

## Metro Wastewater JPA Agreement and Bylaws

In 2001 the Metro Joint Powers Authority ("Metro JPA") was formed to provide the PAs with a stronger voice in the operations of the Metro System, for which they collectively pay approximately 35% of the operation and capital costs. When the Metro JPA was created, all but three of the PAs joined the Metro JPA. As of October 2007, with the addition of the City of Chula Vista, all PAs are members of the Metro JPA

As a legal entity, the Metro JPA can hire consultants to carry out audits of the City of San Diego Metro System operations.

Included in this section are the Metro JPA Agreement and the Metro JPA's Bylaws. The Metro JPA maintains a website which includes all agenda packets and minutes for the Metro Commission/JPA, Metro TAC, and Finance Committee meetings. Other information such as pertinent reports and studies are also posted to the website and members are notified that they are available for download and/or review.
