Metro Commission in Fiscal Year 2011

Fiscal Impact:

Is this projected budgeted?	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>
Cost breakdown between Metro & Muni:	100% Metro
Fiscal impact to the Metro JPA:	33.5% of \$43,000,000.00 = \$14,405,000.00

Capital Improvement Program:

New Project?	Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/>
Existing Project?	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> Upgrade/addition <input checked="" type="checkbox"/> Change <input type="checkbox"/>

Previous TAC/JPA Action: Approved by Metro JPA/TAC on November 3, 2011.**Additional/Future Action:** Amendment #1 will be presented to Metro TAC on November 19, 2014, Metro JPA on December 4, 2014, and to City Council for additional funding in February 2015.**City Council Action:** Was presented to City Council on May 30, 2012 to enter into consultant agreement with Lee & Ro Inc.**Background:**

Pump station 2 (PS2) is the largest pump station and an integral component to the successful operation of the Metropolitan Wastewater System. The station receives wastewater flows from the North Metro Interceptor which serves the northern San Diego region and the South Metro Interceptor which serves the southern communities of San Diego. The station pumps this wastewater to the Point Loma Wastewater Treatment Plant, thus the power reliability of PS2 is of utmost importance to the operation of the Metropolitan Wastewater System.

The scope of this project is to improve the power reliability of this station and to meet the Environmental Protection Agency (EPA) guidelines for providing 100% of the power requirements of the station from two separate and independent sources of electric power to prevent any power supply interruption to this station. Besides satisfying EPA's guidelines for independent sources of power, these independent plant-based electrical generators will also provide forcemain surge protection at all times during the station's operation and in the event of

a total power failure.

On May 30, 2012, the City entered into an agreement with Lee and Ro Inc in the amount of \$1,750,000, to analyze alternatives, prepare a study report that lists each alternative's pros and cons, recommend the best alternatives for City's review along with design and construction support for for this new project.

The following changes/additions have to be made to the scope of the project as the result of existing conditions and requirements of preferred alternative:

1. Increase the size of the diesel generators and development of Generator Probability Analysis to calculate the probability of electrical failure and the associated impact to the pump station.
2. Modification of 2nd floor of switch gear building to provide new office space that meets the American Disability Act(ADA)
3. The existing sewer heat exchangers are aged and therefore refurbishment of sewage heat exchangers to provide cooling of the new generators has been added to the scope.
4. A three dimensional (3D) analytical model of the proposed ventilation system of the new generator building.
5. Relocation of existing fiber optic and conduits that transmit data to the communication center because they are on the way of the new generator building footprint.
6. Modification of the existing engine room to house variable frequency drives that will control two new 2250 horsepower motors.
7. Modification of the existing medium voltage switchgear for high resistance grounding to minimize arc flash.
8. In order to conserve water and save on maintenance cost, change the landscaping at the site to drought tolerance type of landscaping.

Design is scheduled to be completed April 13, 2015, Construction to start November 9, 2016 and Construction to be completed on March 18, 2019.

FISCAL CONSIDERATIONS:

Total cost of the agreement is \$2,100,000. Funding of \$1,750,000 was previously authorized by Council (R-307458). Enterprise Funding of which \$2,100,000 will be available in CIP S-00312, Pump Station 2 Power Reliability and Surge Protection, Fund 700009, Sewer, for this purpose. The project cost may be reimbursed from future financing from a State Revolving Fund Loan. The above mentioned changes/additions require an increase of project budget.

Bid Results: Not applicable at this time

AGENDA ITEM 5

Third Amendment to Facility
Franchise Agreement between the
City of San Diego and San Diego
Landfill Systems, Inc.

AGENDA ITEM 6

**As-Needed Engineering Technical
Services Consultant**

METRO JPA/TAC
Staff Report
Date: 11/19/14

Project Title: As-Needed Engineering Technical Services Consultant

Requested Action: Approve Contract with MWH Americas, Inc

Recommendations: Approve Contract

Metro TAC:

IROC:

Presented at IROC Infrastructure and Operations Committee on October 13, 2014 and IROC on October 20, 2014

CITY OF SAN DIEGO
PUBLIC UTILITIES DEPARTMENT
Pure Water San Diego Program

Project Name: Pure Water San Diego Program As-Needed Engineering Technical Services Contract with MWH Americas, Inc.

Project Description:

San Diego's imported water supplies face increasing stresses from a variety of sources. As a result, the region's supplies are becoming less reliable and more expensive. These circumstances, and the threat of further limitations on San Diego's water supplies, have intensified the need for new sources of water. Pure Water San Diego is the City's 20-year program to provide a safe, secure and sustainable local drinking water supply for San Diego. Recycled water will be turned into drinkable water through the use of water purification technology. Further, Pure Water's system-wide reuse will significantly reduce flows to the Point Loma Wastewater Treatment Plant (Point Loma). Pure Water is integral to both the application to renew Point Loma's Permit and the proposed legislation for secondary equivalency. The program will make San Diego more water independent and resolves regional wastewater issues. On April 29, 2014, the City Council adopted Resolution Number R-308906 supporting the Pure Water Program.

Pure Water implementation encompasses design and construction of new treatment facilities, securing regulatory approvals from the California Division of Drinking Water, Regional Water Quality Control Board, and the United States Environmental Protection Agency, financial and economic analysis and public outreach and education. To support these responsibilities and to ensure the efficient and effective use of resources, the City has a need for professional engineering and technical services on an as-needed basis. These services will support program-level decisions and project-level designs and implementation.

In July, the City of San Diego, Public Utilities Department advertised for an As-Needed Engineering Technical Services Consultant to assist in managing the Pure Water Program. Five proposals were received and a selection committee, in compliance with City Policy 300-7 was convened. All five proposers were short listed and interviewed. MWH Americas, Inc was selected as the most qualified firm. The Public Utilities Department will maximize the use of City staff both within the Department and Citywide. However, due to the City's lack of experience in building and obtaining regulatory approvals for potable reuse facilities and the urgency of bringing these facilities online, the Public Utilities Department recommends the use of this As-Needed Engineering Technical Services Consultant in implementing the Pure Water Program. The Consultant will supplement City staff and will provide the guidance and technical support needed to manage this large and complex program. Work will be negotiated and authorized on a task order basis and may include the following tasks:

1. Support the development and execution of a regulatory strategy for obtaining California Division of Drinking Water approval of full-scale potable reuse facilities
2. Review and valid the existing Pure Water Facilities Plan
3. Preparation of Project Descriptions or Pre-designs first phase of projects in the Pure Water Facilities Plan, which may include;
 - a. North City Water Reclamation Plant expansion.
 - b. North City Advanced Water Purification Facility (AWPF) and Pure Water pump station
 - c. Morena Blvd Pump Station and Conveyance System
 - d. South Bay Water Reclamation Expansion

- e. South Bay Advanced Water Purification Plant
 - f. South Bay Advanced Water Purification Pump Station and Conveyance System
 - g. Any other facilities needed to achieve the program goal of 83 mgd of purified water production
- 4. Conduct AWPf treatment optimization and equipment prequalification testing
 - 5. Assist with the review of all design documents for the first phase of the Advanced Water Purification Plant and Conveyance System
 - 6. Provide assistance in obtaining facility permits
 - 7. Develop program controls and reporting tools, utilizing the City's current P6 system
 - 8. Assist with the update of the program design guidelines

Cost and Schedule:

The proposed As-Needed Engineering Technical Services contract with MWH Americas, Inc has a total not-to-exceed value of \$30,000,000 over a five (5) year period. Work will be authorized on a task order basis. Cost will be allocated to water and wastewater per the cost allocation agreement being developed by City and Metro JPA staff. It is anticipated that this contract will be heard at the City Council Committee of the Environment in January 2015 and the full City Council in February 2015.

**COUNCIL ACTION
EXECUTIVE SUMMARY SHEET
CITY OF SAN DIEGO**

DATE: 9/24/2014

ORIGINATING DEPARTMENT: Public Utilities

SUBJECT: Pure Water San Diego Program As-Needed Engineering Technical Services
Consultant

COUNCIL DISTRICT(S): Citywide

CONTACT/PHONE NUMBER: Ann Sasaki/858-292-6402 MS 901A

DESCRIPTIVE SUMMARY OF ITEM:

This action is for approval of a 5-year \$30,000,000 Agreement with MWH Americas, Inc. for As-Needed Engineering Technical Services to support the Public Utilities Department in the implementation of the Pure Water San Diego Program.

STAFF RECOMMENDATION:

Approve Requested Actions

EXECUTIVE SUMMARY OF ITEM BACKGROUND:

San Diego's imported water supplies face increasing stresses from a variety of sources. As a result, the region's supplies are becoming less reliable and more expensive. These circumstances, and the threat of further limitations on San Diego's water supplies, have intensified the need for new sources of water. Pure Water San Diego is the City's 20-year program to provide a safe, secure and sustainable local drinking water supply for San Diego. Recycled water will be turned into drinkable water through the use of water purification technology. Further, Pure Water's system-wide reuse will significantly reduce flows to the Point Loma Wastewater Treatment Plant (Point Loma). Pure Water is integral to both the application to renew Point Loma's Permit and the proposed legislation for secondary equivalency. The program will make San Diego more water independent and resolves regional wastewater issues. On April 29, 2014, the City Council adopted Resolution Number R-308906 supporting the Pure Water Program.

Pure Water implementation encompasses design and construction of new treatment facilities, securing regulatory approvals from the California Division of Drinking Water, Regional Water Quality Control Board, and the United States Environmental Protection Agency, financial and economic analysis and public outreach and education. To support these responsibilities and to ensure the efficient and effective use of resources, the City has a need for professional engineering and technical services on an as-needed basis. These services will support program-level decisions and project-level designs and implementation.

In July, the City of San Diego, Public Utilities Department advertised for an As-Needed Engineering Technical Services Consultant to assist in managing the Pure Water Program. Five proposals were received and a selection committee, in compliance with City Policy 300-7 was convened. All five proposers were short listed and interviewed. MWH Americas, Inc. was selected as the most qualified firm. The proposed contract with MWH will last five years. The total contract amount will be \$30 million. The Public Utilities Department will maximize the use of City staff both within the Department and Citywide. However, due to the City's lack of

experience in building and obtaining regulatory approvals for potable reuse facilities and the urgency of bringing these facilities online, the Public Utilities Department recommends the use of this As-Needed Engineering Consultant Technical Services Contract in implementing the Pure Water Program. The Consultant will supplement City staff and will provide the guidance and technical support needed to manage this large and complex program. Work will be authorized on a task order basis.

FISCAL CONSIDERATIONS:

The total contract is not to exceed \$30,000,000 over five (5) years. Funds are or will be available in Water Utility CIP Fund 700010 and Metro Sewer CIP Fund 700009, contingent upon the adoption of the Annual Appropriation Ordinance for the applicable fiscal year and contingent upon the Chief Financial Officer furnishing one or more certificates certifying that funds necessary for expenditure are, or will be, on deposit with the City Treasurer. Funds will be allocated on a task order basis.

EQUAL OPPORTUNITY CONTRACTING INFORMATION (IF APPLICABLE):

This agreement is subject to the City's Equal Opportunity Contracting (San Diego Ordinance No. 18173, Section 22.2701 through 22.2702) and Non Discrimination in Contracting Ordinance (San Diego Municipal Code Sections 22.3501 through 22.3517).

PREVIOUS COUNCIL and/or COMMITTEE ACTION:

The Recycled Water Study was received by Council under Resolution Number R-307585 on July 17, 2012. The City Council adopted Resolution R-308906 on April 29, 2014 supporting the Pure Water Program.

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:

The Independent Rates Oversight Committee will review this action on October 20, 2014. The Metro Commission will review the recommended actions on October 16, 2014.

In April 2014, the City formed the Pure Water Working Group to provide diverse viewpoints and input on the City's efforts to provide a safe, secure and local drinking water supply. The group includes representatives from community planning groups, businesses, City Council District Offices, environmental groups, and water coalitions. The group has been meeting on a monthly basis since May 2014.

KEY STAKEHOLDERS AND PROJECTED IMPACTS:

The stakeholders in this Program included San Diego Coastkeeper, the San Diego Chapter of the Surfrider Foundation, the Metro Wastewater Participating Agencies, the Independent Oversight Committee, and Water and Wastewater Ratepayers. The Stakeholders played an important role in the development of the Pure Water Program.

EQUAL EMPLOYMENT OPPORTUNITY COMPLIANCE

Equal Opportunity: Required

MWH Americas, Inc. submitted a Work Force Report for their San Diego County employees dated April 17, 2014 indicating 17 employees in their Administrative Work Force and 36 employees in their Trade Work Force.

The Administrative Work Force indicates under representations in the following categories:

Black, Asian and Filipino in A&E, Science, Computer
Female in Management & Financial

The Trade Work Force indicates under representations in the following categories:

Hispanic, Asian, Filipino and Female in A&E, Science, Computer
Female in Professional and Technical

Based on the under representations in the workforce noted above, staff has an approved Equal Employment Opportunity (EEO) Plan on file as of October 21, 2014. Staff will continue to monitor the firm's efforts to implement their EEO plan.

This agreement is subject to the City's Equal Opportunity Contracting (San Diego Ordinance No. 18173, Section 22.2701 through 22.2708), and the Non-Discrimination in Contracting Ordinance (San Diego Municipal Code Sections 22.3501 through 22.3517).

CITY OF SAN DIEGO WORK FORCE REPORT – ADMINISTRATIVE

HISTORY

The Work Force Report (WFR) is the document that allows the City of San Diego to analyze the work forces of all firms wishing to do business with the City. We are able to compare the firm's work force data to County Labor Force Availability (CLFA) data derived from the United States Census. CLFA data is a compilation of lists of occupations and includes the percentage of each ethnicity we track (Black, Hispanic, Asian, American Indian, Filipino) for each occupation. Currently, our CLFA data is taken from the 2000 Census. In order to compare one firm to another, it is important that the data we receive from the consultant firm is accurate and organized in the manner that allows for this fair comparison.

WORK FORCE & BRANCH WORK FORCE REPORTS

When submitting a WFR, especially if the WFR is for a specific project or activity, we would like to have information about the firm's work force that is actually participating in the project or activity. That is, if the project is in San Diego and the work force is from San Diego, we want a San Diego County Work Force Report.¹ By the same token, if the project is in San Diego, but the work force is from another county, such as Orange or Riverside County, we want a Work Force Report from that county.² For example, if participation in a San Diego project is by work forces from San Diego County, Los Angeles County and Sacramento County, we will ask for separate Work Force Reports representing the work forces of

your firm from each of the three counties.^{1,2} On the other hand, if the project will be accomplished completely outside of San Diego, we ask for a Work Force Report from the county or counties where the work will be accomplished.²

MANAGING OFFICE WORK FORCE

Equal Opportunity Contracting may occasionally ask for a Managing Office Work Force (MOWF) Report. This may occur in an instance where the firm involved is a large national or international firm but the San Diego or other local work force is very small. In this case, we may ask for both a local and a MOWF Report.^{1,3} In another case, when work is done only by the Managing Office, only the MOWF Report may be necessary.³

TYPES OF WORK FORCE REPORTS

Please note, throughout the preceding text of this page, the superscript numbers one ¹, two ² & three ³. These numbers coincide with the types of work force report required in the example. See below:

- ¹ One San Diego County (or Most Local County) Work Force – Mandatory in most cases
- ² Branch Work Force*
- ³ Managing Office Work Force

**Submit a separate Work Force Report for all participating branches. Combine WFRs if more than one branch per county*

\$30 million total, 5 year contract

Please submit request to HumanResources@sanidiego.gov or Mail Station 56L

Question	Department Response
What is the contract for?	<p>The Public Utilities Department is embarking on a significant capital improvement program (Pure Water Program) to ensure reliable water supplies for the future and to resolve permitting issues at the Point Loma Wastewater Treatment Plant. This undertaking will involved more than \$2 Billion of infrastructure being constructed over the next 20 years. Managing a program of this size will require a depth and breadth of resources and specialized experience currently not available within existing staff.</p> <p>The program involves the planning, design and construction of advanced water treatment plants, risk assessments to determine the quality and safety of purified water produced, technical reports for regulatory review, permit acquisition, financing and economics, scheduling, monitoring and control, facility startup and testing and significant public education and community outreach.</p> <p>The Program Management consultant will provide a broad array of services and program tools that will be necessary to effectively manage the program. These include program support services to initiate, plan, execute, monitor, control, commission and close out projects and the program.</p> <p>This project requires specialized professional management, engineering, financial, and public relations services to support the program on a fixed contract and as-needed basis. Tasks vary in type including: studies, 10% designs, thrd party reviews or audits, permitting and regulatory review, cost estimating, financial studies, rate design, economical impact, procurement strategies, and outreach efforts. Expertise in the following areas is required: water/wastewater/recycled water engineering, traffic engineering, soil/geotechnical engineering, hydrogeological/geological engineering, surveying, civil engineering, electrical engineering, mechanical engineering, "fair cost estimating, architectural engineering, instrumentation and controls engineering, environmental, knowledge of federal and state regulatory requirements for reuse of water, financing, economics, contracting and public relations.</p>

Are City employees currently performing any of the work?	No. Preliminary engineering and planning work associated with this Program is currently being done by consultant staff under the supervision and management of City staff. This contract will provide support for the implementation of the Program.
Will any City employees be displaced as a result of this bid?	No. This consulting work is above and beyond City employees' job duties and will not result in displacement of City employees.
If this is a renewal of an existing contract, how long have these services been contracted out?	No. This is a new contract.

NOTE: If a public works construction contract and over \$100k, see City Charter Section 94.

HUMAN RESOURCES DEPARTMENT USE ONLY

Based on the Department's representation, this contract is Approved
from a labor relations perspective in accordance with the City's Contracting Protocols.

**AS-NEEDED AGREEMENT BETWEEN
THE CITY OF SAN DIEGO
AND MWH AMERICAS, INC.
FOR CONSULTANT SERVICES**

THIS Agreement is made and entered into between the City of San Diego, a municipal corporation [City], and MWH Americas, Inc. [Consultant] to provide Professional Services to the City for engineering technical services on an as-needed basis.

RECITALS

The City wants to retain the services of a professional engineering technical firm to provide the Professional Services on an as-needed, hourly fee basis.

The City is concerned that one Consultant may not be able to meet all the City's needs for the Professional Services in a timely and efficient manner and, therefore, the City may enter into an agreement with more than one Consultant to provide the Professional Services on an as-needed, hourly basis in exchange for a guaranteed minimum amount of work with each Consultant.

The Consultant represents that it has the expertise, experience and personnel necessary to provide the Professional Services on an as-needed, hourly fee basis.

The City and the Consultant [Parties] want to enter into an Agreement whereby the City will retain the Consultant to provide, and the Consultant shall provide, the Professional Services on an as-needed, hourly fee basis [Agreement].

In consideration of the above recitals and the mutual covenants and conditions set forth herein, and for good and valuable consideration, the sufficiency of which are hereby acknowledged, the Parties hereby set forth their mutual covenants and understandings as follows:

**ARTICLE I
CONSULTANT SERVICES**

The above-listed recitals are true and correct and are hereby incorporated by reference.

1.1 Scope of Services. The scope of services will be determined by the City on an as-needed basis and presented to Professional as an individual Task [Task]. The Consultant shall perform the Professional Services at the direction of the City and as generally set forth in the Scope of Services [Exhibit A] and as more specifically described in each Task Order Authorization [Task Order] [Exhibit B].

1.1.1 Task Order. Prior to beginning performance in response to a Task Order, Consultant shall complete and execute the Task Order which must be approved in writing by the City. Each Task Order shall include a scope of Professional Services, a cost estimate, and the time for completion. The scope of Professional Services shall include all activities or work

reasonably anticipated as necessary for successful completion of each Task presented by the City.

1.1.2 Non-Exclusivity. The Consultant agrees that this Agreement is non-exclusive and that the City may enter into agreements with other Consultants to perform substantially the same or similar Professional Services during the term of this Agreement.

1.2 Task Administrator. The [Public Utilities Department](#) is the task administrator for this Agreement. The Consultant shall provide the Professional Services under the direction of a designated representative of the [Public Utilities Department](#). The City's designated representative will communicate with the Consultant on all matters related to the administration of this Agreement and the Consultant's performance of the Professional Services rendered hereunder. When this Agreement refers to communications to or with the City, those communications will be with the designated representative, unless the designated representative or the Agreement specifies otherwise. Further, when this Agreement refers to an act or approval to be performed by the City, that act or approval shall be performed by the Mayor or designee, unless the Agreement specifies otherwise.

1.3 City Modification of Scope of Services. The City may, without invalidating this Agreement, order changes in any Task by altering, adding to or deducting from the Professional Services to be performed. All such changes shall be in writing and shall be performed in accordance with the provisions of this Agreement. If any such changes cause an increase or decrease in the Consultant's cost of, or the time required for, the performance of any of the Professional Services, the Consultant shall immediately notify the City. If the City deems it appropriate, an equitable adjustment to the Consultant's compensation may be made, provided that any adjustment must be approved by both Parties in writing in accordance with Section 9.1 of this Agreement.

1.4 Written Authorization. Prior to performing any Professional Services in connection with the Tasks, the Consultant shall obtain from the City a written authorization to proceed. Further, throughout the term of this Agreement, the Consultant shall immediately advise the City in writing of any anticipated changes to any Task, including any changes to the time for completion or the Compensation and Fee Schedule, and shall obtain the City's written consent to the change prior to making any changes. In no event shall the City's consent be construed to relieve the Consultant from its duty to render all Professional Services in accordance with applicable laws and accepted industry standards.

1.5 Confidentiality of Services. All Professional Services performed by the Consultant, including but not limited to all drafts, data, correspondence, proposals, reports, and estimates compiled or composed by the Consultant, pursuant to this Agreement, are for the sole use of the City, its agents and employees. Neither the documents nor their contents shall be released to any third party without the prior written consent of the City. This provision does not apply to information that (a) was publicly known, or otherwise known to the Consultant, at the time that it was disclosed to the Consultant by the City, (b) subsequently becomes publicly known through no act or omission of the Consultant, or (c) otherwise becomes known to the Consultant other than through disclosure by the City. Except for Subcontractors covered by

Section 4.4, neither the documents nor their contents shall be released to any third party without the prior written consent of the City.

1.6 Competitive Bidding. The Consultant shall ensure that any plans and specifications prepared, required, or recommended under this Agreement allow for competitive bidding. The Consultant shall design such plans or specifications so that procurement of services, labor or materials are not available from only one source, and shall not design plans and specifications around a single or specific product, piece of major equipment or machinery, a specific patented design, or a proprietary process, unless required by principles of sound engineering practice and supported by a written justification that has been approved in writing by the City. The Consultant shall submit this written justification to the City prior to beginning work on such plans or specifications. Whenever the Consultant recommends a specific product or equipment for competitive procurement, such recommendation shall include at least two brand names of products that are capable of meeting the functional requirements applicable to the Task.

ARTICLE II DURATION OF AGREEMENT

2.1 Term of Agreement. This Agreement shall be effective on the date it is executed by the last Party to sign the Agreement, and approved by the City Attorney in accordance with San Diego Charter Section 40. Unless otherwise terminated, this Agreement shall be effective for issuing and completing Task Orders for no more than **sixty (60)** months following the date of its execution by the City, unless said duration is modified in writing by an amendment to this Agreement. Any extension beyond sixty (60) months will require City Council approval via Ordinance.

2.2 Time of Essence. Time is of the essence for each provision of this Agreement, unless otherwise specified in this Agreement. The time for performance of any Task shall be set forth in the Task Order and shall not exceed the contract duration.

2.3 Notification of Delay. The Consultant shall immediately notify the City in writing if Consultant experiences or anticipates experiencing a delay in performing the Professional Services within the time frames set forth in the Task Order. The written notice shall include an explanation of the cause for, and a reasonable estimate of the length of, the delay. If in the opinion of the City, the delay affects a material part of the Task, the City may exercise its rights under Sections 2.5-2.7 of this Agreement.

2.4 Delay. If delays in the performance of the Professional Services are caused by unforeseen events beyond the control of the Parties, such delay may entitle the Consultant to a reasonable extension of time, but such delay shall not entitle the Consultant to damages or additional compensation. Any such extension of time must be approved in writing by the City. The following conditions may constitute such a delay: war; changes in law or government regulation; labor disputes; strikes; fires, floods, adverse weather or other similar condition of the elements necessitating cessation of the Consultant's work; inability to obtain materials, equipment or labor; required additional Professional Services; or other specific reasons agreed to between the City and the Consultant; provided, however, that: (a) this provision shall not apply to, and the Consultant shall not be entitled to an extension of time for, a delay caused by the acts or omissions of the Consultant; and (b) a delay caused by the inability to obtain materials,

equipment, or labor shall not entitle the Consultant to an extension of time unless the Consultant furnishes the City, in a timely manner, documentary proof satisfactory to the City of the Consultant's inability to obtain materials, equipment, or labor.

2.5 City's Right to Suspend for Convenience. The City may, at its sole option and for its convenience, suspend all or any portion of the Consultant's performance of the Professional Services, for a reasonable period of time not to exceed six months. In accordance with the provisions of this Agreement, the City will give written notice to the Consultant of such suspension. In the event of such a suspension, in accordance with the provisions of Article III of this Agreement, the City shall pay to the Consultant a sum equivalent to the reasonable value of the Professional Services the Consultant has performed up to the date of suspension. Thereafter, the City may rescind such suspension by giving written notice of rescission to the Consultant. The City may then require the Consultant to resume performance of the Professional Services in compliance with the terms and conditions of this Agreement; provided, however, that the Consultant shall be entitled to an extension of time equal to the length of the suspension, unless otherwise agreed to in writing by the Parties.

2.6 City's Right to Terminate for Convenience. The City may, at its sole option and for its convenience, terminate all or any portion of the Professional Services agreed to pursuant to this Agreement by giving written notice of such termination to the Consultant. Such notice shall be delivered by certified mail with return receipt for delivery to the City. The termination of the Professional Services shall be effective upon receipt of the notice by the Consultant. After termination of this Agreement, the Consultant shall complete any and all additional work necessary for the orderly filing of documents and closing of the Consultant's Professional Services under this Agreement. For services rendered in completing the work, the Consultant shall be entitled to fair and reasonable compensation for the Professional Services performed by the Consultant before the effective date of termination. After filing of documents and completion of performance, the Consultant shall deliver to the City all drawings, plans, calculations, specifications and other documents or records related to the Consultant's Professional Services on all Task(s). By accepting payment for completion, filing and delivering documents as called for in this paragraph, the Consultant discharges the City of all of the City's payment obligations and liabilities under this Agreement.

2.7 City's Right to Terminate for Default. If the Consultant fails to perform or adequately perform any obligation required by this Agreement, the Consultant's failure constitutes a Default. A Default includes the Consultant failure to complete the Professional Services within the time for completion as set forth in the Task Order. If the Consultant fails to satisfactorily cure a Default within ten calendar days of receiving written notice from the City specifying the nature of the Default, the City may immediately cancel and/or terminate this Agreement, and terminate each and every right of the Consultant, and any person claiming any rights by or through the Consultant under this Agreement. The rights and remedies of the City enumerated in this Section are cumulative and shall not limit, waive, or deny any of the City's rights under any other provision of this Agreement. Nor does this Section otherwise waive or deny any right or remedy, at law or in equity, existing as of the date of this Agreement or hereinafter enacted or established, that may be available to the City against the Consultant.

ARTICLE III

COMPENSATION

3.1 Amount of Compensation. The City shall pay the Consultant for performance of all Professional Services rendered in accordance with this Agreement, including all reasonably related expenses, in an amount not to exceed **\$30,000,000.00**. The City agrees to issue at least one or more Task Orders with a minimum aggregate value of \$1,000.00 to the Consultant.

3.2 Manner of Payment. The City shall pay the Consultant in accordance with the Compensation and Fee Schedule [Exhibit C]. For the duration of this Agreement, the Consultant shall not be entitled to fees, including fees for expenses, that exceed the amounts specified in the Compensation and Fee Schedule. The Consultant shall submit one invoice per calendar month in a form acceptable to the City in accordance with the Compensation and Fee Schedule. The Consultant shall include with each invoice a description of completed Professional Services, reasonably related expenses, if any, and all other information, including but not limited to: the progress percentage of the Scope of Services and/or deliverables completed prior to the invoice date, as required by the City. The City will pay undisputed portions of invoices within thirty calendar days of receipt.

3.3 Additional Costs. Additional Costs are those costs that can be reasonably determined to be related to the Consultant's errors or omissions, and may include Consultant, City, or Subcontractor overhead, construction, materials, demolition, and related costs. The Consultant shall not be paid for the Professional Services required due to the Consultant's errors or omissions, and the Consultant shall be responsible for any Additional Costs associated with such errors or omissions. These Additional Costs may be deducted from monies due, or that become due, the Consultant. Whether or not there are any monies due, or becoming due, the Consultant shall reimburse the City for Additional Costs due to the Consultant's errors or omissions.

3.4 Eighty Percent Notification. The Consultant shall promptly notify the City in writing of any potential cost overruns. Cost overruns include, but are not limited to the following: (1) where anticipated costs to be incurred in the next sixty calendar days, when added to all costs previously incurred, will exceed 80 percent of the maximum compensation for this Agreement or for any issued Task Order; or (2) where the total anticipated cost for performance of the Scope of Services may be greater than the maximum compensation for this Agreement or for any Task Order.

ARTICLE IV CONSULTANT'S OBLIGATIONS

4.1 Industry Standards. The Consultant agrees that the Professional Services rendered under this Agreement shall be performed in accordance with the standards customarily adhered to by an experienced and competent professional **engineering technical** firm using the degree of care and skill ordinarily exercised by reputable professionals practicing in the same field of service in the State of California. Where approval by the City, the Mayor or his designee, or other representatives of the City is required, it is understood to be general approval only and does not relieve the Consultant of responsibility for complying with all applicable laws, codes, and good consulting practices.

4.2 Right to Audit.

4.2.1 Access. The City retains the right to review and audit, and the reasonable right of access to Consultant's and any Subcontractor's premises to review and audit the Consultant's or Subcontractor's compliance with the provisions of this Agreement [City's Right]. The City's Right includes the right to inspect and photocopy same, and to retain copies, outside of the Consultant's premises, of any and all Project related records with appropriate safeguards, if such retention is deemed necessary by the City in its sole discretion. This information shall be kept by the City in the strictest confidence allowed by law.

4.2.2 Audit. The City's Right includes the right to examine any and all books, records, documents and any other evidence of procedures and practices that the City determines are necessary to discover and verify that the Consultant or Subcontractor is in compliance with all requirements under this Agreement.

4.2.2.1 Cost Audit. If there is a claim for additional compensation or for Additional Costs, the City's Right includes the right to examine books, records, documents, and any and all other evidence and accounting procedures and practices that the City determines are necessary to discover and verify all direct and indirect costs, of whatever nature, which are claimed to have been incurred, or anticipated to be incurred.

4.2.2.2 Accounting Records. The Consultant and all Subcontractors shall maintain complete and accurate records in accordance with Generally Accepted Accounting Practices in the industry. The Consultant and Subcontractors shall make available to the City for review and audit; all Project-related accounting records and documents, and any other financial data. Upon the City's request, the Consultant and Subcontractors shall submit exact duplicates of originals of all requested records to the City.

4.2.3 City's Right Binding on Subcontractors. The Consultant shall include the City's Right as described in Section 4.2, in any and all of their subcontracts, and shall ensure that these sections are binding upon all Subcontractors.

4.2.4 Compliance Required before Mediation or Litigation. A condition precedent to proceeding with mandatory mediation and further litigation provided for in Article VII is the Consultant's and Subcontractors full compliance with the provisions of this Section 4.2 within sixty days of the date on which the City mailed a written request to review and audit compliance.

4.3 Insurance. The Consultant shall not begin the Professional Services under this Agreement until it has: (a) obtained, and provided to the City, insurance certificates and endorsements reflecting evidence of all insurance required in Article IV, Section 4.3.1; however, the City reserves the right to request, and the Consultant shall submit, copies of any policy upon reasonable request by the City; (b) obtained City approval of each company or companies as required by Article IV, Section 4.3.3; and (c) confirmed that all policies contain the specific provisions required in Article IV, Section 4.3.4. Consultant's liabilities, including but not limited to Consultant's indemnity obligations, under this Agreement, shall not be deemed limited in any way to the insurance coverage required herein. Except as provided for under California law, all policies of insurance required hereunder must provide that the City is entitled to thirty (30) days

prior written notice (10 days for cancellation due to non-payment of premium) of cancellation or non-renewal of the policy or policies. Maintenance of specified insurance coverage is a material element of this Agreement and Consultant's failure to maintain or renew coverage or to provide evidence of renewal during the term of this Agreement may be treated as a material breach of contract by the City.

Further, the Consultant shall not modify any policy or endorsement thereto which increases the City's exposure to loss for the duration of this Agreement.

4.3.1 Types of Insurance. At all times during the term of this Agreement, the Consultant shall maintain insurance coverage as follows:

4.3.1.1 Commercial General Liability. Commercial General Liability (CGL) Insurance written on an ISO Occurrence form CG 00 01 07 98 or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury or property damage in the amount of \$1 million per occurrence and subject to an annual aggregate of \$2 million. There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.

4.3.1.2 Commercial Automobile Liability. For all of the Consultant's automobiles including owned, hired and non-owned automobiles, the Consultant shall keep in full force and effect, automobile insurance written on an ISO form CA 00 01 12 90 or a later version of this form or an equivalent form providing coverage at least as broad for bodily injury and property damage for a combined single limit of \$1 million per occurrence. Insurance certificate shall reflect coverage for any automobile (any auto).

4.3.1.3 Workers' Compensation. For all of the Consultant's employees who are subject to this Agreement and to the extent required by the applicable state or federal law, the Consultant shall keep in full force and effect, a Workers' Compensation policy. That policy shall provide a minimum of \$1 million of employers' liability coverage, and the Consultant shall provide an endorsement that the insurer waives the right of subrogation against the City and its respective elected officials, officers, employees, agents and representatives.

4.3.1.4 Architects & Engineers Professional Liability. For all of the Consultant's employees who are subject to this Agreement, the Consultant shall keep in full force and effect, Professional Liability coverage for professional liability with a limit of \$1 million per claim and \$2 million annual aggregate. The Consultant shall ensure both that: (1) the policy retroactive date is on or before the date of commencement of the Scope of Services as described in issued Task Orders; and (2) the policy will be maintained in force for a period of three years after substantial completion of the Scope of Services as described in issued Task Orders or termination of this Agreement whichever occurs last. The Consultant agrees that for the time period defined above, there will be no changes or endorsements to the policy that increase the City's exposure to loss.

4.3.2 Deductibles. All deductibles on any policy shall be the responsibility of the Consultant and shall be disclosed to the City at the time the evidence of insurance is provided.

4.3.3 Acceptability of Insurers.

4.3.3.1 Except for the State Compensation Insurance Fund, all insurance required by this Contract or in the Special General Conditions shall only be carried by insurance companies with a rating of at least “A-, VI” by A.M. Best Company, that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by the City.

4.3.3.2 The City will accept insurance provided by non-admitted, “surplus lines” carriers only if the carrier is authorized to do business in the State of California and is included on the List of Approved Surplus Lines Insurers (LASLI list). All policies of insurance carried by non-admitted carriers are subject to all of the requirements for policies of insurance provided by admitted carriers described herein.

4.3.4 Required Endorsements. The following endorsements to the policies of insurance are required to be provided to the City before any work is initiated under this Agreement.

4.3.4.1 Commercial General Liability Insurance Endorsements

ADDITIONAL INSURED. To the fullest extent allowed by law including but not limited to California Insurance Code Section 11580.04, the policy or policies must be endorsed to include as an Additional Insured the City of San Diego and its respective elected officials, officers, employees, agents and representatives with respect to liability arising out of (a) ongoing operations performed by you or on your behalf, (b) your products, (c) your work, including but not limited to your completed operations performed by you or on your behalf, or (d) premises owned, leased, controlled or used by you.

PRIMARY AND NON-CONTRIBUTORY COVERAGE. The policy or policies must be endorsed to provide that the insurance afforded by the Commercial General Liability policy or policies is primary to any insurance or self-insurance of the City of San Diego and its elected officials, officers, employees, agents and representatives as respects operations of the Named Insured. Any insurance maintained by the City of San Diego and its elected officials, officers, employees, agents and representatives shall be in excess of Consultant’s insurance and shall not contribute to it.

4.3.4.2 Automobile Liability Insurance Endorsements

ADDITIONAL INSURED. To the fullest extent allowed by law including but not limited to California Insurance Code Section 11580.04, the policy or policies must be endorsed to include as an Additional Insured the City of San Diego and its respective elected officials, officers, employees, agents and representatives with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the Consultant.

4.3.4.3 Worker’s Compensation and Employer’s Liability Insurance Endorsements

WAIVER OF SUBROGATION. The Worker's Compensation policy or policies must be endorsed to provide that the insurer will waive all rights of subrogation against the City and its respective elected officials, officers, employees, agents and representatives for losses paid under the terms of this policy or these policies which arise from work performed by the Named Insured for the City.

4.3.5 Reservation of Rights. The City reserves the right, from time to time, to review the Consultant's insurance coverage, limits, deductible and self-insured retentions to determine if they are acceptable to the City. The City will reimburse the Consultant for the cost of the additional premium for any coverage requested by the City in excess of that required by this Agreement without overhead, profit, or any other markup.

4.3.6 Additional Insurance. The Consultant may obtain additional insurance not required by this Agreement.

4.3.7 Excess Insurance. All policies providing excess coverage to the City shall follow the form of the primary policy or policies including but not limited to all endorsements.

4.4 Subcontractors. The Consultant's hiring or retaining of any third parties [Subcontractors] to perform services related to the Project [Subcontractor Services] is subject to prior approval by the City. The Consultant shall list on the Subcontractor List [Exhibit D Attachment BB] all Subcontractors known to the Consultant at the time this Agreement is entered. If at any time after this Agreement is entered into the Consultant identifies a need for additional Subcontractor Services, the Consultant shall give written notice to the City of the need, at least forty-five days before entering into a contract for such Subcontractor Services. The Consultant's notice shall include a justification, a description of the scope of services, and an estimate of all costs for the Subcontractor Services. The Consultant may request that the City reduce the forty-five day notice period. The City agrees to consider such requests in good faith.

4.4.1 Subcontractor Contract. All contracts entered into between the Consultant and any Subcontractor shall contain the information as described in Sections 4.6, 4.7, 4.10.2, and 4.18, and shall also provide as follows:

4.4.1.1 Consultant shall require the Subcontractor to obtain insurance policies, as described in Section 4.3.1, and those policies shall be kept in full force and effect during any and all work on this Project and for the duration of this Agreement. Furthermore, Subcontractor policy limits, and required endorsements shall be determined by the Consultant proportionate to the services performed by the Subcontractor.

4.4.1.2 The Consultant is obligated to pay the Subcontractor, for Consultant and City-approved invoice amounts, out of amounts paid by the City to the Consultant, not later than fourteen working days from the Consultant's receipt of payment from the City. Nothing in this paragraph shall be construed to impair the right of the Consultant and any Subcontractor to negotiate fair and reasonable pricing and payment provisions among themselves.

4.4.1.3 In the case of a deficiency in the performance of Subcontractor Services, the Consultant shall notify the City in writing of any withholding of payment to the

Subcontractor, specifying: (a) the amount withheld; (b) the specific cause under the terms of the subcontract for withholding payment; (c) the connection between the cause for withholding payment and the amount withheld; and (d) the remedial action the Subcontractor must take in order to receive the amount withheld. Once the Subcontractor corrects the deficiency, the Consultant shall pay the Subcontractor the amount withheld within fourteen working days of the Consultant's receipt of the City's next payment.

4.4.1.4 In any dispute between the Consultant and Subcontractor, the City shall not be made a party to any judicial or administrative proceeding to resolve the dispute. The Consultant agrees to defend and indemnify the City as described in Article VI of this Agreement in any dispute between the Consultant and Subcontractor should the City be made a party to any judicial or administrative proceeding to resolve the dispute in violation of this position.

4.4.1.5 The Subcontractor is bound to the City's Equal Opportunity Contracting Program covenants set forth in Article IV, Section 4.6 and Exhibit D of this Agreement.

4.4.1.6 The City is an intended beneficiary of any work performed by the Subcontractor for purposes of establishing a duty of care between the Subcontractor and the City.

4.5 Contract Activity Report. The Consultant shall submit statistical information to the City as requested in the City's Contract Activity Report [Exhibit D Attachment CC]. The statistical information shall include the amount of subcontracting provided by firms during the period covered by the Contract Activity Report. With the Contract Activity Report, the Consultant shall provide an invoice from each Subcontractor listed in the report. The Consultant agrees to issue payment to each firm listed in the Report within fourteen working days of receiving payment from the City for Subcontractor Services as described in Section 4.4.1.

4.6 Non-Discrimination Requirements.

4.6.1 Compliance with the City's Equal Opportunity Contracting Program. The Consultant shall comply with the City's Equal Opportunity Contracting Program Consultant Requirements [Exhibit D]. The Consultant shall not discriminate against any employee or applicant for employment on any basis prohibited by law. The Consultant shall provide equal opportunity in all employment practices. The Consultant shall ensure that its Subcontractors comply with the City's Equal Opportunity Contracting Program Consultant Requirements. Nothing in this Section shall be interpreted to hold the Consultant liable for any discriminatory practice of its Subcontractors.

4.6.2 Non-Discrimination Ordinance. The Consultant shall not discriminate on the basis of race, gender, religion, national origin, ethnicity, sexual orientation, age, or disability in the solicitation, selection, hiring or treatment of Subcontractors, vendors or suppliers. The Consultant shall provide equal opportunity for Subcontractors to participate in subcontracting opportunities. The Consultant understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in contract termination, debarment, or other sanctions. This language shall be in contracts between the Consultant and any Subcontractors, vendors and suppliers.

4.6.3 Compliance Investigations. Upon the City's request, the Consultant agrees to provide to the City, within sixty calendar days, a truthful and complete list of the names of all Subcontractors, vendors, and suppliers that the Consultant has used in the past five years on any of its contracts that were undertaken within San Diego County, including the total dollar amount paid by the Consultant for each subcontract or supply contract. The Consultant further agrees to fully cooperate in any investigation conducted by the City pursuant to the City's Nondiscrimination in Contracting Ordinance (San Diego Municipal Code sections 22.3501-22.3517) The Consultant understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in remedies being ordered against the Consultant up to and including contract termination, debarment, and other sanctions for violation of the provisions of the Nondiscrimination in Contracting Ordinance. The Consultant further understands and agrees that the procedures, remedies and sanctions provided for in the Nondiscrimination Ordinance apply only to violations of said Nondiscrimination Ordinance.

4.7 Drug-Free Workplace. The Consultant agrees to comply with the City's Drug-Free Workplace requirements set forth in Council Policy 100-17, adopted by San Diego Resolution R-277952 and incorporated into this Agreement by this reference. The Consultant shall certify to the City that it will provide a drug-free workplace by submitting a Consultant Certification for a Drug-Free Workplace form [Exhibit E].

4.7.1 Consultant's Notice to Employees. The Consultant shall publish a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the work place, and specifying the actions that will be taken against employees for violations of the prohibition.

4.7.2 Drug-Free Awareness Program. The Consultant shall establish a drug-free awareness program to inform employees about: (1) the dangers of drug abuse in the work place; (2) the policy of maintaining a drug-free work place; (3) available drug counseling, rehabilitation, and employee assistance programs; (4) the penalties that may be imposed upon employees for drug abuse violations.

4.7.3 Posting the Statement. In addition to Section 4.7.1 above, the Consultant shall post the drug-free policy in a prominent place.

4.7.4 Subcontractor's Agreements. The Consultant further certifies that each contract for Subcontractor Services for this Project shall contain language that binds the Subcontractor to comply with the provisions of Article IV, Section 4.7 of this Agreement, as required by Sections 2.A.(1) through (3) of Council Policy 100-17. Consultants and Subcontractors shall be individually responsible for their own drug-free work place program.

4.8 Title 24/Americans with Disabilities Act Requirements. Consultant has sole responsibility for ensuring that all design services as contained in issued Task Orders comply with all accessibility requirements under Title 24 of the California Code of Regulations, known as the California Building Code (Title 24), and under the Americans with Disabilities Act Accessibility Guidelines (ADAAG) in effect at the time the designs are submitted to the City for review. When a conflict exists between Title 24 and ADAAG, the most restrictive requirement shall be followed by Consultant (i.e., that which provides the most access). Consultant warrants and certifies that any and all plans and specifications prepared for the City in accordance with

this agreement shall meet all requirements under Title 24 and ADAAG. Consultant understands that while the City will be reviewing Consultant's designs for compliance in specific and certain areas under Title 24 and ADAAG prior to acceptance of Consultant's designs, Consultant understands and agrees that the City's access review process and its acceptance of Consultant's designs in no way limits the Consultant's obligations under this agreement to prepare designs that comply with all requirements under Title 24 and ADAAG.

4.9 Product Endorsement. The Consultant acknowledges and agrees to comply with the provisions of City of San Diego Administrative Regulation 95.65, concerning product endorsement. Any advertisement identifying or referring to the City as the user of a product or service requires the prior written approval of the City.

4.10 Conflict of Interest. The Consultant is subject to all federal, state and local conflict of interest laws, regulations, and policies applicable to public contracts and procurement practices, including but not limited to California Government Code sections 1090, et seq. and 81000, et seq., and the City of San Diego Ethics Ordinance, codified in the San Diego Municipal Code at sections 27.3501 to 27.3595.

4.10.1 If, in performing the Professional Services set forth in this Agreement, any member of the Consultant's organization makes, or participates in, a "governmental decision" as described in Title 2, section 18701(a)(2) of the California Code of Regulations, or performs the same or substantially all the same duties for the City that would otherwise be performed by a City employee holding a position specified in the department's conflict of interest code, the individual shall be subject to a conflict of interest code requiring the completion of one or more statements of economic interests disclosing the individual's relevant financial interests. The determination as to whether any individual members of the Consultant's organization must make disclosures of relevant financial interests is set forth in the Determination Form [Exhibit F].

4.10.1.1 If a determination is made that certain individuals must disclose relevant financial interests, the statements of economic interests shall be made on Fair Political Practices Commission Form 700 and filed with the City Clerk. The individual shall file a Form 700 (Assuming Office Statement) within thirty calendar days of the City's determination that the individuals are subject to a conflict of interest code. Each year thereafter, the individuals shall also file a Form 700 (Annual Statement) on or before April 1, disclosing any financial interests held during the previous calendar year for which the individual was subject to a conflict of interest code. A Form 700 (Leaving Office Statement) shall also be filed when the individual discontinues services under this Agreement.

4.10.1.2 If the City requires an individual member of the Consultant's organization to file a statement of economic interests as a result of the Professional Services performed, the individual shall be considered a "City Official" subject to the provisions of the City of San Diego Ethics Ordinance, including the prohibition against lobbying the City for one year following the termination of this Agreement.

4.10.2 The Consultant shall establish and make known to its employees and agents appropriate safeguards to prohibit employees from using their positions for a purpose that is, or that gives the appearance of being, motivated by the desire for private gain for themselves or others, particularly those with whom they have family, business, or other relationships.

4.10.3 The Consultant and its Subcontractors having subcontracts amounting to 1% or more of the value of the Professional Services agreed to under this Agreement are precluded from participating in design services on behalf of the contractor, construction management, and any other construction services related in any way to these Professional Services without the prior written consent of the City.

4.10.4 The Consultant's personnel employed on the Project shall not accept gratuities or any other favors from any Subcontractors or potential Subcontractors. The Consultant shall not recommend or specify any product, supplier, or contractor with whom the Consultant has a direct or indirect financial or organizational interest or relationship that would violate conflict of interest laws, regulations, or policies.

4.10.5 If the Consultant violates any conflict of interest law or any of the provisions in this Section 4.10, the violation shall be grounds for immediate termination of this Agreement. Further, the violation subjects the Consultant to liability to the City for attorney's fees and all damages sustained as a result of the violation.

4.11 Mandatory Assistance. If a third party dispute or litigation, or both, arises out of, or relates in any way to the Professional Services provided under this Agreement, upon the City's request, the Consultant, its agents, officers, and employees agree to assist in resolving the dispute or litigation. The Consultant's assistance includes, but is not limited to, providing professional consultations, attending mediations, arbitrations, depositions, trials or any event related to the dispute resolution and/or litigation.

4.12 Compensation for Mandatory Assistance. The City will compensate the Consultant for fees incurred for providing Mandatory Assistance as Additional Costs under Section 3.3. If, however, the fees incurred for the Mandatory Assistance are determined, through resolution of the third party dispute or litigation, or both, to be attributable in whole, or in part, to the acts or omissions of the Consultant, its agents, officers, and employees, the Consultant shall reimburse the City. The City is then entitled to reimbursement of all fees paid to the Consultant, its agents, officers, and employees for Mandatory Assistance.

4.13 Attorney Fees related to Mandatory Assistance. In providing the City with dispute or litigation assistance, the Consultant or its agents, officers, and employees may incur expenses and/or costs. The Consultant agrees that any attorney fees it may incur as a result of assistance provided under Section 4.11 are not reimbursable. The Parties agree this provision does not in any way affect their rights to seek attorney fees under Article VIII, Section 8.8 of this Agreement.

4.14 Energy Conservation Specifications. Technological advances in energy conservation devices such as Lighting and Heating, Ventilation, and Air Conditioning (HVAC), enable additional energy savings over that required by the State of California's Energy Efficiency Standards (Title 24, Part 6 of the California Code of Regulations). The Consultant shall model the energy performance of the building using an acceptable computer model such as Energy Pro, EQuest, DOE-2, Power DOE, HAP 3.22, etc. and present the summary data to the City at or prior to 100 percent design. This analysis should include life cycle cost analysis showing recovery of construction costs through operation and maintenance costs (e.g., electricity and gas savings.) The Consultant shall prepare a cost savings matrix that lists each device being

considered and one, three, five and ten-year Project savings. The comparison shall include, but not be limited to, the following equipment: Lighting, HVAC, Water Heating, and Motors.

The Consultant shall contact the SDG&E New Construction Program at (858) 636-5725 or the San Diego Regional Energy Office at (619) 595-5634 to integrate them into the design process to ensure maximum energy performance and access to technical resources. Consultant shall endeavor to obtain from SDG&E a UTIL-1 (Utility Incentive Worksheet) to estimate energy savings and incentives available based on the design team energy modeling.

4.15 Notification of Increased Construction Cost. If, at any time prior to the City's approval of the final plans and specifications, the Consultant anticipates that the total construction cost will exceed the estimated construction budget, the Consultant shall immediately notify the City in writing. This written notification shall include an itemized cost estimate and a list of recommended revisions which the Consultant believes will bring the construction cost to within the estimated construction budget. The City may either: (1) approve an increase in the amount authorized for construction; or (2) delineate a project which may be constructed for the budget amount; or (3) any combination of (1) and (2).

4.16 Sustainable Building Policy. The Project design and construction shall comply with City Council Green Building Policy 900-14 [Exhibit G]. All new or significantly remodeled City facilities shall be designed and constructed to achieve at a minimum the Leadership in Energy and Environmental Design (LEED) "Silver" Level Certification.

4.17 Design-Build Competition Eligibility. Any architectural firms, engineering firms, Design Professionals, or individuals retained by the City to assist the City with developing criteria or preparing the preliminary design or the request for proposals for a Design-Build competition shall not be eligible to participate with any Design-Build Entity in that Design-Build competition. Additionally, the City may determine in its sole discretion that a Subcontractor hired to assist with a Design-Build competition, regardless of whether the Subcontractor was hired by the City or hired by an architectural firm, engineering firm, Design Professional, or individual retained by the City, has a competitive advantage and as such is ineligible to participate in that Design-Build competition.

4.18 Storm Water Management Discharge Control. Consultant shall comply with Chapter 4, Article 3, Division 3 of the San Diego Municipal Code, Storm Water Management Discharge Control, as amended from time to time, and any and all Best Management Practice guidelines and pollution elimination requirements as may be established by the Enforcement Official. Further, the Consultant shall prepare and incorporate into the construction documents a Storm Water Pollution Prevention Plan (SWPPP) to be implemented by the contractor during construction of any project that is subject to the Construction General Permit, California State Water Resources Control Board Order No. 2009-009-DWQ, as amended from time to time. Where applicable, the SWPPP shall comply with both the California Construction General Permit and City of San Diego Municipal Separate Storm Sewer National Pollution Discharge Elimination System permit requirements and any municipal regulations adopted pursuant to those permits.

4.19 ADA Certification. The Consultant hereby certifies [Exhibit L] that it agrees to comply with the City's Americans With Disabilities Act Compliance/City Contracts requirements set forth in Council Policy 100-04, adopted by San Diego Resolution R-282153 and incorporated into this Agreement by this reference.

4.20 Prevailing Wage Rates. Prevailing wage rates apply to this Agreement.

Pursuant to San Diego Municipal Code section 22.3019, construction, alteration, demolition, repair and maintenance work performed under this Agreement is subject to State prevailing wage laws. For construction work performed under this Agreement cumulatively exceeding \$25,000 and for alteration, demolition, repair and maintenance work performed under this Agreement cumulatively exceeding \$15,000, the Consultant and its subcontractors shall comply with State prevailing wage laws including, but not limited to, the requirements listed below.

4.20.1. Compliance with Prevailing Wage Requirements. Pursuant to sections 1720 through 1861 of the California Labor Code, the Consultant and its subcontractors shall ensure that all workers who perform work under this [Agreement or Contract] are paid not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations (DIR). This includes work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work.

4.20.1.1. Copies of such prevailing rate of per diem wages are on file at the City and are available for inspection to any interested party on request. Copies of the prevailing rate of per diem wages also may be found at <http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm>. Consultant and its subcontractors shall post a copy of the prevailing rate of per diem wages determination at each job site and shall make them available to any interested party upon request.

4.20.1.2. The wage rates determined by the DIR refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, then the published rate of wage shall be in effect for the life of this Agreement. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with the DIR, such predetermined wage rate shall become effective on the date following the expiration date and shall apply to this Agreement in the same manner as if it had been published in said publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the life of this Agreement, each successive predetermined wage rate shall apply to this Agreement on the date following the expiration date of the previous wage rate. If the last of such predetermined wage rates expires during the life of this Agreement, such wage rate shall apply to the balance of the Agreement.

4.20.2. Penalties for Violations. Consultant and its subcontractors shall comply with California Labor Code section 1775 in the event a worker is paid less than the prevailing wage rate for the work or craft in which the worker is employed.

4.20.3. Payroll Records. Consultant and its subcontractors shall comply with California Labor Code section 1776, which generally requires keeping accurate payroll records, verifying and certifying payroll records, and making them available for inspection. Consultant shall require its subcontractors to also comply with section 1776. Consultant and its subcontractors shall submit weekly certified payroll records online via the City's web-based Labor Compliance Program. Consultant is responsible for ensuring its subcontractors submit certified payroll records to the City.

4.20.4. Apprentices. Consultant and its subcontractors shall comply with California Labor Code sections 1777.5, 1777.6 and 1777.7 concerning the employment and wages of apprentices. Consultant shall be held responsible for the compliance of their subcontractors with sections 1777.5, 1777.6 and 1777.7.

4.20.5. Working Hours. Consultant and subcontractors shall comply with California Labor Code sections 1810 through 1815, including but not limited to: (i) restrict working hours on public works contracts to eight hours a day and forty hours a week, unless all hours worked in excess of 8 hours per day are compensated at not less than 1½ times the basic rate of pay; and (ii) specify penalties to be imposed on Consultants and subcontractors of \$25 per worker per day for each day the worker works more than 8 hours per day and 40 hours per week in violation of California Labor Code sections 1810 through 1815.

4.20.6. Required Provisions for Subcontracts. Consultant shall include at a minimum a copy of the following provisions in any contract they enter into with a subcontractor: California Labor Code sections 1771, 1775, 1776, 1777.5, 1810, 1813, 1815, 1860 and 1861.

4.20.7. Labor Code Section 1861 Certification. Consultant in accordance with California Labor Code section 3700 is required to secure the payment of compensation of its employees and by signing this Agreement, Consultant certifies that "I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this agreement."

4.20.8. Labor Compliance Program. The City has its own Labor Compliance Program (LCP) as authorized by the DIR since 2011. The City will withhold contract payments when payroll records are delinquent or deemed inadequate by the City or other governmental entity, or it has been established after an investigation by the City or other governmental entity that underpayment(s) have occurred. Any questions concerning the City's LCP shall be directed the Equal Opportunity Compliance Program office.

ARTICLE V

RESERVED

ARTICLE VI INDEMNIFICATION; LIMITATION OF LIABILITY

6.1 Indemnification. Other than in the performance of design professional services which shall be solely as addressed in Section 6.2 below, to the fullest extent permitted by law, Consultant shall defend (with legal counsel reasonably acceptable to the City), indemnify and hold harmless the City and its officers, agents, departments, officials, and employees [Indemnified Parties] from and against all claims, losses, costs, damages, injuries (including, without limitation, injury to or death of an employee of Consultant or its Subcontractors), expense and liability of every kind, nature and description (including, without limitation, incidental and consequential damages, court costs, attorney's fees, litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation) that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, any services performed under this Agreement by the Consultant, any Subcontractor, anyone directly or indirectly employed by them, or anyone that they control. The Consultant's duty to defend, indemnify, protect and hold harmless shall not include any claims or liabilities arising from the active negligence, sole negligence or sole willful misconduct of the Indemnified Parties.

6.2 Design Professional Services Indemnification and Defense.

6.2.1 Design Professional Services Indemnification. To the fullest extent permitted by law (including, without limitation, California Civil Code Section 2782.8), with respect to the performance of design professional services, Consultant shall indemnify and hold harmless the City, its officers, or employees, from all claims, demands or liability that arise out of, pertain to or relate to the negligence, recklessness, or willful misconduct of Consultant or Consultant's officers or employees.

6.2.2 Design Professional Services Defense. Parties will work in good faith to procure applicable insurance coverage for the cost of any defense arising from all claims, demands or liability that arise out of, pertain to or relate to the negligence, recklessness, or willful misconduct of Consultant or Consultant's officers or employees.

6.3 Insurance. The provisions of this Article are not limited by the requirements of Section 4.3 related to insurance.

6.4 Enforcement Costs. The Consultant agrees to pay any and all costs the City incurs enforcing the indemnity and defense provisions set forth in this Article.

6.5 Limitation of Liability. Consultant's total aggregate liability, whether based in tort or contract, resulting from services rendered under this Agreement shall be limited to the amount of the fee paid but not to exceed \$30,000,000, the amount of Consultant's total maximum compensation. Neither the Consultant nor the City shall be liable for any loss of business, loss of profit, or any other consequential or incidental damages resulting from breach of this Agreement by the other party. However, Consultant's liability for personal or property damage suffered by third parties as a result of Consultant's negligence, recklessness, intentional or willful misconduct shall not be affected or limited by this section.

ARTICLE VII MEDIATION

7.1 Mandatory Non-binding Mediation. With the exception of Sections 2.5-2.7 of this Agreement, if a dispute arises out of, or relates to this Agreement, or the breach thereof, and if said dispute cannot be settled through normal contract negotiations, prior to the initiation of any litigation, the Parties agree to attempt to settle the dispute in an amicable manner, using mandatory mediation under the Construction Industry Mediation Rules of the American Arbitration Association (AAA) or any other neutral organization agreed upon before having recourse in a court of law.

7.2 Mandatory Mediation Costs. The expenses of witnesses for either side shall be paid by the Party producing such witnesses. All other expenses of the mediation, including required traveling and other expenses of the mediator [Mediator], and the cost of any proofs or expert advice produced at the direct request of the Mediator, shall be borne equally by the Parties, unless they agree otherwise.

7.3 Selection of Mediator. A single Mediator that is acceptable to both Parties shall be used to mediate the dispute. The Mediator will be knowledgeable in construction aspects and may be selected from lists furnished by the AAA or any other agreed upon Mediator. To initiate mediation, the initiating Party shall serve a Request for Mediation on the opposing Party. If the Mediator is selected from a list provided by AAA, the initiating Party shall concurrently file with AAA a "Request for Mediation" along with the appropriate fees, a list of three requested Mediators marked in preference order, and a preference for available dates.

7.3.1 If AAA is selected to coordinate the mediation, within ten working days from the receipt of the initiating Party's Request for Mediation, the opposing Party shall file the following: a list of preferred Mediators listed in preference order after striking any Mediators to which they have any factual objection, and a preference for available dates. If the opposing Party strikes all of initiating Party's preferred Mediators, opposing Party shall submit a list of three preferred Mediators listed in preference order to initiating Party and Administrator. Initiating Party shall file a list of preferred Mediators listed in preference order, after striking any Mediator to which they have any factual objection. This process shall continue until both sides have agreed upon a Mediator.

7.3.2 The Administrator will appoint or the Parties shall agree upon the highest, mutually preferred Mediator from the individual Parties' lists who is available to serve within the designated time frame.

7.3.3 If the Parties agree not to use AAA, then a Mediator, date and place for the mediation shall be mutually agreed upon.

7.4 Conduct of Mediation Sessions. Mediation hearings will be conducted in an informal manner and discovery will not be allowed. All discussions, statements, or admissions will be confidential to the Party's legal position. The Parties may agree to exchange any information they deem necessary.

7.4.1 Both Parties must have an authorized representative attend the mediation. Each representative must have the authority to recommend entering into a settlement. Either Party may have attorney(s) or expert(s) present. Upon reasonable demand, either Party may request and receive a list of witnesses and notification whether attorney(s) will be present.

7.4.2 Any agreements resulting from mediation shall be documented in writing. All mediation results and documentation, by themselves, shall be “non-binding” and inadmissible for any purpose in any legal proceeding, unless such admission is otherwise agreed upon, in writing, by both Parties. Mediators shall not be subject to any subpoena or liability and their actions shall not be subject to discovery.

ARTICLE VIII INTELLECTUAL PROPERTY RIGHTS

8.1 Work for Hire. All original designs, plans, specifications, reports, documentation, and other informational materials, whether written or readable by machine, originated or prepared exclusively for the City pursuant to this Agreement (Deliverable Materials) is “work for hire” under the United States Copyright law and shall become the sole property of the City and shall be delivered to the City upon request. The Contractor, including its employees, and independent Subcontractor(s), shall not assert any common law or statutory patent, copyright, trademark, or any other intellectual proprietary right to the City to the Deliverable Materials.

8.2. Rights in Data. All rights (including, but not limited to publication(s), registration of copyright(s), and trademark(s) in the Deliverable Materials, developed by the Contractor, including its employees, agents, talent and independent Subcontractors pursuant to this Agreement are the sole property of the City. The Consultant, including its employees, agents, talent, and independent Subcontractor(s), may not use any such Product mentioned in this article for purposes unrelated to Consultant’s work on behalf of the City without prior written consent of the City.

8.3 Intellectual Property Rights Assignment. Consultant, its employees, agents, talent, and independent Subcontractor(s) agree to promptly execute and deliver, upon request by City or any of its successors or assigns at any time and without further compensation of any kind, any power of attorney, assignment, application for copyright, patent, trademark or other intellectual property right protection, or other papers or instruments which may be necessary or desirable to fully secure, perfect or otherwise protect to or for the City, its successors and assigns, all right, title and interest in and to the content of the Deliverable Materials; and cooperate and assist in the prosecution of any action or opposition proceeding involving said rights and any adjudication of the same.

8.4 Moral Rights Consultant, its employees, agents, talent, and independent Subcontractor(s) hereby irrevocably and forever waives, and agrees never to assert, any Moral Rights in or to the Deliverable Materials which Consultant, its employees, agents, talent, and independent Subcontractor(s), may now have or which may accrue to Consultant, its employees, agents, talent, and independent Subcontractor(s)’ benefit under U.S. or foreign copyright laws and any and all other residual rights and benefits which arise under any other applicable law now in force or hereafter enacted. The term “Moral Rights” shall mean any and all rights of paternity

or integrity in or to the Deliverable Materials and the right to object to any modification, translation or use of said content, and any similar rights existing under judicial or statutory law of any country in the world or under any treaty, regardless of whether or not such right is denominated or referred to as a moral right.

8.5 Subcontracting. In the event that Consultant utilizes a Subcontractor(s) for any portion of the Work that is in whole or in part of the specified Deliverable(s) to the City, the agreement between Consultant and the Subcontractor [Subcontractor Agreement] shall include a statement that identifies that the Deliverable/Work product as a “work-for hire” as defined in the Act and that all intellectual property rights in the Deliverable/Work product, whether arising in copyright, trademark, service mark or other belongs to and shall vest solely with the City. Further, the Subcontractor Agreement shall require that the Subcontractor, if necessary, shall grant, transfer, sell and assign, free of charge, exclusively to the City, all titles, rights and interests in and to said Work/Deliverable, including all copyrights and other intellectual property rights. City shall have the right to review any Subcontractor agreement for compliance with this provision.

8.6 Publication Design. Professional may not publish or reproduce any Deliverable Materials, for purposes unrelated to Consultant’s work on behalf of the City without prior written consent of the City.

8.7 Intellectual Property Warranty and Indemnification. Consultant represents and warrants that any materials or deliverables, including all Deliverable Materials, provided under this contract are either original, not encumbered and do not infringe upon the copyright, trademark, patent or other intellectual property rights of any third party, or are in the public domain. If Deliverable Materials provided hereunder become the subject of a claim, suit or allegation of copyright, trademark or patent infringement, City shall have the right, in its sole discretion, to require Consultant to produce, at Consultant’s own expense, new non-infringing materials, deliverables or Works as a means of remedying any claim of infringement in addition to any other remedy available to the City under law or equity. Consultant further agrees to indemnify and hold harmless the City, its officers, employees and agents from and against any and all claims, actions, costs, judgments or damages of any type alleging or threatening that any materials, deliverables, supplies, equipment, services or Works provided under this contract infringe the copyright, trademark, patent or other intellectual property or proprietary rights of any third party (Third Party Claims of Infringement). If a Third Party Claim of Infringement is threatened or made before Consultant receives payment under this contract, City shall be entitled, upon written notice to Consultant, to withhold some or all of such payment.

8.8 Enforcement Costs. The Consultant agrees to pay any and all costs the City incurs enforcing the indemnity and defense provisions set forth in Article 8, including but not limited to, attorney’s fees.

ARTICLE IX MISCELLANEOUS

9.1 Notices. In all cases where written notice is required under this Agreement, service shall be deemed sufficient if the notice is deposited in the United States mail, postage paid. Proper notice shall be effective on the date it is mailed, unless provided otherwise in this Agreement.

For the purpose of this Agreement, unless otherwise agreed in writing, notice to the City shall be addressed to: Public Utilities Department, Attn: Amy Dorman, 9192 Topaz Way, San Diego CA 92123 and notice to the Consultant shall be addressed to: [MWH Americas, Inc., Attn: Peggy Umphres, 9444 Farnham St., Suite 300, San Diego, CA 92123.](#)

9.2 Headings. All article headings are for convenience only and shall not affect the interpretation of this Agreement.

9.3 Non-Assignment. The Consultant shall not assign the obligations under this Agreement, whether by express assignment or by sale of the company, nor any monies due or to become due, without the City's prior written approval. Any assignment in violation of this paragraph shall constitute a Default and is grounds for immediate termination of this Agreement, at the sole discretion of the City. In no event shall any putative assignment create a contractual relationship between the City and any putative assignee.

9.4 Independent Contractors. The Consultant and any Subcontractors employed by the Consultant shall be independent contractors and not agents of the City. Any provisions of this Agreement that may appear to give the City any right to direct the Consultant concerning the details of performing the Professional Services, or to exercise any control over such performance, shall mean only that the Consultant shall follow the direction of the City concerning the end results of the performance.

9.5 Consultant and Subcontractor Principals for Professional Services. It is understood that this Agreement is for unique Professional Services. Retention of the Consultant's Professional Services is based on the particular professional expertise of the following members of the Consultant's organization **Julie Labonte, Victor Occiano, Peggy Umphres, Shane Trussell** [Project Team]. Accordingly, performance of Professional Services on the Project may not be delegated to other members of the Consultant's organization or to Subcontractors without the prior written consent of the City. It is mutually agreed that the members of the Project Team are the principal persons responsible for delivery of all Professional Services and may not be removed from the Project without the City's prior written approval. Removal of any member of the Project Team without notice and approval by the City may be considered a default of the terms and conditions of this Agreement by the Consultant. In the event any member of the Project Team becomes unavailable for any reason, the City must be consulted as to any replacement. If the City does not approve of a proposed replacement, the City may terminate this Agreement pursuant to section 2.6 of this Agreement. Further, the City reserves the right, after consultation with the Consultant, to require any of the Consultant's employees or agents to be removed from the Project.

9.6 Additional Consultants or Contractors. The City reserves the right to employ, at its own expense, such additional Consultants or contractors as the City deems necessary to perform work or to provide the Professional Services in the Scope of Services as described in issued Task Orders.

9.7 Employment of City Staff. This Agreement may be unilaterally and immediately terminated by the City, at its sole discretion, if the Consultant employs an individual who, within the last twelve months immediately preceding such employment did, in the individual's capacity

as an officer or employee of the City, participate in, negotiate with, or otherwise have an influence on the recommendation made to the City Council or Mayor in connection with the selection of the Consultant.

9.8 Covenants and Conditions. All provisions of this Agreement, expressed as either covenants or conditions on the part of the City or the Consultant, shall be deemed to be both covenants and conditions.

9.9 Compliance with Controlling Law. The Consultant shall comply with all laws, ordinances, regulations, and policies of the federal, state, and local governments applicable to this Agreement, including California Labor Code section 1720 relating to the payment of prevailing wages during the design and preconstruction phases of a project, including inspection and land surveying work. In addition, the Consultant shall comply immediately with all directives issued by the City or its authorized representatives under authority of any laws, statutes, ordinances, rules, or regulations. The laws of the State of California shall govern and control the terms and conditions of this Agreement.

9.10 Jurisdiction and Attorney Fees. The jurisdiction and applicable laws for any suit or proceeding concerning this Agreement, the interpretation or application of any of its terms, or any related disputes shall be in accordance with the laws of the State of California. The prevailing Party in any such suit or proceeding shall be entitled to a reasonable award of attorney fees in addition to any other award made in such suit or proceeding.

9.11 Successors in Interest. This Agreement and all rights and obligations created by this Agreement shall be in force and effect whether or not any Parties to the Agreement have been succeeded by another entity, and all rights and obligations created by this Agreement shall be vested and binding on any Party's successor in interest.

9.12 Integration. This Agreement and the Exhibits and references incorporated into this Agreement fully express all understandings of the Parties concerning the matters covered in this Agreement. No change, alteration, amendment, or modification of the terms or conditions of this Agreement, and no verbal understanding of the Parties, their officers, agents, or employees shall be valid unless made in the form of a written change agreed to in writing by both Parties. All prior negotiations and agreements are merged into this Agreement.

9.13 Counterparts. This Agreement may be executed in counterparts, which when taken together shall constitute a single signed original as though all Parties had executed the same page.

9.14 No Waiver. No failure of either the City or the Consultant to insist upon the strict performance by the other of any covenant, term or condition of this Agreement, nor any failure to exercise any right or remedy consequent upon a breach of any covenant, term, or condition of this Agreement, shall constitute a waiver of any such breach of such covenant, term or condition. No waiver of any breach shall affect or alter this Agreement, and each and every covenant, condition, and term hereof shall continue in full force and effect without respect to any existing or subsequent breach.

9.15 Severability. The unenforceability, invalidity, or illegality of any provision of this Agreement shall not render any other provision of this Agreement unenforceable, invalid, or illegal.

9.16 Municipal Powers. Nothing contained in this Agreement shall be construed as a limitation upon the powers of the City as a chartered city of the State of California.

9.17 Drafting Ambiguities. The Parties agree that they are aware that they have the right to be advised by counsel with respect to the negotiations, terms and conditions of this Agreement, and the decision of whether or not to seek advice of counsel with respect to this Agreement is a decision which is the sole responsibility of each Party. This Agreement shall not be construed in favor of or against either Party by reason of the extent to which each Party participated in the drafting of the Agreement.

9.18 Conflicts Between Terms. If an apparent conflict or inconsistency exists between the main body of this Agreement and the Exhibits, the main body of this Agreement shall control. If a conflict exists between an applicable federal, state, or local law, rule, regulation, order, or code and this Agreement, the law, rule, regulation, order, or code shall control. Varying degrees of stringency among the main body of this Agreement, the Exhibits, and laws, rules, regulations, orders, or codes are not deemed conflicts, and the most stringent requirement shall control. Each Party shall notify the other immediately upon the identification of any apparent conflict or inconsistency concerning this Agreement.

9.19 Consultant Evaluation. City will evaluate Consultant's performance of Professional Services on the Project using the Consultant Evaluation Form [Exhibit H].

9.20 Exhibits Incorporated. All Exhibits referenced in this Agreement are incorporated into the Agreement by this reference.

9.21 Survival of Obligations. All representations, indemnifications, warranties and guarantees made in, required by or given in accordance with this Agreement, as well as all continuing obligations indicated in this Agreement, shall survive, completion and acceptance of the Professional Services and termination or completion of the Agreement.

9.22 Contractor Standards. This Agreement is subject to the Contractor Standards clause of the Municipal Code Chapter 2, Article 2, Division 32 adopted by Ordinance No. O-19383. All consultants are required to complete the Contractor Standards Pledge of Compliance included herein as Exhibit I. The Contractor Standards are available online at www.sandiego.gov/purchasing/vendor/index.shtml or by request from the Purchasing & Contracting Department by calling (619) 236-6000.

9.23 Equal Benefits Ordinance. This Agreement is subject to the Equal Benefits Ordinance [EBO]. All consultants are required to complete the Equal Benefits Ordinance Certification of Compliance included herein as Exhibit J. Effective January 1, 2011, any contract awarded from this solicitation is subject to the City of San Diego's Equal Benefits Ordinance [EBO], Chapter 2, Article 2, Division 43 of the San Diego Municipal Code [SDMC].

In accordance with the EBO, contractors must certify they will provide and maintain equal benefits as defined in SDMC §22.4302 for the duration of the contract [SDMC §22.4304(f)]. Failure to maintain equal benefits is a material breach of the contract [SDMC §22.4304(e)]. Contractors must notify employees of their equal benefits policy at the time of hire and during open enrollment periods and must post a copy of the following statement in an area frequented by employees:

During the performance of a contract with the City of San Diego, this employer will provide equal benefits to its employees with spouses and its employees with domestic partners.

Contractors also must give the City access to documents and records sufficient for the City to verify the contractors are providing equal benefits and otherwise complying with EBO requirements. Full text of the EBO and the Rules Implementing the Equal Benefits Ordinance are posted on the City's website at www.sandiego.gov/purchasing/ or can be requested from the Equal Benefits Program at (619) 533-3948.

9.24 Public Records. This contract is public document subject to the California Public Records Act, and as such may be subject to public review per Exhibit K (Regarding Information Requested under the California Public Records Act).

9.25 Precluded Participation. In order to avoid any prohibited conflicts of interest, Consultant and all subconsultants shall be precluded from participating in contracts for services that are required or are subsequently called for by the services provided under this Agreement.

The remainder of this page has been intentionally left blank.

IN WITNESS WHEREOF, this Agreement is executed by the City of San Diego, acting by and through its Mayor, pursuant to Resolution No. _____, authorizing such execution, and by the Consultant pursuant to MWH America's signature authority document.

Dated this _____ day of _____, _____.

THE CITY OF SAN DIEGO
Mayor or Designee

By _____

James Nagelvoort

Director, Public Works Department

I HEREBY CERTIFY I can legally bind MWH Americas, Inc. and that I have read all of this Agreement, this 4th day of November, 2014.

By Margaret B. Umphres

Name: Margaret B. Umphres

Title: Senior Project Manager

I HEREBY APPROVE the form and legality of the foregoing Agreement this _____ day of _____, _____.

SCOPE OF SERVICES

AS-NEEDED ENGINEERING TECHNICAL SERVICE CONSULTANT FOR PURE WATER SAN DIEGO PROGRAM (H156303)

REQUIREMENTS

The services provided by the selected Engineering Technical Services Consultant will include (but are not limited to) the following typical program support areas:

1.0 PROGRAM ADMINISTRATION AND CONTROLS

- 1.1** Establish a Program Management Office (PMO) which integrates City, and consultant staff to form a cohesive team to actively manage the program. The PMO will be located at the City's Kearny Mesa offices at 9192 Topaz Way, San Diego, CA 92123.
- 1.2** Prepare and submit a Program Management Plan (PMP) for approval by the City, which describes the steps, processes and controls necessary to successfully manage the Program. The Plan may include, but not be limited to:
 - 1.2.1** Refine the overall Program goals and objectives, success factors and project delivery strategies,
 - 1.2.2** Partner closely and effectively with internal Public Utilities staff on engineering, budgeting and financial planning, organizational effectiveness and change management, as needed,
 - 1.2.3** Establish a functional organizational structure showing clear roles and responsibilities for members of the PMO, other City

Departments, the Participating Agencies, Independent Rates Oversight Committee (IROC), and key stakeholders,

- 1.2.4** Develop clear decision-making and issue resolution procedures;
 - 1.2.5** Develop a communication plan for internal communications among project teams, operations, maintenance and consultant staff, as well as other City Departments,
 - 1.2.6** Identify appropriate program control systems, consistent with existing City standards and procedures to manage various aspects of the program such as documentation, filing systems, records and archives, cost estimating, scheduling, change management, accounting and budgeting, and Quality Assurance/Quality Control (QA/QC), and
 - 1.2.7** Refine and validate the Program scope and list of projects, schedules, and cost estimates as defined in the 2012 Recycled Water Study and subsequent Technical Memorandums while maintaining the multiple goals of the Program, and considering impacts of proposed projects on existing conveyance and treatment facilities. After the initial validation, reassess and refine the Program scope, schedule, and cost estimates on an annual basis to account for changes in Metro System flow projections, potable reuse regulations, or other factors that lead to significant differences in planned facility scopes and timing.
- 1.3** Identify project risks and develop a mitigation plan to address any constraints and risks to successful implementation of the Program.
 - 1.4** Validate the existing public engagement and communication plan for external stakeholders which was prepared under a separate contract, and recommend strategies to expand upon the Department's existing Pure Water San Diego public education program.

- 1.5** Develop procedures for involving O&M staff in decision-making, design review, technology validation, tie-in and shutdown planning, acceptance testing, start-up and commissioning, training and transfer of operations and maintenance of newly constructed facilities.
- 1.6** Develop standards for the preparation of program documents, including standards for technical writing and editing, citations and bibliographies, graphics, document form and format, reproduction and final binding.
- 1.7** Develop effective design procedures to integrate reviews of plans and specifications, process optimization, coordination between consultants and Plant staff, inspection, material submittal review and testing, regulatory permit coordination, constructability, value engineering reviews, and reviews of engineer's estimates.
- 1.8** Develop an overall Program Schedule in Primavera P6 or equivalent software. The schedule shall incorporate the work breakdown structure format and identify key milestones and timelines. Identify potential conflicts or long lead-time items and find timely cost-effective resolutions to conflicts as they arise, schedule recovery strategies, and review schedules submitted by design consultants and design-builders. On a monthly basis, prepare and update the master schedule for the entire program based on actual progress. Perform Critical Path Method (CPM) analysis as necessary.
- 1.9** Develop and maintain a multi-year program baseline budget and cash flow projection of financial needs based on current schedules to assist the City with financing, bond sales and cash management.
- 1.10** Develop project level cost estimates for all elements of the program along with cash flow projections for each project. Project budgets should track all encumbered and spent project costs, as well as projected costs. The project budget shall also track contingencies and liabilities related to

each contract, and contract dates for contract compliance and fiscal control.

- 1.11** Produce a monthly schedule and budget status reports for use by senior management. The report shall include a detailed analysis of schedule and budget variances and recommend corrective actions, subject to approval by the City.
- 1.12** Conduct monthly meetings to ensure that the Program is completed as provided in the overall Program schedule to the satisfaction of the City's Program Manager.
- 1.13** Provide program audits and reports, in order to monitor and report overall program performance, as well as major project elements.
- 1.14** Develop and maintain an electronic non-proprietary web based document management system. Retain electronic copies of all project correspondence, plan submittals, review comments, study reports, data, contracts, change orders, invoices, as-builts and other project records. Develop and maintain a platform that allows the project team to easily share documents while maintaining appropriate security protocol and meeting City standards. During the implementation phase include City staff and provide training to City Staff to ensure a smooth transition as the City assumes responsibility for the document management system.
- 1.15** Prepare a QA/QC plan to ensure the Program is being implemented with the highest level of quality, consistency and according to industry best practices. Conduct QA/QC audits on annual basis to ensure compliance with the QA/AC Plan procedures and requirements.
- 1.16** Assist the City with contract procurement and management by developing Scopes Of Work (SOW) for professional services contracts for projects shown in Task 2.1.1; each project will require professional design and construction management services.

- 1.17** Provide support during an Independent Feasibility Study performed by outside consultants as a requirement of future bond offerings.
- 1.18** Provide support for revisions to the existing City/Participating Agency Regional Wastewater Disposal Agreement as well as any new agreements developed as a result of the implementation of the program.
- 1.19** Provide support in identifying and securing federal, state, or other grant funding for various project components, including identifying grant programs, assisting in the preparation of grant applications and contracts.
- 1.20** Participate in an average of three (3) external meetings (two hours per meeting) per month with the City Program Manager, and when directed by the City Program Manager, represent the City Program Manager at such meetings. Meetings may include, but are not limited to, presentations before governmental agencies, explanations to public community groups, and discussions with potential contractors who are seeking information about their business opportunities in the Program.
- 1.21** Provide training sessions and knowledge transfer workshops with City staff on program management, project management, program controls, budgeting and finance, process design, operations, public relations and communications, or other areas as requested by the City.

2.0 PLANNING AND ENGINEERING SUPPORT

The Engineering Technical Services Consultant shall be responsible for the following:

- 2.1** Pre-design, Project Definition Reports and Bridging Documents - The facilities planning work previously completed defines the CIP projects in relatively broad terms, i.e. basic information about size, capacity, layout and cost of facilities is provided and preliminary design criteria

are recommended. In this task, pre-designs or a project definition report will be prepared for each of the CIP projects. The project definition report is defined as “describing the facility to be built, project location, capacities, possible operational strategies, treatment processes, equipments/materials and critical constraints known to date.” The final list of projects will be finalized by the City’s Program Manager and will include the projects listed below:

2.1.1 North City Area

1. North City Advanced Water Purification Plant
(Anticipated pre-design or project definition report to start immediately after Notice To Proceed [NTP]),
2. North City Advanced Water Purification Pump Stations
(Anticipated pre-design or project definition report to start immediately after NTP),
3. North City to San Vicente Pipeline (Not part of this contract), and
4. North City Water Reclamation to North City Advanced Water Purification Plant Pump Station and Pipeline
(Anticipated pre-design or project definition report to start within 6 months of NTP).

2.1.2 South Bay Area

1. South Bay SV8 Pump Station (Anticipated pre-design or project definition report to start within 6 months of NTP),
2. South Bay SV8 Forcemain (Anticipated pre-design or project definition report to start within 6 months of NTP),

3. South Bay Wastewater Treatment Plant Expansion
(Anticipated pre-design or project definition report to start within 6 months of NTP),
4. South Bay Sludge Processing Facility (Anticipated pre-design or project definition report to start within 6 months of NTP),
5. South Bay Advanced Water Purification Facility
(Anticipated pre-design or project definition report to start within 6 months of NTP), and
6. South Bay IPR Pipeline and Pump Station/s
(Anticipated pre-design or project definition report to start within 6 months of NTP).

2.1.3 Harbor Drive Area (outside initial 5-year contract)

2.1.4 These pre-design or project definition reports will serve as the basis for Requests for Proposals which will be used in the selection of design consultants or design-build contractors. The level of effort for the pre-design is intended to be approximately 10 percent of the total level of effort required to complete the design and shall include alternative evaluation that will be needed for the environmental document. Also included with the pre-design or project definition report will be a suggested scope of work for the detailed design of each project, delineating the City's responsibilities and the design firms' responsibilities.

2.1.5 Each pre-design will provide site specific design criteria; preliminary soils reports; site specific risk assessment; process evaluations and recommendations; any equipment prequalification and evaluated bid test results; process diagrams; instrumentation and control requirements, hydraulic profile; civil

site layouts of major structures, road, and yard piping;
identification of operations requirements and recommended
design measures to address such requirements; preliminary
layouts of structures and mechanical equipment for all major
buildings and structures; plumbing and HVAC criteria;
architectural concept, preliminary specification outlines;
land/easement acquisition needs; environmental
constraints/permit requirements; traffic constraints; community
constraints (i.e. moratoriums); coordination with other CIP
project construction schedules; identification of other-jurisdiction
requirements; evaluation of various project delivery methods
including but not limited to design-bid-build, design-build,
construction-management-at-risk while considering the City's
procurement process and timeline, regional contracting capacity,
overall Program schedule, financial, regulatory, and other goals
and objectives; evaluation of a construction plan and schedule;
preparation of a permit work plan which identifies all permits and
regulatory approval requirements for the implementation of the
project, including operation of the facilities and compliance with
AB 32, how these requirements may impact the project and a
strategy for obtaining such permits in a timely manner, and a
preliminary construction cost estimate.

- 2.2 Review and update existing design standards and guidelines to be used during implementation of the CIP. Add new standards and guidelines for advanced water treatment equipment and associated process monitoring equipment.
- 2.3 Develop a standard procedure for cost estimating to ensure that design and construction contingencies, escalation factors, construction management fees, allowances for furnishings, fixtures and equipment are applied consistently and appropriately.

- 2.4 Develop strategies and recommendations for vendor prequalification for advanced water treatment equipment.
- 2.5 Evaluate climate change and its impacts on proposed Pure Water Facilities, as well as the impacts of Pure Water facilities on the City's compliance with the City's Climate Action Plan. Evaluation shall include but not be limited to site specific risk assessment and quantification of Greenhouse Gas (GHG) emissions resulting from project implementation and facility operations.
- 2.6 Review and provide comments on the predesign report for the North City Purified Water Pump Station and Pipeline. Report is currently being prepared under a separate contract.

3.0 DESIGN SUPPORT

The Engineering Technical Services Consultant shall be responsible for the following:

- 3.1 Review and provide comments on design submittals for all facilities listed in Section 2.1.1, including plans (at 30%, 75%, 90% and 100% design), specifications, and study reports for completeness, accuracy and consistency with the pre-design or project definition report and latest adopted City standards. Conduct detailed engineering reviews,
- 3.2 Review project specific scheduling and cost estimate submittals and provide comments and recommendations for incorporation into the City's scheduling and cost control program,
- 3.3 Review the designer's progress against the project baseline schedule and recommend corrective action as needed,
- 3.4 Review, evaluate and provide recommendations on any requests for scope changes during design,

- 3.5 Provide technical expertise when needed to advise the City on key decisions during design and for resolving disputes,
- 3.6 Assist the City in the review and evaluation of value engineering proposals,
- 3.7 Coordinate commissioning requirements in both scopes of work and construction contracts to ensure obligations of the designers and contractors during the commissioning process are identified, developed, documented and implemented to the satisfaction of Plant O&M staff,
- 3.8 Conduct pilot testing of potential micro-filter and ultra-filter equipment. Testing will determine achievable membrane flux, recovery, cleaning frequency, cleaning chemical consumption, energy consumption, and any other relevant parameters needed to determine lifecycle costs. Research and analyze the benefits/risks associated with pre-purchasing material/equipment as directed by City staff,
- 3.9 Conduct pilot testing of reverse osmosis membranes. Testing will determine optimal operating conditions such as RO recovery, chemical addition, and management of waste streams (brine, concentrate, etc.) to reduce future operating costs,
- 3.10 Conduct prequalification testing on alternative ultraviolet light and/or Advanced Oxidation processes, and
- 3.11 Conduct prequalification testing on alternative on-line integrity verification monitors.

4.0 ENVIRONMENTAL CONSULTANT COORDINATION

Work closely with the City and its environmental consultants during the planning, pre-design or project definition stage, design, and construction phases to support the City's ongoing environmental compliance efforts. Support City staff in the development and implementation of an environmental compliance

plan, which will include CEQA/NEPA and other resource agency permitting requirements.

5.0 PERMITTING AND REGULATORY SUPPORT

The Engineering Technical Services Consultant shall be responsible for securing full-scale potable reuse facility permitting approval from the State Water Resources Control Board (SWRCB) and final National Pollutant Discharge Elimination System (NPDES) permit from the San Diego Regional Water Quality Control Board (SDRWQCB) for reservoir augmentation. The Engineering Technical Services Consultant shall also:

- 5.1** Prepare and submit a draft regulatory approval work plan for securing permitting approvals for full-scale potable reuse facilities proposed for North City. The work plan shall identify: critical tasks and their required completion dates so permitting approvals adhere to the overall Program schedule, consultant and City staff resources required for each critical task, and critical success factors and contingency plans for resolving issues related to such factors,
- 5.2** Continually monitor SWRCB's ongoing progress towards finalizing surface water augmentation regulations and the report to the legislature on the feasibility of establishing direct potable reuse (DPR) regulations which are mandated to be concluded by the end of 2016. Recommend modifications to the overall Program schedule and to the scope of projects, in light of optimizing the balance between meeting anticipated regulatory criteria and Program objectives. Advise City of significant changes in anticipated regulations as they arise, and recommend additional program modifications as needed to address them,
- 5.3** Review and comment on up to five (5) documents related to ongoing potable reuse research projects in which the City is a participant,

- 5.4** Prepare the Title 22 Engineering Report for a full-scale North City-San Vicente potable reuse facilities and all necessary addenda, updates, and supplements,
- 5.5** Prepare Summary of SWRCB Public Hearing and Findings of Fact and Conditions for North City-San Vicente potable reuse facilities,
- 5.6** Review plans to enhance the Industrial Waste Control Program to ensure they support full alignment with the Title 22 Engineering Report,
- 5.7** Prepare NPDES permit application for full-scale North City-San Vicente potable reuse facilities,
- 5.8** Prepare application for amendments to the City's current water supply permit specific to the new source of water (Advanced Purified Water) for SWRCB review,
- 5.9** Review draft version of NPDES Permit and monitoring and reporting program requirements released by the SWRCB/SDRWQCB for reservoir augmentation. Prepare recommendations for any necessary revisions to draft NPDES permit and monitoring and reporting program documentation as part of permit approval process,
- 5.10** Prepare North City IPR Operation, Maintenance, and Monitoring Plan,
- 5.11** Review draft versions of tentative orders, Water Recycling Requirements, Waste Discharge Requirements, and Monitoring and Reporting Program requirements issued before adoption of the permit for full-scale project. Prepare any necessary comments to SWRCB,
- 5.12** Attend up to eight (8) meetings with SWRCB staff related to the above subtasks. Assume each meeting will be two hours in duration,

- 5.13** Develop a strategy for working with the Coastal Commission regarding the Point Loma NPDES permit and advocate and liaison with Commissioners, and
- 5.14** Prepare proposed regulatory criteria for full-scale direct potable reuse facilities.

6.0 PUBLIC EDUCATION AND STAKEHOLDER ENGAGEMENT

The Engineering Technical Services Consultant shall be responsible for providing the following services at the conclusion of the existing Katz and Associates Public Outreach Contract in May 2016.

- 6.1** Assist City staff in implementing the existing Pure Water Public Education and Stakeholder Engagement Plan,
- 6.2** Develop strategies to assess public support and make recommendations to modify the Public Education program as needed to address stakeholder concerns, and
- 6.3** Assist City staff in developing content to update education and outreach materials, fact sheets and brochures.

7.0 POSSIBLE PLANNING AND ENGINEERING SUPPORT OUTSIDE OF THE TERM OF THE INITIAL FIVE YEAR CONTRACT

The Engineering Technical Services Consultant shall be responsible for the following items which include, but are not limited to:

- 7.1** Retain the services of independent commissioning agents to ensure critical components of the Plant are properly installed, calibrated, tested, perform as intended and meet performance standards,

EXHIBIT A

- 7.2** Identify and ensure new equipment is supplied with adequate training for Plant O&M staff and supplied with appropriate operations and maintenance manuals,
- 7.3** Assist with the integration of new equipment into existing asset management systems,
- 7.4** Prepare Title 22 Engineering Report for full-scale South Bay potable reuse facilities and all necessary addenda, updates, and supplements,
- 7.5** Prepare Summary of SWRCB Public Hearing and Findings of Fact and Conditions for South Bay potable reuse project,
- 7.6** Prepare NPDES permit for full-scale South Bay potable reuse facilities; and
- 7.7** Attend meetings with SDRWQCB staff related to the above subtasks.

END OF SCOPE OF SERVICES

TASK ORDER AUTHORIZATION FOR PROFESSIONAL SERVICES [TASK ORDER]

Consultant:

Agreement:

Task Order No.:

Date:

Pursuant to the Terms and Conditions of the Agreement referenced above and incorporated into this Task Order, Consultant hereby agrees to perform the Professional Services described below. The Consultant shall furnish all necessary facilities, materials, and professional, technical, and supporting personnel required by this Task Order.

Part A

Scope of Services

1.1 Professional Services rendered under this Task Order shall be performed in accordance with the Agreement. The Scope of Services shall be as set forth in Exhibit A of the Agreement and as more fully set forth below. If necessary, the Scope of Services may be more fully described on one or more separate sheets and attached to this Task Order.

Part B

Task Order Compensation

City shall pay Consultant for the Professional Services required by this Task Order in accordance with Article III of the Agreement.

The not to exceed cost for the Scope of Services for this Task Order is \$ _____.

Part C Personnel Commitment

The Scope of Services shall be performed by Consultant's personnel in the number and classifications required by City.

Part D Time Sequence

All Professional Services to be performed under this Task Order shall be completed by _____, and as set forth in the Task Order Scope of Services.

City of San Diego

Consultant

NOTE:

- 5% mark up on Subconsultant rates and Other Direct Costs (ODCs) allowed
- Mileage reimbursement rate will be at current City of San Diego mileage rate (mileage log required).
- Travel expenses for the lowest cost effective Air Fare, Train, and/or Car Rental, will be reimbursed at actual costs (receipts required).
- Lodging and Per Diem will be reimbursed at actual costs (receipts required) up to the maximum allowance for the San Diego area as published/posted on the U.S. General Services Administration website (<http://www.gsa.gov/portal/category/100120>).
- All subconsultant costs are reimbursed as a “direct expense” at actual costs (invoice/receipts required).
- A request for an annual rate adjustment must be submitted to the City of San Diego in writing for approval. Written justification for the rate adjustment must be submitted to the

EXHIBIT C

City of San Diego a minimum of 60 days before the Agreement anniversary date. Said proposed adjustment shall not exceed three percent (3%), and the City of San Diego must approve any rate adjustments in writing before they become effective.

EQUAL OPPORTUNITY CONTRACTING PROGRAM (EOCP)

CONSULTANT REQUIREMENTS

TABLE OF CONTENTS

I.	City's Equal Opportunity Commitment	1

VIII.	List of Attachments	6
AA.	Work Force Report	7
BB.	Subcontractors List	11
CC.	Contract Activity Report	12
DD.	Consultant Past Participation List	13

- I. City's Equal Opportunity Commitment.** The City of San Diego (City) is strongly committed to equal opportunity for employees and Subcontractors of Consultants doing business with the City. The City encourages its Consultants to share this commitment. Consultants are encouraged to take positive steps to diversify and expand their Subcontractor solicitation base and to offer consulting opportunities to all eligible Subcontractors. *Failure to submit the required EOCP documentation indicated below shall result in a determination of the Consultant being non-responsive.*
- II. Nondiscrimination in Contracting Ordinance.** All Consultants doing business with the City, and their Subcontractors, must comply with requirements of the City's *Nondiscrimination in Contracting Ordinance*, San Diego Municipal Code Sections 22.3501 through 22.3517.
- A. Proposal Documents to include Disclosure of Discrimination Complaints. As part of its bid or proposal, Consultant shall provide to the City a list of all instances within the past ten (10) years where a complaint was filed or pending against Consultant in a legal or administrative proceeding alleging that Consultant discriminated against its employees, Subcontractors, vendors, or suppliers, and a description of the status or resolution of that complaint, including any remedial action taken.
- B. Contract Language. The following language shall be included in contracts for City projects between the Consultant and any Subcontractors, vendors, and suppliers:

Contractor shall not discriminate on the basis of race, gender, religion, national origin, ethnicity, sexual orientation, age, or disability in the solicitation, selection, hiring, or treatment of subcontractors, vendors, or suppliers. Consultant shall provide equal opportunity for Subcontractors to participate in opportunities. Consultant understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in contract termination, debarment, or other sanctions.

- C. Contract Disclosure Requirements. Upon the City's request, Consultant agrees to provide to the City, within sixty (60) calendar days, a truthful and complete list of the names of all Subcontractors, vendors, and suppliers that Consultant has used in the past five (5) years on any of its contracts that were undertaken within County of San Diego, including the total dollar amount paid by Consultant for each subcontract or supply contract. Consultant further agrees to fully cooperate in any investigation conducted by the City pursuant to the City's Nondiscrimination in Contracting Ordinance, Municipal Code Sections 22.3501 through 22.3517. Consultant understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in remedies being ordered against the Consultant up to and including contract termination, debarment and other sanctions.

III. Equal Employment Opportunity Outreach Program. Consultants shall comply with requirements of San Diego Municipal Code Sections 22.2701 through 22.2707. Consultants shall submit with their proposal a Work Force Report for approval by the Program Manager of the City of San Diego Equal Opportunity Contracting Program (EOCP).

- A. Nondiscrimination in Employment. Consultant shall not discriminate against any employee or applicant for employment on any basis prohibited by law. Contractor shall provide equal opportunity in all employment practices. Consultants shall ensure that their subcontractors comply with this program. Nothing in this Section shall be interpreted to hold a Consultant liable for any discriminatory practice of its subcontractors.
- B. Work Force Report. If based on a review of the Work Force Report (Attachment AA) submitted an EOCP staff Work Force Analysis determines there are under representations when compared to County Labor Force Availability data, then the Consultant will also be required to submit an Equal Employment Opportunity (EEO) Plan to the Program Manager of the City of San Diego Equal Opportunity Contracting Program (EOCP) for approval.
- C. Equal Employment Opportunity Plan. If an Equal Employment Opportunity Plan is required, the Program Manager of EOCP will provide a list of plan requirements to Consultant.

IV. Small and Local Business Program Requirements. The City has adopted a Small and Local Business Enterprise (SLBE) program for consultant contracts. SLBE program requirements for consultant contracts are set forth Council Policy 100-10.

A. SLBE and ELBE Participation for Contracts Valued Over \$50,000:

1. For proposals ranking as qualified or acceptable, or any higher ranking, the City shall apply a maximum of 12 additional points for SLBE or ELBE participation. Points will be awarded as follows:
 - a. 20% participation – 5 points

- b. 25% participation – 10 points
- c. SLBE or ELBE as prime contractor – 12 points

2. All professional services contracts valued over \$50,000 or more have a voluntary SLBE/ELBE goal of 20%. For the purposes of this Council Policy, the subcontractor requirement may be met by a provider of materials or supplies. Details can be found at <http://www.sandiego.gov/eoc/boc/slbe.shtml>.

- B. Subcontractor Participation List. The Subcontractor Participation List (Attachment BB) shall indicate the Name and Address, Scope of Services, Percent of Total Proposed Contract Amount, Certification Status and Where Certified for each proposed Subcontractor/Subconsultant.
- C. Commitment Letters. Consultant shall also submit Subcontractor Commitment Letters on Subcontractor's letterhead, no more than one page each, from all proposed Subcontractors to acknowledge their commitment to the team, scope of services, and percent of participation in the project.
- D. Contract Activity Reports. To permit monitoring of the winning Consultant's commitment to achieving compliance, Contract Activity Reports (Attachment CC) reflecting work performed by Subcontractors/Subconsultants/Vendors shall be submitted quarterly for any work covered under an executed contract.

V. Demonstrated Commitment to Equal Opportunity. The City seeks to foster a business climate of inclusion and to eliminate barriers to inclusion.

- A. Consultants are required to submit the following information with their proposals:
 - 1. Outreach Efforts. Description of Consultant's outreach efforts undertaken on this project to make subcontracting opportunities available to all interested and qualified firms including SLBE/ELBE/DBE/MBE/WBE/DVBE/OBE.
 - 2. Past Participation Levels. The Consultant shall list all Subcontractor and Supplier past participation levels on each project (preferably in the City or County of San Diego) in response to Section 6.2.3 of the RFP by using the Past Participation List (Attachment DD). Include the name of project, type of project, value of project, Subcontractor and Supplier firm name, Subcontract amount and identification of the firm's ownership as a certified Minority Enterprise (MBE), Women Business Enterprise (WBE), Disadvantaged Business Enterprise (DBE), Disabled Veteran Business Enterprise (DVBE), Other Business Enterprise (OBE), Emerging Local Business Enterprise (ELBE) or Small Local Business Enterprise (SLBE). To receive credit for past participation levels by certified firms, Consultant shall provide copies of all listed consultant's certifications with the Proposal.
 - 3. Equal Opportunity Employment. Listing of Consultant's strategies to recruit, hire, train and promote a diverse workforce. These efforts will be considered in conjunction with Consultant's *Workforce Report* as compared to the County's Labor Force Availability.
 - 4. Community Activities. Listing of Consultant's current community activities such as membership and participation in local organizations, associations, scholarship programs, mentoring, apprenticeships, internships, community projects, charitable contributions and similar endeavors.

- B. In accordance with the City's Equal Opportunity Commitment, the City will consider the four factors described above as part of the evaluation process. A maximum of 13 additional points will be awarded based on consideration of these four factors. Points awarded based on Consultants demonstrated commitment to equal opportunity will be in addition to any points awarded for SLBE or ELBE participation as described in Section IV.

VI. Definitions.

Certified **"Minority Business Enterprise" (MBE)** means a business which is at least fifty-one percent (51%) owned by African Americans, American Indians, Asians, Filipinos, and/or Latinos and whose management and daily operation is controlled by one or more members of the identified ethnic groups. In the case of a publicly-owned business, at least fifty-one percent (51%) of the stock must be owned by, and the business operated by, one or more members of the identified ethnic groups.

Certified **"Women Business Enterprise" (WBE)** means a business which is at least fifty-one percent (51%) owned by one or more women and whose management and daily operation is controlled by the qualifying party(s). In the case of a publicly-owned business, at least fifty-one percent (51%) of the stock must be owned by, and the business operated by, one or more women.

Certified **"Disadvantaged Business Enterprise" (DBE)** means a business which is at least fifty-one percent (51%) owned and operated by one or more socially and economically disadvantaged individuals and whose management and daily operation is controlled by the qualifying party(s). In the case of a publicly-owned business, at least fifty-one percent (51%) of the stock must be owned by, and the business operated by, socially and economically disadvantaged individuals.

Certified **"Disabled Veteran Business Enterprise" (DVBE)** means a business which is at least fifty-one percent (51%) owned by one or more veterans with a service related disability and whose management and daily operation is controlled by the qualifying party(s).

"Other Business Enterprise" (OBE) means any business which does not otherwise qualify as Minority, Woman, Disadvantaged or Disabled Veteran Business Enterprise.

"Emerging Local Business Enterprise" (ELBE) – Any for-profit enterprise that is not a broker, that is independently owned and operated; that is not a subsidiary of another business; that meets the definition of a local business; and that is not dominant in its field of operation whose average gross annual receipts in the prior three fiscal years do not exceed:

- \$2.75 million – Construction
- \$1.5 million – Specialty Construction
- \$1.5 million – Goods/Materials/Services
- \$1.5 million – Trucking
- \$1.0 million – Professional Services and Architect/Engineering

If a business has not existed for 3 years, the gross sales limits described above shall be applied based upon the annual averages over the course of the existence of the business.

"Local Business Enterprise" (LBE) – A firm having a Principal Place of Business and a Significant Employment Presence in San Diego City or County, California that has been in operation for 12

consecutive months and a valid business tax certificate. This definition is subsumed within the definition of Small Local Business Enterprise.

“Small Local Business Enterprise” (SLBE) – Any for-profit enterprise that is not a broker, that is independently owned and operated; that is not a subsidiary of another business; that meets definition of a local business; and that is not dominant in its field of operation whose average gross annual receipts in the prior three fiscal years do not exceed:

- \$5.0 million – Construction
- \$3.0 million – Specialty Construction
- \$3.0 million – Goods/Materials/Services
- \$3.0 million – Trucking
- \$2.0 million – Professional Services and Architect/Engineering

California State certified Micro and Disabled Veteran Owned business enterprises shall also satisfy the income requirements to be defined as a Small Local Business Enterprise.

If a business has not existed for 3 years, the employment and gross sales limits described above shall be applied based upon the annual averages over the course of the existence of the business.

WORK FORCE REPORT**ADMINISTRATIVE**

The objective of the *Equal Employment Opportunity Outreach Program*, San Diego Municipal Code Sections 22.3501 through 22.3517, is to ensure that contractors doing business with the City, or receiving funds from the City, do not engage in unlawful discriminatory employment practices prohibited by State and Federal law. Such employment practices include, but are not limited to unlawful discrimination in the following: employment, promotion or upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rate of pay or other forms of compensation, and selection for training, including apprenticeship. Contractors are required to provide a completed *Work Force Report (WFR)*.

SUBCONSULTANTS LIST

This list shall include the name and complete address of all Subcontractors who qualify as SLBEs or ELBEs. Contractors must also list participation by any MBE, WBE, DBE, DBVE and OBE firms. However, no additional points will be awarded for participation by these firms, except that DVBEs that are certified by the City as local businesses shall be counted as SLBEs.

Contractor shall also submit Subcontractor commitment letters on Subcontractor's letterhead, no more than one page each, from Subcontractors listed below to acknowledge their commitment to the team, scope of work, and percent of participation in the project.

Subcontractors shall be used in the percentages listed. No changes to this Participation List will be allowed without prior written City approval.

CITY OF SAN DIEGO WORK FORCE REPORT – ADMINISTRATIVE

HISTORY

The Work Force Report (WFR) is the document that allows the City of San Diego to analyze the work forces of all firms wishing to do business with the City. We are able to compare the firm's work force data to County Labor Force Availability (CLFA) data derived from the United States Census. CLFA data is a compilation of lists of occupations and includes the percentage of each ethnicity we track (Black, Hispanic, Asian, American Indian, Filipino) for each occupation. Currently, our CLFA data is taken from the 2000 Census. In order to compare one firm to another, it is important that the data we receive from the consultant firm is accurate and organized in the manner that allows for this fair comparison.

WORK FORCE & BRANCH WORK FORCE REPORTS

When submitting a WFR, especially if the WFR is for a specific project or activity, we would like to have information about the firm's work force that is actually participating in the project or activity. That is, if the project is in San Diego and the work force is from San Diego, we want a San Diego County Work Force Report.¹ By the same token, if the project is in San Diego, but the work force is from another county, such as Orange or Riverside County, we want a Work Force Report from that county.² For example, if participation in a San Diego project is by work forces from San Diego County, Los Angeles County and Sacramento County, we will ask for separate Work Force Reports representing the work forces of

your firm from each of the three counties.^{1,2} On the other hand, if the project will be accomplished completely outside of San Diego, we ask for a Work Force Report from the county or counties where the work will be accomplished.²

MANAGING OFFICE WORK FORCE

Equal Opportunity Contracting may occasionally ask for a Managing Office Work Force (MOWF) Report. This may occur in an instance where the firm involved is a large national or international firm but the San Diego or other local work force is very small. In this case, we may ask for both a local and a MOWF Report.^{1,3} In another case, when work is done only by the Managing Office, only the MOWF Report may be necessary.³

TYPES OF WORK FORCE REPORTS

Please note, throughout the preceding text of this page, the superscript numbers one ¹, two ² & three ³. These numbers coincide with the types of work force report required in the example. See below:

- ¹ One San Diego County (or Most Local County) Work Force – Mandatory in most cases
- ² Branch Work Force*
- ³ Managing Office Work Force

**Submit a separate Work Force Report for all participating branches. Combine WFRs if more than one branch per county*

Exhibit: Work Force Report Job categories

Refer to this table when completing your firm's Work Force Report form(s).

Management & Financial

Advertising, Marketing, Promotions, Public Relations, and Sales Managers
Business Operations Specialists
Financial Specialists
Operations Specialties Managers
Other Management Occupations
Top Executives

Professional

Art and Design Workers
Counselors, Social Workers, and Other Community and Social Service Specialists
Entertainers and Performers, Sports and Related Workers
Health Diagnosing and Treating Practitioners
Lawyers, Judges, and Related Workers
Librarians, Curators, and Archivists
Life Scientists
Media and Communication Workers

Other Teachers and Instructors
Postsecondary Teachers
Primary, Secondary, and Special Education School Teachers

CONSULTANT CERTIFICATION FOR A DRUG-FREE WORKPLACE

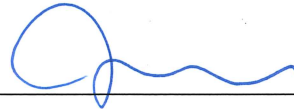

PROJECT TITLE: As-Needed Engineering Technical Services Consultant for Pure Water San Diego Program

I hereby certify that I am familiar with the requirement of San Diego City Council Policy No. 100-17 regarding Drug-Free Workplace as outlined in the request for proposals, and that:

FIRM NAME: MWH Americas, Inc.

has in place a drug-free workplace program that complies with said policy. I further certify that each subcontract agreement for this project contains language which indicates the Subconsultants agreement to abide by the provisions of Section 4.9.1 subdivisions A through C of the policy as outlined.

Signed

Printed Name Julie L. Labonte, PE

Title Director of Programs - Americas

Date 08/12/14

**INSTRUCTION SHEET FOR
DISCLOSURE DETERMINATION FOR CONSULTANT
(Form CC-1671)**

Use the “Disclosure Determination for Consultant” form (CC-1671) to report the disclosure requirement for any consultant hired to provide services to the City of San Diego or the boards, commissions and agencies that fall under the City of San Diego’s jurisdiction.

2 California Code of Regulations defines a “consultant” as an individual who, pursuant to a contract with a state or local government agency, either makes a governmental decision or serves in a staff capacity with the state or local government agency and in that capacity participates in making a governmental decision. For the complete definition of “consultant”, refer to Government Code section 18701(a)(2). This section can be located at:

http://www.fppc.ca.gov/index.html?ID=52&r_id=/legal/regs/18701.htm

The “Disclosure Determination for Consultant” form is completed for all consultants under contract with the City of San Diego or the boards, commissions and agencies that fall under the City of San Diego’s jurisdiction. Please follow the step-by-step directions:

1. List the department, board, commission or agency requesting the consultant service.
2. List the consulting company. If known, also list the individual(s) who will be providing the consultant services.
3. List the mailing address.
4. List the e-mail address of individual(s) providing the consultant service.
5. Provide the date the individual(s) will start providing the consultant service.
6. List all duties/responsibilities the consultant will have. This list will enable you to determine the disclosure requirement for the consultant.
7. Determine the consultant’s disclosure category. Your consultant should be required to disclose only those economic interests which could potentially create a conflict of interest as he/she performs his/her contractual obligations. For ideas about possible disclosure categories, review those in your department’s, board’s, commission’s or agency’s conflict of interest code, available at:

www.sandiego.gov/city-clerk/elections/eid/codes.shtml

Please fill out the entire “Disclosure Determination for Consultant” form, and have it signed by the appropriate authority. (Individuals with signing authority are described in your conflict of interest code as part of the disclosure requirement for Consultants.) Forward the original form to the City Clerk’s Office, MS 2A.

EXHIBIT F

DISCLOSURE DETERMINATION FOR CONSULTANT

**Must be signed by department director, agency president or other individual authorized by the appropriate conflict of interest code regarding consultants.*

1. Department / Board / Commission / Agency Name: PUBLIC UTILITIES DEPARTMENT
2. Name of Specific Consultant & Company: MWH. AMERICAS, INC.
3. Address, City, State, ZIP: 9444 FARNHAM STREET SUITE 300
SAN DIEGO, CA 92123
4. Project Title (as shown on 1472, "Request for Council Action"): PURE WATER SAN DIEGO PROGRAM
AS-NEEDED ENGINEERING TECHNICAL
SERVICES CONSULTANT
TO PROVIDE SPECIALIZED TECHNICAL
SUPPORT ON AS-NEEDED BASIS IN
SUPPORT OF THE PURE WATER SAN
DIEGO PROGRAM
5. Consultant Duties for Project:

6. Disclosure Determination [select applicable disclosure requirement]:

☐

Consultant will not be "making a governmental decision" or "serving in a staff capacity." No disclosure required.

- or -

☒

Consultant will be "making a governmental decision" or "serving in a staff capacity." Consultant is required to file a Statement of Economic Interests with the City Clerk of the City of San Diego in a timely manner as required by law. [Select consultant's disclosure category.]

☒

Full: Disclosure is required pursuant to the broadest disclosure category in the appropriate Conflict of Interest Code.

- or -

☐

Limited: Disclosure is required to a limited extent. [List the specific economic interests the consultant is required to disclose.]

By: Ann Sasaki, Assistant Director
[Name/Title]* Public Utilities

10/24/14
[Date]

Once completed, with all questions answered and an authorized signature affixed, please forward the original form to the City Clerk's Office, MS 2A. Keep a copy with the contract.

DEFINITION OF “CONSULTANT”

2 California Code of Regulations defines a “consultant” as an individual who, pursuant to a contract with a state or local government agency:

- (A) Makes a governmental decision whether to:
1. Approve a rate, rule or regulation;
 2. Adopt or enforce a law;
 3. Issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar authorization or entitlement;
 4. Authorize the City to enter into, modify, or renew a contract provided it is the type of contract that requires City approval;
 5. Grant City approval to a contract that requires City approval and to which the City is a party, or to the specifications for such a contract;
 6. Grant City approval to a plan, design, report, study, or similar item;
 7. Adopt, or grant City approval of, policies, standards, or guidelines for the City, or for any subdivision thereof; or
- (B) Serves in a staff capacity with the City and in that capacity participates in making a governmental decision as defined in Regulation 18702.2 or performs the same or substantially all the same duties for the City that would otherwise be performed by an individual holding a position specified in the City’s Conflict of Interest Code.

An individual “serves in a staff capacity” if he or she performs substantially all the same tasks that normally would be performed by staff member of a governmental entity. In most cases, individuals who work on only one project or a limited range of projects for an agency are not considered to be working in a “staff capacity.” The length of the individual’s service to the agency is relevant. Also, the tasks over the relevant period of time must be substantially the same as a position that is or should be specified in the City’s conflict of interest code.

An individual “participates in making a governmental decision” if he or she: (1) negotiates, without substantive review, with a governmental entity or private person regarding the decision; or (2) advises or makes recommendations to the decision-maker, by conducting research or an investigation, preparing or presenting a report, analysis or opinion which requires the exercise of judgment on the part of the individual and the individual is attempting to influence the decision.

**CITY OF SAN DIEGO, CALIFORNIA
COUNCIL POLICY**

SUBJECT: SUSTAINABLE BUILDING POLICY
POLICY NO.: 900-14
EFFECTIVE DATE: May 20, 2003

BACKGROUND:

Existing buildings and the building development industry consume nearly half of the total energy used in the United States. The City of San Diego's commitment to become increasingly efficient with resources, including energy, water, and materials associated with construction projects, is demonstrated in Council Policy 900-14 "Green Building Policy" adopted in 1997, Council Policy 900-16 "Community Energy Partnership," adopted in 2000, and the updated Council Policy 900-14 "Sustainable Buildings Expedite Program" adopted in 2001.

On April 16, 2002, the Mayor and City Council adopted CMR 02-060 which requires City projects to achieve the U.S. Green Building Council's LEED silver standard for all new buildings and major renovations over 5,000 square feet. This places San Diego among the most progressive cities in the nation in terms of sustainable building policies.

As a participant in the International Council for Local Environmental Initiatives (ICLEI) Cities for Climate Protection Program, as a Charter member in the California Climate Action Registry and as an active member of the U.S. Green Building Council, the City of San Diego is committed to reducing greenhouse gas emissions by implementing more sustainable practices, including green building technologies.

PURPOSE:

The purpose of this policy is to reassert the City's commitment to green building practices in City facilities, and to provide leadership and guidance in promoting, facilitating, and instituting such practices in the community.

POLICY:

The following principles will be required for all newly constructed facilities and major building renovation projects for City facilities:

LEED (Leadership in Energy and Environmental Design):

The LEED (Leadership in Energy and Environmental Design) Green Building Rating System is a voluntary, consensus-based national standard for developing high-performance, sustainable buildings. Members of the U.S. Green Building Council representing all segments of the building industry developed LEED and continue to contribute to its evolution.

The City of San Diego is committed to achieving LEED “Silver” Level Certification for all new City facilities and major building renovation projects over 5,000 square feet.

SUSTAINABLE BUILDING MEASURES:

In addition to achieving LEED “Silver” Level Certification, Council Policy 900-14 encourages the following sustainable building measures for all newly constructed facilities and major renovation projects regardless of square footage:

1. Design and construct mechanical and electrical systems to achieve the maximum energy efficiency achievable with current technology. Consultants shall use computer modeling programs, (Energy Pro) to analyze the effects of various design options and select the set of options producing the most efficient integrated design. Energy efficiency measures shall be selected to achieve energy efficiencies at least 22.51% better than California’s Title 24.2001 standards for both new construction and major renovation projects.
2. Incorporate self-generation using renewable technologies to reduce environmental impacts associated with fossil fuel energy use. Newly constructed City facilities shall generate a minimum of 10%, with a goal of 20% from renewable technologies (e.g., photovoltaic, wind and fuel cells).
3. Eliminate the use of CFC based refrigerants in newly constructed facilities and major building renovations and retrofits for all heating, ventilation, air conditioning and refrigerant-based building systems.
4. Incorporate additional commissioning and measurement and verification procedures as outlined by LEED 2.0 Rating System, Energy and Atmospheres, credit 3 and credit 5 for all projects over 20,000 sq. ft.
5. Reduce the quantity of indoor air contaminants that are odorous or potentially irritating to provide installer(s) and occupant(s) health and comfort. Low-emitting materials will include adhesives, paints, coatings carpet systems, composite wood and agri-fiber products.
6. In order to maximize energy efficiency measures within these requirements, projects will combine energy efficiency measures requiring longer payback periods, with measures requiring shorter payback periods to determine the overall project period.

Comply with the storm water development requirements in the Storm Water Management and Discharge Control Ordinance (Municipal Code § 43.03), and the City’s grading and drainage regulations and implementing documents (MC § 142.01 and 142.02, respectively).

In addition to achieving the minimum sustainable building measure this Council Policy encourages the following measures be incorporated into newly constructed facilities and major renovation projects whenever possible:

1. Use high efficiency irrigation technology, drought tolerant native plants and recycled site water to reduce potable water for irrigation by 50%. Additionally, building water consumption should be reduced by 30%.
2. Limit disruption of natural water flows and minimize storm water runoff by minimizing building footprints and other impervious areas, increasing on-site infiltration, preserving and/or restoring natural drainage systems, and reducing contaminants introduced into San Diego's bays, beaches and the ocean.
3. Facilitate the reduction of waste generated by building occupants that is hauled to and disposed of in landfills. Provide an easily accessible area that serves the entire building and is dedicated to the separation, collection and storage of materials for recycling. Recycling should include paper, glass, plastic and metals at a minimum.
4. Incorporate building products that have recycled content reducing the impacts resulting from the extraction of new materials. Newly constructed City facilities shall have a minimum of 25% of building materials that contain in aggregate, a minimum weighted average of 20% post consumer recycled content materials.
5. Reduce the use and depletion of finite raw and long-cycle renewable materials by replacing them with rapidly renewable materials. Newly constructed City facilities should consider incorporating rapidly renewable building materials for 5% of the total building materials.
6. Establish minimum indoor air quality (IAQ) performance to prevent the development of indoor air quality problems in buildings, maintaining the health and well being of the occupants. Newly constructed City facilities will comply with IAQ by conforming to ASHRAE 62-1999.
7. City buildings will be designed to take the maximum advantage of passive and natural sources of heat, cooling, ventilation and light.

The Environmental Services Department, Energy Conservation and Management Division has been designated by this Council Policy as the clearing authority for issues relating to energy for the City of San Diego. The Energy Conservation and Management Division will enter into a Memorandum of Understanding with those City Departments who design, renovate and build new city owned facilities to insure all new City facilities reflect the intent of Council Policy 900-14.

PRIVATE-SECTOR/INCENTIVES:

It shall be the policy of the City Council to expedite the ministerial process for projects which meet the following criteria:

1. Residential projects that provide 50% of their projected total energy use utilizing renewable energy resources, (e.g., photovoltaic, wind and fuel cells).
2. Commercial and industrial projects that provide 30% of their projected total energy use utilizing renewable energy resources, (e.g., photovoltaic, wind and fuel cells).
3. Residential and commercial and industrial projects that exceed the State of California Title 24 energy requirements by:
 - a. 15% better than California's Title 24.2001 for Residential Buildings.
 - b. 10% better than California's Title 24.2001 for Commercial and Industrial Buildings.

It shall be the policy of the City Council to expedite the discretionary process for projects which meet the following criteria:

1. Incorporate the U.S. Green Building Council, Leadership in Energy and Environmental Design (LEED) 2.0 Rating System "Silver" Level Certification for commercial development projects.
2. Incorporate self-generation through renewable technologies (e.g., photovoltaic, wind and fuel cells) to reduce environmental impacts associated with fossil fuel energy use for commercial and industrial projects generating a minimum of 30% or more of the designed energy consumption from renewable technologies such as photovoltaic, wind and fuel cells.
3. Residential discretionary projects of 4 units or more within urbanized communities as defined in the Progress Guide and General Plan that provide 50% of their projected total energy use utilizing renewable energy resources.

HEALTH AND RESOURCE CONSERVATION:

1. Projects will be designed to avoid inflicting permanent adverse impact on the natural state of the air, land and water, by using resources and methods that minimize pollution and waste, and do not cause permanent damage to the earth, including erosion.
2. Projects will include innovative strategies and technologies such as porous paving to conserve water, reduce effluent and run-off, thus recharging the water table.
3. When feasible, native plants will be used in landscaping to reduce pesticide, fertilizer, and water usage.
4. Buildings will be constructed and operated using materials, methods, mechanical and electrical systems that ensure a healthful indoor air quality, while avoiding contamination

by carcinogens, volatile organic compounds, fungi, molds, bacteria, and other known toxins.

5. Projects will be planned to minimize waste through the use of a variety of strategies such as: a) reuse of materials or the highest practical recycled content; b) raw materials derived from sustainable or renewable sources; c) materials and products ensuring long life/durability and recyclability; d) materials requiring the minimum of energy and rare resources to produce and use; and e) materials requiring the least amount of energy to transport to the job site.

OUTREACH / EDUCATION:

1. An education and outreach effort will be implemented to make the community aware of the benefits of “Green Building” practices.
2. The City will sponsor a recognition program for innovative Green Building projects implemented in the public as well as private sector in an effort to encourage and recognize outstanding environmental protection and energy conservation projects.

IMPLEMENTATION:

The City will seek cooperation with other governmental agencies, public interest organizations, and the private sector to promote, facilitate, and implement Green Building and energy efficiency in the community.

LEGISLATION:

The City will support State and Federal legislation that promotes or allows sustainable development, conservation of natural resources, and energy efficiency technology.

City of San Diego Purchasing & Contracting Department
CONTRACTOR STANDARDS
Pledge of Compliance

Effective December 24, 2008, the Council of the City of San Diego adopted Ordinance No. O-19808 to extend the Contractor Standards Ordinance to all contracts greater than \$50,000. The intent of the Contractor Standards clause of San Diego Municipal Code §22.3224 is to ensure the City of San Diego conducts business with firms that have the necessary quality, fitness and capacity to perform the work set forth in the contract.

To assist the Purchasing Agent in making this determination and to fulfill the requirements of §22.3224(d), each bidder/proposer must complete and submit this *Pledge of Compliance* with the bid/proposal. If a non-competitive process is used to procure the contract, the proposed contractor must submit this completed *Pledge of Compliance* prior to execution of the contract. A submitted *Pledge of Compliance* is a public record and information contained within will be available for public review for at least ten (10) calendar days, except to the extent that such information is exempt from disclosure pursuant to applicable law.

All responses must be typewritten or printed in ink. If an explanation is requested or additional space is required, respondents must use the *Pledge of Compliance Attachment "A"* and sign each page. The signatory guarantees the truth and accuracy of all responses and statements. Failure to submit this completed *Pledge of Compliance* may make the bid/proposal non-responsive and disqualified from the bidding process. If a change occurs which would modify any response, Contractor must provide the Purchasing Agent an updated response within thirty (30) calendar days.

A. PROJECT TITLE:

As-Needed Engineering Technical Services Consultant For Pure Water San Diego Program

B. BIDDER/CONTRACTOR INFORMATION:

MWH Americas, Inc.

C. OWNERSHIP AND NAME CHANGES:

1. In the past five (5) years, has your firm changed its name?

☐ Yes ☒ No

If **Yes**, use *Pledge of Compliance Attachment "A"* to list all prior legal and DBA names, addresses and dates when used. Explain the specific reasons for each name change.

2. In the past five (5) years, has a firm owner, partner or officer operated a similar business?

☐ Yes ☒ No

If **Yes**, use *Pledge of Compliance Attachment "A"* to list names and addresses of all businesses and the person who operated the business. Include information about a similar business only if an owner, partner or officer of your firm holds or has held a similar position in another firm.

D. BUSINESS ORGANIZATION/STRUCTURE: Indicate the organizational structure of your firm. Check one only on this page. Use *Pledge of Compliance Attachment "A"* if more space is required.

☒ **Corporation** Date incorporated: 10/18/1954 State of incorporation: California

List corporation's current officers: President: Alan Krause (MWH Global, Inc.)
Vice Pres: Dan McConville (MWH Americas, Inc. President)
Secretary: David Tomlinson
Treasurer: Thomas Payne

Is your firm a publicly traded corporation? ☐ Yes ☒ No

If **Yes**, name those who own five percent (5%) or more of the corporation's stocks:

☐ **Limited Liability Company** Date formed: / / State of formation:

List names of members who own five percent (5%) or more of the company:

☐ **Partnership** Date formed: / / State of formation:

List names of all firm partners:

☐ **Sole Proprietorship** Date started:

List all firms you have been an owner, partner or officer with during the past five (5) years. Do not include ownership of stock in a publicly traded company:

☐ **Joint Venture** Date started:

List each firm in the joint venture and its percentage of ownership:

Note: Each member of a Joint Venture must complete a separate *Contractor Standards Pledge of Compliance* for a Joint Venture's submission to be considered responsive.

E. FINANCIAL RESOURCES AND RESPONSIBILITY:

1. Is your firm in preparation for, in the process of, or in negotiations toward being sold?

☐ Yes ☒ No

If **Yes**, use *Pledge of Compliance Attachment "A"* to explain specific circumstances, including name of the buyer and principal contact information.

2. In the past five (5) years, has your firm been denied bonding?

☐ Yes ☒ No

If **Yes**, use *Pledge of Compliance Attachment "A"* to explain specific circumstances; include bonding company name.

3. In the past five (5) years, has a bonding company made any payments to satisfy claims made against a bond issued on your firm's behalf or a firm where you were the principal?

☐ Yes ☒ No

If **Yes**, use *Pledge of Compliance Attachment "A"* to explain specific circumstances.

F. PERFORMANCE HISTORY:

1. In the past five (5) years, has your firm been found civilly liable, either in a court of law or pursuant to the terms of a settlement agreement, for defaulting or breaching a contract with a government agency?

☐ Yes ☒ No

If **Yes**, use *Pledge of Compliance Attachment "A"* to explain specific circumstances.

2. In the past five (5) years, has a government agency terminated your firm's contract prior to completion?

☐ Yes ☒ No

If **Yes**, use *Pledge of Compliance Attachment "A"* to explain specific circumstances and provide principal contact information.

G. COMPLIANCE:

1. In the past five (5) years, has your firm or any firm owner, partner, officer, executives or management been criminally penalized or found civilly liable, either in a court of law or pursuant to the terms of a settlement agreement for violating any federal, state or local law in performance of a contract, including but not limited to laws regarding health and safety, labor and employment, wage and hours, and licensing laws which affect employees?

☐ Yes ☒ No

If **Yes**, use *Pledge of Compliance Attachment "A"* to explain specific circumstances surrounding each instance; include name of entity involved, specific infraction(s) or violation(s), dates of instances, and outcome with current status.

2. In the past five (5) years, has your firm been debarred or determined to be non-responsible by a government agency?

☐ Yes ☒ No

If **Yes**, use *Pledge of Compliance Attachment "A"* to explain specific circumstances of each instance; include name of entity involved, specific infraction, dates, and outcome.

H. BUSINESS INTEGRITY:

1. In the past five (5) years, has your firm been convicted of or found liable in a civil suit for making a false claim or material misrepresentation to a private or governmental entity?

☐ Yes ☒ No

If **Yes**, use *Pledge of Compliance Attachment "A"* to explain specific circumstances of each instance; include the entity involved, specific infraction(s) or violation(s), dates, outcome and current status.

2. In the past five (5) years, has your firm or any of its executives, management personnel, or owners been convicted of a crime, including misdemeanors, or been found liable in a civil suit involving the bidding, awarding, or performance of a government contract?

☐ Yes ☒ No

If **Yes**, use *Pledge of Compliance Attachment "A"* to explain specific circumstances of each instance; include the entity involved, specific infraction(s), dates, outcome and current status.

I. TYPE OF SUBMISSION: This document is submitted as:

☐ Initial submission of *Contractor Standards Pledge of Compliance*.

☒ Update of prior *Contractor Standards Pledge of Compliance* dated: 2/24/2012

Complete all questions and sign below. Each *Pledge of Compliance Attachment "A"* page must be signed.

Under penalty of perjury under the laws of the State of California, I certify I have read and understand the questions contained in this *Pledge of Compliance* and that I am responsible for completeness and accuracy of responses and all information provided is true to the best of my knowledge and belief. I further certify my agreement to the following provisions of San Diego Municipal Code §22,3224:

- (a) To comply with all applicable local, State and Federal laws, including health and safety, labor and employment, and licensing laws that affect the employees, worksite or performance of the contract.
- (b) To notify the Purchasing Agent within fifteen (15) calendar days upon receiving notification that a government agency has begun an investigation of the Contractor that may result in a finding that the Contractor is or was not in compliance with laws stated in paragraph (a).
- (c) To notify the Purchasing Agent within fifteen (15) calendar days when there has been a finding by a government agency or court of competent jurisdiction of a violation by the Contractor of laws stated in paragraph (a).
- (d) To provide the Purchasing Agent updated responses to the *Contractor Standards Pledge of Compliance* within thirty (30) calendar days if a change occurs which would modify any response.
- (e) To notify the Purchasing Agent within fifteen (15) days of becoming aware of an investigation or finding by a government agency or court of competent jurisdiction of a violation by a subcontractor of laws stated in paragraph (a).
- (f) To cooperate fully with the Purchasing Agent and the City during any investigation and to respond to a request for information within ten (10) working days from the request date.

Failure to sign and submit this form with the bid/proposal shall make the bid/proposal non-responsive.

CONTRACT INFORMATION

Contract Title: As-Needed Engineering Technical Services Consultant for Pure Water San Diego Program

Start Date:

Contract Number (if no number, state location): H156303

End Date:

SUMMARY OF EQUAL BENEFITS ORDINANCE REQUIREMENTS

The Equal Benefits Ordinance [EBO] requires the City to enter into contracts only with contractors who certify they will provide and maintain equal benefits as defined in San Diego Municipal Code §22.4302 for the duration of the contract. To comply:

- Contractor shall offer equal benefits to employees with spouses and employees with domestic partners.
 - Benefits include health, dental, vision insurance; pension/401(k) plans; bereavement, family, parental leave; discounts, child care; travel/relocation expenses; employee assistance programs; credit union membership; or any other benefit.
 - Any benefit not offered to an employee with a spouse, is not required to be offered to an employee with a domestic partner.
- Contractor shall post notice of firm's equal benefits policy in the workplace and notify employees at time of hire and during open enrollment periods.
- Contractor shall allow City access to records, when requested, to confirm compliance with EBO requirements.
- Contractor shall submit *EBO Certification of Compliance*, signed under penalty of perjury, prior to award of contract.

NOTE: This summary is provided for convenience. Full text of the EBO and its Rules are posted at www.sandiego.gov/administration.

CONTRACTOR EQUAL BENEFITS ORDINANCE CERTIFICATION

Please indicate your firm's compliance status with the EBO. The City may request supporting documentation.

☒ I affirm **compliance** with the EBO because my firm (*contractor must select one reason*):

- ☒ Provides equal benefits to spouses and domestic partners.
- ☐ Provides no benefits to spouses or domestic partners.
- ☐ Has no employees.
- ☐ Has collective bargaining agreement(s) in place prior to January 1, 2011, that has not been renewed or expired.

☐ I request the City's approval to pay affected employees a **cash equivalent** in lieu of equal benefits and verify my firm made a reasonable effort but is not able to provide equal benefits upon contract award. I agree to notify employees of the availability of a cash equivalent for benefits available to spouses but not domestic partners and to continue to make every reasonable effort to extend all available benefits to domestic partners.

It is unlawful for any contractor to knowingly submit any false information to the City regarding equal benefits or cash equivalent associated with the execution, award, amendment, or administration of any contract. [San Diego Municipal Code §22.4307(a)]

Under penalty of perjury under laws of the State of California, I certify the above information is true and correct. I further certify that my firm understands the requirements of the Equal Benefits Ordinance and will provide and maintain equal benefits for the duration of the contract or pay a cash equivalent if authorized by the City.

EBO Analyst:

☐ Approved

☐ Not Approved – Reason:

**REGARDING INFORMATION REQUESTED UNDER THE
CALIFORNIA PUBLIC RECORDS ACT**

The undersigned duly authorized representative, on behalf of the named Contractor declares and acknowledges the following:

The contents of this contract and any documents pertaining to the performance of the contract requirements/Scope of Services resulting from this contract are public records, and therefore subject to disclosure unless a specific exemption in the California Public Records Act applies.

If a Contractor submits information **clearly marked** confidential or proprietary, the City of San Diego (City) may protect such information and treat it with confidentiality only to the extent permitted by law. However, it will be the **responsibility of the Contractor** to provide to the City the specific legal grounds on which the City can rely in withholding information requested under the California Public Records Act, should the City choose to withhold such information.

General references to sections of the California Public Records Act will not suffice. Rather, the Contractor must provide a **specific and detailed legal basis, including applicable case law** that **clearly establishes** the requested information is exempt from the disclosure requirements of the California Public Records Act.

If the Contractor does not provide a specific and detailed legal basis for withholding the requested information within a time specified by the City, the City will release the information as required by the California Public Records Act and the **Contractor will hold the City harmless** for release of this information.

It will be the **Contractor's obligation to defend**, at Contractor's expense, any legal actions or challenges seeking to obtain from the City any information requested under the California Public Records Act withheld by the City at the Contractor's request. Furthermore, the Contractor shall **indemnify** the City and **hold it harmless** for any claim or liability, and **defend any action** brought against the City, resulting from the City's refusal to release information requested under the Public Records Act withheld at Contractor's request.

Nothing in this Agreement creates any obligation for the City to notify the Contractor or obtain the Contractor's approval or consent before releasing information subject to disclosure under the California Public Records Act.

CITY OF SAN DIEGO
PUBLIC UTILITIES DEPARTMENT
Pure Water San Diego Program

Project Name: Pure Water San Diego Program As-Needed Engineering Technical Services Contract with MWH Americas, Inc.

Project Description:

San Diego's imported water supplies face increasing stresses from a variety of sources. As a result, the region's supplies are becoming less reliable and more expensive. These circumstances, and the threat of further limitations on San Diego's water supplies, have intensified the need for new sources of water. Pure Water San Diego is the City's 20-year program to provide a safe, secure and sustainable local drinking water supply for San Diego. Recycled water will be turned into drinkable water through the use of water purification technology. Further, Pure Water's system-wide reuse will significantly reduce flows to the Point Loma Wastewater Treatment Plant (Point Loma). Pure Water is integral to both the application to renew Point Loma's Permit and the proposed legislation for secondary equivalency. The program will make San Diego more water independent and resolves regional wastewater issues. On April 29, 2014, the City Council adopted Resolution Number R-308906 supporting the Pure Water Program.

Pure Water implementation encompasses design and construction of new treatment facilities, securing regulatory approvals from the California Division of Drinking Water, Regional Water Quality Control Board, and the United States Environmental Protection Agency, financial and economic analysis and public outreach and education. To support these responsibilities and to ensure the efficient and effective use of resources, the City has a need for professional engineering and technical services on an as-needed basis. These services will support program-level decisions and project-level designs and implementation.

In July, the City of San Diego, Public Utilities Department advertised for an As-Needed Engineering Technical Services Consultant to assist in managing the Pure Water Program. Five proposals were received and a selection committee, in compliance with City Policy 300-7 was convened. All five proposers were short listed and interviewed. MWH Americas, Inc was selected as the most qualified firm. The Public Utilities Department will maximize the use of City staff both within the Department and Citywide. However, due to the City's lack of experience in building and obtaining regulatory approvals for potable reuse facilities and the urgency of bringing these facilities online, the Public Utilities Department recommends the use of this As-Needed Engineering Technical Services Consultant in implementing the Pure Water Program. The Consultant will supplement City staff and will provide the guidance and technical support needed to manage this large and complex program. Work will be negotiated and authorized on a task order basis and may include the following tasks:

1. Support the development and execution of a regulatory strategy for obtaining California Division of Drinking Water approval of full-scale potable reuse facilities
2. Review and valid the existing Pure Water Facilities Plan
3. Preparation of Project Descriptions or Pre-designs first phase of projects in the Pure Water Facilities Plan, which may include;
 - a. North City Water Reclamation Plant expansion.
 - b. North City Advanced Water Purification Facility (AWPF) and Pure Water pump station
 - c. Morena Blvd Pump Station and Conveyance System
 - d. South Bay Water Reclamation Expansion

- e. South Bay Advanced Water Purification Plant
 - f. South Bay Advanced Water Purification Pump Station and Conveyance System
 - g. Any other facilities needed to achieve the program goal of 83 mgd of purified water production
- 4. Conduct AWPf treatment optimization and equipment prequalification testing
 - 5. Assist with the review of all design documents for the first phase of the Advanced Water Purification Plant and Conveyance System
 - 6. Provide assistance in obtaining facility permits
 - 7. Develop program controls and reporting tools, utilizing the City's current P6 system
 - 8. Assist with the update of the program design guidelines

Cost and Schedule:

The proposed As-Needed Engineering Technical Services contract with MWH Americas, Inc has a total not-to-exceed value of \$30,000,000 over a five (5) year period. Work will be authorized on a task order basis. Cost will be allocated to water and wastewater per the cost allocation agreement being developed by City and Metro JPA staff. It is anticipated that this contract will be heard at the City Council Committee of the Environment in January 2015 and the full City Council in February 2015.

AGENDA ITEM 7

Water Reuse Forum – Purified
Drinking Water (WRC)

**Water Resume Forum – Purified Drinking Water
November 12, 2014**

Meeting Notes:

Panel

Jeff Mosher, Moderator
Executive Director, National Water Research

Randy Barnard
State Water Resources Control Board, Drinking Water Division

Brent Eidson, Deputy Director
City of San Diego, Public Utilities Department, External Affairs

Dr. Rick Gersberg, Professor
San Diego State University, Graduate School of Public Health

Al Lau, Director of Engineering and Planning
Padre Dam Municipal Water District

Patricia Tennyson, Executive Vice President
Katz and Associates, Inc.

Dr. Shane Trussell, President
Trussell Technologies, Inc.

Discussions

Indirect Potable Reuse (IPR) vs. Direct Potable Reuse (DPR)

Shane Trussell discussed that IPR provides a natural environmental barrier that allows additional time for treatment which seems to provide more assurances to the public, vs. DPR which removes the natural environmental barrier and puts treated water directly into the public drinking system and tends to increase public concern.

Al Lau briefly discussed Padre Dam Municipal Water District's demonstration project (similar, but slightly different than the City of San Diego demonstration project in that it includes additional treatment procedures).

Rick Gersberg discussed Orange County's DPR Program which is the longest standing program in California. He recommends that the City of San Diego conduct studies that assess DPR as public perception is extremely important. By removing the natural environmental barrier associated with IPR, public concern/controversy tends to increase.

Brent Eidson said that it is the city's goal to work with the state to develop regulations needed for DPR so that when Phase I of the Pure Water San Diego Program is ready to be implemented, water from North City can go straight to Alvarado.

Shane Trussell discussed the overall goal of DPR which is to ensure the protection of public health by making sure the environmental barriers are in place at all times and that they are working properly (pre-treatment steps). This will ultimately eliminate the need for reservoirs associated with IPR.

Randy Barnard said that SB 918 requires the SWRQB to review and report on the feasibility of developing water recycling criteria for DPR. The SWRQB is actively working on DPR regulations, and has formed an advisory group that has already met three times (these meetings are open to the public, and information can be found on the SWRCB website: http://www.waterboards.ca.gov/drinking_water/certlic/drinkingwater/RW_DPR_advisorygroup.shtml)

Patricia Tennyson discussed surveys that have been conducted during her work on IPR and DPR, which indicate that people are more inclined to want DPR if they are assured that it is safe, that it is good for the environment, and that it is locally controlled.

Brent Eidson said that the current 45 mdg of recycled water that the city currently produces will continue with the Pure Water San Diego Program.

Shane Trussell discussed DPR through a surface water treatment plant which acts as a significant barrier vs. direct through a distribution system.

Brent Eidson mentioned Proposition 1 passing and possible funding opportunities for potable reuse projects (the Pure Water San Diego Program is potentially eligible for this funding). He also mentioned state revolving fund and grant opportunities as potential funding sources.

AGENDA ITEM 12

MetroTAC Work Plan

MetroTAC
2013/14 Work Plan
October 2014 (Revised Per Metro TAC)

MetroTAC Items	Description	Subcommittee Member(s)
JPA Website Update	5/13: The Metro TAC would like to update the current website as it is outdated. A review of the current website and its limitations will be on the Metro TAC agenda in the next couple months. 9/13: Greg & Karyn have been working with Vision Internet to finalize a scope of work and contract. These will go to the JPA for approval at their October meeting. 1/14: The contract has been negotiated and approved and Vision has started on the framework for the website.	Greg Humora Karyn Keese Lori Peoples
SDG&E Rate Plan	SDG&E has submitted a Rate Plan that would not only change some rate structures but will also shorten the off peak hours for users such as utilities. BBK will continue to monitor and update Metro TAC and Commission/JPA members on protest measures.	Paula de Sousa
PUD Industrial Waste Program Update	9/13: A performance audit was performed on the PUD's IWCP. The audit produced two findings and made 8 recommendations. PUD has hired Brown & Caldwell to perform a fee study and assist implementation of an updated program. A subcommittee of the Metro TAC was formed to work with PUD staff and the consultant.	Roberto Yano Ed Walton
Management of Non-Dispersibles in Wastewater	9/13: Eric Minicilli handed out a position paper prepared by the NEWEA.	Eric Minicilli
2013/14 Transportation Rate Update	5/13: PUD staff is proposing slightly revising the methodology and increasing the transportation rate. Subcommittee met with PUD staff on 6/12/13 to review calculations. 9/13: PUD staff is having the rate methodology reviewed by engineering staff. They should be meeting with Metro TAC subcommittee within the next month. 5/14: PUD staff has met with subcommittee and will be presenting the current proposal at May Metro TAC. 5/14: Metro TAC approved 2014 transportation rate w/caveat that PUD staff hires a consultant to review/revise methodology for 2015.	Al Lau Dan Brogadir Karyn Keese
PLWTP Permit Ad Hoc TAC	6/13: Ad Hoc created by JPA at their special June workshop. Goal: Create regional water reuse plan so that both a new, local, diversified water supply is created and maximum offload at Point Loma is achieved to support federal legislation for permanent acceptance of Point Loma as a smaller advanced primary plant. Minimize ultimate Point Loma treatment costs and most effectively spend ratepayer dollars due to successful coordination between water and wastewater agencies. Ad Hoc has been meeting all month and has developed a Concept Paper. Ad Hoc will be giving presentations to PAs City Councils/Board of Directors during July 2013. 9/13: Greg Humora, Leah Browder, and Scott Tulloch have given presentations to most of the governing bodies of the PAs in addition to meeting with environmental groups, San Diego staff and City Council members. A position paper, as well as a presentation, has been prepared. A resolution of support has been adopted by the governing bodies of the PAs. 1/14: The AdHoc outreach group continues to meet with stakeholders and City staff in development of the Program. <i>Milestones are included in each month agenda packet</i>	Greg Humora Leah Browder Mark Watton Scott Tulloch Rick Hopkins Jim Smyth Karyn Keese
IRWMP	Bob Kennedy attended the Regional Advisory Committee (RAC) meeting of April 3, 2013. Minutes from this meeting are attached. 6/5/13: Bob Kennedy attended Meeting #43. Minutes are attached to this work plan. The Final 2013 San Diego IRWM Plan has been completed and is available to download at http://sdirwmp.org/2013-irwm-plan-update . 1/14: Bob Kennedy continues to attend RAC meetings and reports back to Metro TAC. 5/14: Bob Kennedy presented minutes from meeting #49 & #50 to Metro TAC 9/14: Meeting No, 52 minutes included in October 2014 Metro TAC agenda.	Bob Kennedy Greg Humora

MetroTAC Items	Description	Subcommittee Member(s)
Fiscal Items	The Finance committee will continue to monitor and report on the financial issues affecting the Metro System and the charges to the PAs. The debt finance and reserve coverage issues have been resolved. Refunds totaling \$12.3 million were sent to most of the PA's. 10/26/11: 2010 will be the first year where the PAs will be credited with interest on the debt service reserve and operational fund balances. Interest will be applied as an income credit to Exhibit E when that audit is complete.	Greg Humora Karen Jassoy Karyn Keese
Recycled Water Revenue Issue	Per our Regional wastewater Agreement revenues from SBWTP are to be shared with PA's. 4/11: City has agreed to pay out revenue to Wastewater Section and PA's credit will be on the Exhibit E adjustments at year end Open issues: Capacity reservation lease payments and North City Optimized System Debt service status. 12/11: Letter sent to San Diego regarding outstanding recycled water revenue issues. 1/14: Karyn Keese continues to meet with City staff to determine the basis of the water department's administrative charges. 4/13: Need Metro TAC member for subcommittee	Karyn Keese
Water Reduction - Impacts on Sewer Rates	The MetroTAC wants to evaluate the possible impact to sewer rates and options as water use goes down and consequently the sewer flows go down, reducing sewer revenues. Sewer strengths are also increasing because of less water to dilute the waste. We are currently monitoring the effects of this. 2/2011: wastewater revenues are declining due to conservation and flow reductions and agencies are re-prioritizing projects to be able to cover annual operations costs	Eric Minicilli Bob Kennedy Karyn Keese
"No Drugs Down the Drain"	The state has initiated a program to reduce pharmaceuticals entering the wastewater flows. There have been a number of collection events within the region. The MetroTAC, working in association with the Southern California Alliance of Publicly-owned Treatment Works (SCAP), will continue to monitor proposed legislation and develop educational tools to be used to further reduce the amount of drugs disposed of into the sanitary sewer system. 8/2010: County Sheriff and Chula Vista have set up locations for people to drop off unwanted medications and drugs. 4/11: Local law enforcement has taken a proactive role and is sponsoring drug take back events. 3/11: TAC to prepare a position for the board to adopt; look for a regional solution; watch requirements to test/control drugs in wastewater. 10/26/11: A prescription drug take back day is scheduled for 10/29/11. Go to www.dea.gov to find your nearest location. 4/12: East County to host a prescription drug take back 4/28/12. 4/27/13 is scheduled to be a county wide take back day. Locations can be found on the DEA website. 5/14: There was a county-wide drug take-back program on 4/26/14. All sheriffs' offices in San Diego County now take-back drugs on a daily basis. 9/14: Measures are being taken through the Attorney General's office to require Drug Stores to take back unused drugs on a national level.	Greg Humora
Strength Based Billing Evaluation	3/20/13: Brown and Caldwell presented their draft results to Metro TAC. This has been added as a standing item to the Metro TAC agenda for discussions on the recommendations. 9/13: This item is complete. 1/14: City staff provided Metro TAC with draft adjustments back to 2004 based on B&C's review of the North City Plants flows. 2/14: The City provided the Finance Committee with draft adjustments back to 1998.	Karyn Keese
Grease Recycling	To reduce fats, oils, and grease (FOG) in the sewer systems, more and more restaurants are being required to collect and dispose of cooking grease. Companies exist that will collect the grease and turn it into energy. MetroTAC is exploring if a regional facility offers cost savings for the PAs. The PAs are also sharing information amongst each other for use in our individual programs. 3/11: get update on local progress and status of grease rendering plant near Coronado bridge	Eric Minicilli

MetroTAC Items	Description	Subcommittee Member(s)
Padre Dam Mass Balance Correction	11/11: Padre Dam has been overcharged for their sewage strengths since 1998. Staff from City of San Diego presented a draft spreadsheet entitled Master Summary Reconciliations Padre Dam Mass Balance Corrections Calculation. Rita Bell and Karyn Keese were elected to review the documentation and report back to Metro TAC. 2/12: Audit complete. Item added as Standing to Metro TAC agenda.4/12: This issue is scheduled as a standing item and discussed at each Metro TAC meeting until it is resolved. Currently Metro TAC is focusing on the statute of limitations. 2/13: The PAs have received a joint letter from Padre Dam/City of San Diego. The PA's attorneys group continues to meet on this issue. 3/13: The attorney's group has requested an extension to 4/23/13 to respond to San Diego's letter. 5/13: The attorney's group has submitted a letter to Padre Dam and San Diego. 1/14: City of San Diego has submitted an offer to the attorney's group. The attorney's group met in January to discuss. 2/14: Edgar Patino has prepared a spreadsheet of all open financial issues. Karyn Keese is currently reviewing it. The spreadsheet has been given to the attorney's group. 5/14: Metro TAC will meet with the PA attorney group at the May meeting. 9/14: PA Attorney group has submitted a letter to San Diego and Padre Dam outlining a proposed settlement.	Rita Bell Karyn Keese
Waiver and Recycled Water Study Implementation	11/12: Metro TAC requested a timeline from City staff including milestones for the waiver process. The waiver is due no later than 7/30/15. However, the application needs to be submitted six months prior to the July date (2/1/15). Preparation of the waiver will begin in the early part of FYE 2014. 2/13: City staff has met to start coordination of the waiver process. Staff in attendance included Roger Bailey, Marsi Steirer, Guann Hwang, Steve Meyers, and Allan Langworthy. 5/13: Scott Tulloch has briefed Metro TAC and the Metro Commission/JPA on the waiver's history and secondary equivalency. A JPA workshop to be held in June to further discuss. Scott Tulloch is preparing a briefing paper for the Commission's use.6/13: JPA workshop held and PLWTP Steering Committee and Ad Hoc TAC were appointed.	Greg Humora Leah Browder Scott Tulloch Karyn Keese
City of San Diego Recycled Water Pricing Study	San Diego is working on a rate study for pricing recycled water from the South Bay plant and the North City plant. Metro TAC, in addition to individual PAs, has been engaged in this process and has provided comments on drafts San Diego has produced. We are currently waiting for San Diego to promulgate a new draft which addresses the changes we have requested. 10/26/11: draft study still not issued. 5/13: Recycled Water Study to be on July 2013 Metro TAC agenda per PUD staff.6/24/13: Recycled Water Pricing Study goes to IROC. 7/10/13: Recycled Water Study goes to NR&C 9/13: PUD has hired Black & Veatch to review the study	Karyn Keese Rita Bell
Pure Water Program Cost Allocation	A small working group was formed to discuss options to allocate PLWTP offset project costs among the water and wastewater rate payers; Concepts will be discussed at TAC and JPA Board in near future.7/12: Subcommittee to meet with PUD staff & consultants to review TM 8 and economic model.8/12: Subcommittee has meet with City staff and consultants. Economic model has been received. City will not pursue cost allocations until Demonstration Project is complete due to staffing constraints. 6/13: Ad Hoc TAC has started work on cost allocation concept. 5/14: Cost allocation workgroup will meet in May. 6/14: Cost allocation group has met twice.7/14: <i>Cost allocation group continues to meet on a every two week basis.</i>	Greg Humora Leah Browder Scott Tulloch Rick Hopkins Roberto Yano Kristen Crane Al Lau Bob Kennedy Karyn Keese

MetroTAC Items	Description	Subcommittee Member(s)
Board Members' Items		
Rate Case Items	1/12: San Diego is in the process of hiring a consultant to update their rate case. As part of that process, Metro TAC and the Finance Committee will be monitoring the City's proposals as they move forward. 6/12: San Diego hired Black & Veatch as their rate consultant. 2/13: Preliminary results were reported at the IROC Meeting of 2/19/13. Karyn Keese will be working with the IROC Finance Committee to review details. 3/13: Karyn Keese attended a joint workshop with IROC to review the draft revenue requirement for the Rate Case. 4/13: Next meeting with IROC on the rate case is 5/20/13. 5/13: Next special meeting with IROC is June 24, 2013. 6/13: San Diego is only moving forward with Water Rate Case due to needed rate increase. Wastewater does not appear to need a rate adjustment for two years.	Karyn Keese
Exhibit E	Metro TAC and the Finance Committee are active and will monitor this process. Individual items related to Schedule E will come directly to the Board as they develop. 2/13: 2010 and 2011 audits are ongoing. 3/13: The 2010 audit is complete and has been presented to Metro TAC & the Finance Committee. Will move forward to Commission at 6/13 meeting. 2011 field work is complete. 2012 sample selected. 9/13: 2012 preliminary fieldwork is complete. Waiting for PUD's answers to questions. 5/14: Fieldwork for all audits is complete (including 2013). True-ups have not been completed since 2008 due to the Padre Dam and North City billing issues.	Karen Jassoy Karyn Keese
Future bonding	Metro TAC and the Finance Committee are active and will monitor this process. Individual items related to bonding efforts will come directly to the Board as they develop. 10/26/11: San Diego is issuing an RFP for a cost of service study to support a future bond issue potentially in mid-2013. Kristin Crane to sit on the selection panel. 2/13: San Diego's preliminary rate case does not show the issuance of additional debt until FY 2018.	Karen Jassoy Karyn Keese Kristen Crane
Changes in water legislation	Metro TAC and the Board should monitor and report on proposed and new legislation or changes in existing legislation that impact wastewater conveyance, treatment, and disposal, including recycled water issues	Paula de Sousa
Border Region	Impacts of sewer treatment and disposal along the international border should be monitored and reported to the Board. These issues would directly affect the South Bay plants on both sides of the border. 2/12: This Item does not have a champion. Should we remove?	<i>Who should take over?</i>
SDG&E Rate Case	5/14: BBK prepared a draft letter for all PAs to send regarding SDG&E's latest proposal to the PUC regarding the change in off-peak hours. BBK will continue to monitor.	Paula de Sousa
Metro JPA Strategic Plan	6/12: Chairman Ewin to establish a subcommittee to monitor the progress of strategic plan initiatives.	<i>Who should take over?</i>

Completed Items	Description	Subcommittee Member(s)
City of San Diego Revised Procurement Process	8/12: San Diego City Engineer James Nagelvoort reported on recent changes to San Diego's procurement process to move projects through more quickly. Technically any CIP projects under \$30 million may no longer need to be reviewed by the Metro TAC or JPA prior to City Council approval. Chairman Humora requested San Diego prepare a summary of the recent changes and the decision points for consideration of the TAC at the September meeting. 10/4: Metro Commission requests further review by TAC to recommend an appropriate level for CIP's to be brought forth to the Commission. 11/12: MetroTAC recommended leaving the thresholds as they are today and therefore everything will go through TAC and then to the JPA for formal action. The policy will be placed on the JPA website. The Metro Commission approved the policy at their November 2012 meeting. San Diego's CIP will become a standing item on the Metro TAC agenda.	Metro TAC
State WDRs & WDR Communications Plan	The Waste Discharge Requirements (WDRs), a statewide requirement that became effective on May 2, 2006, requires all owners of a sewer collection system to prepare a Sewer System Management Plan (SSMP). Agencies' plans have been created. We will continue to work to meet state requirements, taking the opportunity to work together to create efficiencies in producing public outreach literature and implementing public programs. Project complete: 5/10. 2/12: State has proposed new WDR regulations. Metro TAC will not reopen but Dennis Davies will stay on top of the issue.	Dennis Davies
Ocean Maps from Scripps	Schedule a presentation on the Sea Level Rise research by either Dr. Emily Young, San Diego Foundation, or Karen Goodrich, Tijuana River National Estuarine Research Reserve Project complete: 5/10	Board Member Item
Secondary Waiver	The City of San Diego received approval from the Coastal Commission and now the Waiver is being processed by the EPA. The new 5 year waiver to operate the Point Loma Wastewater Treatment Plant at advanced primary went into effect August 1, 2010. Project complete 7/10	Scott Huth
Lateral Issues	Sewer laterals are owned by the property owners they serve, yet laterals often allow infiltration and roots to the main lines causing maintenance issues. As this is a common problem among PAs, the MetroTAC will gather statistics from national studies and develop solutions. 4/11: There has been no change to the issue. We will continue to track this item through SCAP and report back when the issue is active again. Efforts closed 3/11	Tom Howard Joe Smith
Advanced Water Purification Demonstration Project	San Diego engaged CDM to design/build/operate the project for the water repurification pilot program. 2/8/11: Equipment arrived 3/2011; tours will be held when operational (June/July 2011 timeframe). 2/12: Tours are available. San Diego whitepaper on IPR distributed to Metro TAC members. Closed 4/18/12	Al Lau
SDG&E Rate Case	SDG&E has filed Phase 2 of its General Rate Case, which proposes a new "Network Use Charge" which would charge net-energy metered customers for feeding renewable energy into the grid as well as using energy from the grid. The proposal will have a significant impact on entities with existing solar facilities, in some cases, increases their electricity costs by over 400%. Ultimately, the Network Use Charge will mean that renewable energy projects will no longer be as cost effective. SDG&E's proposal will damage the growth of renewable energy in San Diego County. A coalition of public agencies has formed to protest this rate proposal. 2/12: PUC has not accepted SDG&E's filing. Metro TAC move to close this item. Will continue to monitor this. 8/19: Karyn to check with Paula regarding latest SDG&E issues.	Paula de Sousa

Completed Items	Description	Subcommittee Member(s)
Metro JPA Strategic Plan	2/2011: committee to meet 2/28/11 to plan for retreat to be held on 5/5/11 Retreat held and wrap up presented to the Commission at their June Meeting. JPA strategic planning committee to meet to update JPA Strategic Plan and prepare action items. 1/12: Draft strategic plan reviewed by Board and referred to Metro TAC for input. MetroTAC has created a subcommittee to work on this project. 2/12: Metro TAC has completed their final review. Forwarded to Commission. 4/12: Adopted at April 2012 Metro JPA Meeting. Project complete.	Augie Caires Ernie Ewin
Recycled Water Study	As part of the secondary waiver process, San Diego agreed to perform a recycled water study within the Metro service area. That study is currently underway, and MetroTAC has representatives participating in the working groups. TM #8 Costs estimates are out and PAs provided comments on TM#8 and have asked for a technical briefing. 10/16/11: Final draft of report is due out in November 2011.1/12: Final draft of report is due in March 2012.3/12: Final draft available for comments until 3/19/12 4/12: PUD staff to give presentation to Metro JPA at their May meeting. 5/12 PUD staff presented the Recycled Water Study to the Metro JPA at their May meeting. Metro JPA approved the Study as a planning document. Study to move forward to SD City Council in July 2012 with letter of support from JPA. 7/12: City of San Diego approved the Recycled Water Study; Study submitted on time to Coastal Commission. Final report uploaded to JPA website.11/12: San Diego received a letter from the Coastal Commission. Metro Commission consensus was that based on the tone of the Coastal Commission letter the region may be seeing some time line changes relative to San Diego's projections on the implementation of IPR and that the MetroTAC needs to manage all aspects including the Coastal Commission and multiple issues such as desalination water, Coastal Commissions attitude at this point and pending IPR programs we have heard about.	Scott Huth Al Lau Scott Tulloch Karyn Keese
IRWMP	4:12: Metro TAC received a presentation from Cathy Pieroni (City of San Diego) on the Integrated Regional Water Management Program (IRWMP). Group is still relatively informal but plans to become more structured during its upcoming 2 year plan update. There is a governance & finance work group that starts in the 3rd quarter of 2012 and at that point the JPA role will be examined. Padre Dam and Chula Vista are regular participants. 9/19: Cathy Pieroni gave an update. Recommendation by IRWM to the RAC to include a seat for the Metro JPA. Bob Kennedy will attend the October 3, 2012 meeting representing the JPA. 11/12: At their November 2012 meeting the Metro Commission unanimously appointed Bob Kennedy of Otay Water District as primary and Metro TAC Chairman Greg Humora as alternate to the IRWMP RAC. 2/13: On February 6, 2013 Bob Kennedy attended the IRWMP meeting. Metro JPA has been added as a permanent member of the Water Quality subcommittee of the RAC. The City of San Diego presented an overview of the Recycled Water Study. Next meeting scheduled for April 3, 2013. Closed 4/12 as the Metro JPA has become a member.	Bob Kennedy Greg Humora
Role of Metro JPA regarding Recycled Water	As plans for water reuse unfold and projects are identified, Metro JPA's role must be defined with respect to water reuse and impacts to the various regional sewer treatment and conveyance facilities 2/12: Scott Huth removed as member due to new position. JPA/Metro TAC needs to appoint a new representative. 4/13: Scott Tulloch added to this subcommittee. Metro TAC member needed. 5/13: Greg Humora added to this work group.6/13: This group was formalized by the JPA as the PLWTP Ad Hoc Technical Advisory Committee.	Greg Humora Karyn Keese Scott Tulloch

Completed Items	Description	Subcommittee Member(s)
San Diego Wastewater 50th Anniversary Celebration	5/13: Cheryl Lester presented the draft plan for the Anniversary celebration. She requested Metro Commission/JPA participation. Commission Parks will represent the Commission/JPA. 9/13: The celebration was a big success and was well attended.	Sherryl Parks
SDG&E Rate Case	8/19: Karyn to check with Paula regarding latest SDG&E issues. 11/12: Sophie Akins from BBK will present updated information to Metro TAC.	Paula de Sousa
Salt Creek Diversion	9/2010: OWD, Chula Vista and San Diego met to discuss options and who will pay for project; Chula Vista and OWD are reviewing options. 2/2011: OWD and PBS&J reviewed calculations with PUD staff; San Diego to provide backup data for TAC to review. This option is also covered in the Recycle Water Study. 10/26/11: Back-up information has still not been received from staff. 8/12: San Diego to conduct business case evaluation and add to Capital Improvement Program as recommend by Metro Commission to San Diego City Council on July 17, 2012 in support of the Recycled Water Study. 5/14: PUD staff has prepared and presented a Business Case. This has been discussed at the March, April, & May Metro TAC meetings. 5/14: Metro TAC agreed with PUD staff recommendation that this project should not be pursued at this time. Otay abstained from the vote.	Roberto Yano Bob Kennedy Karyn Keese Rita Bell
