5. ACTION: FINANCIAL POLICIES MANUAL

Executive Director Keze introduced JPA Treasurer Rod Greek who had been instrumental in preparing the manual. Mr. Greek provided a brief PowerPoint presentation.

Discussion and action on the individual policies, procedures and protocol were as follows:

<u>Policy 1</u> – Director Robak requested a redline be provided so the changes were clear. General Counsel Ochoa recommended the addition of electronics communication procedure methods to include if a records request of an individual Director were made, they would sign an affidavit acknowledging that they have provided all appropriate records (Ms. Ochoa will provide the proper wording to be included). This item was

continued to the next meeting to provide a redline to the committee members.

<u>Policy 2</u> – Executive Director Keze noted that this item remained the same other than a few minor edits and a typo correction. General Counsel Ochoa noted that the JPA does not have a Social Media presence. Director Robak suggested a change to 2nd paragraph. General Counsel Ochoa stated it should be left as is. Consensus was not to make the proposed change.

Policy 3 – Director McKay noted a correction on page 4, being item 6 was missing F. Mr. Greek noted that even if policy is approved, no direct deposit forms will be provided to Directors until process is tested with the bank. When it is ready, it will be brought back for JPA approval and implementation, approximately 90 days after approval of the manual.

Policy 4 – Consensus was that this policy was good as is.

Policy 5 - A typo of moneys vs monies was noted on page 4 of 4.

<u>Policy 6</u> – This is a brand-new policy recommended by Executive Director Keze who feels it necessary. Concurrence to include this new policy and to limit Emergency Fund purchase limit to \$10,000.

<u>Procedure 1</u> - This procedure is included as more of an answer for TAC members per Attorney General Law. Consensus was that Procedure 1 was good as it is.

<u>Procedure 2</u> – This procedure is to memorialize what is done at the end of each year to present to auditors. Consensus was that Procedure 2 was good as it is.

<u>Procedure 3</u> – Executive Director Keze provided a brief overview. Consensus was that Procedure 3 was good as is.

Reso. 2025-01 – This resolution was noted to be coming soon from the February Board Meeting. Consensus was that there was nothing to discuss at this time.

<u>Protocol 1</u> – Executive Director Keze noted that this Protocol had been in effect since 2010 and served the JPA extremely well by keeping annual Metro rates moderated. There have been no changes to the Protocol since 2010 and it is already an attachment to the adopted Amended and Restated Agreement (ARA) and thus fully approved by the Board. No action is needed.

6. ACTION: COMPUTER PURCHASE FOR TREASURER

Executive Director Keze stated that, historically, the JPA has provided a computer for the Board Secretary. She proposed the purchase of a computer for the Treasurer to ensure that all JPA documents are maintained in a centralized system. This would facilitate the seamless transfer of records to future successors, improving continuity and efficiency in document management.

ACTION: Motion by Director McKay, seconded by Vice Chair Jones, to approve the request with Executive Director Keze to write a policy for equipment owned by the JPA. Motion carried as follows:

AYES: De Hoff, Preciado, McKay, Jones, Yamane, Robak

Assistant Treasurer Lee Ann Jones-Santos presented the 2nd Quarter Treasurer's report for December 31, 2024. She noted the JPA was on target for budget with many expense categories under budget. Executive Director Keze stated that this was the 1st time we had a financial report on time as there is a requirement that they be posted 30 days after the quarter's closure. She attributed this to our new Treasury staff and thanked them for all the improvements they have made in the JPA's financial management.

ACTION: Motion by Director Yamane, seconded by Vice Chair Jones, to recommend approval of the Treasurers Report ending December 1, 2024 - FY 2025 Mid-Year Budget. Motion carried as follows:

ACTION: Motion Vice Chair Jones, seconded by Director McKay, to extend the Treasurer's contract to 2026 to align with all other 4-year contracts. Motion carried as follows:

AYES: De Hoff, Preciado, McKay, Jones, Yamane, Robak

NAYS: None ABSTAIN: None ABSENT: None

c. Modifications to Board Per Diem Policy

General Counsel Ochoa noted that at the prior JPA meeting, Director Preciado had requested JPA Alternates receive Per Diem's for attendance at meetings and mileage. This would also include attendance for facility tours, orientations etc.

Executive Director Keze noted that under current policy, the Alternates are currently compensated when the Primary cannot attend and they act in their capacity. However, when the Primary is present and the Alternate attends the meeting, they have not been. She requested that the Finance Committee consider recommending to the JPA Board that alternates be compensated if they attended any JPA/Commission Meeting even if the Primary was present.

Director Preciado expressed his hopes that this would encourage Alternates to attend so that they would always be up to speed to act if the Primary could not attend.

General Counsel stated that this action would require a resolution stating that Alternates would be paid full compensation and mileage for attending meetings, orientations, training, and tours.

Discussion followed regarding whether they should receive the same rate as the Primary representatives. Consensus of the Finance Committee members was that they should receive the same.

ACTION: Motion Director Preciado, seconded by Director Yamane, to compensate Alternates for attendance at meetings, tours, and orientations at the same rate as Primary members. Motion carried as follows:

AYES: De Hoff, Preciado, McKay, Jones, Yamane, Robak

NAYS: None ABSTAIN: None ABSENT: None

Executive Director Keze noted that this could potentially increase the Per Diem budget by \$24,000.

d. Creation of JPA Second Vice Chair Position

As previously noted under Item 8bi, this will be handled at the next JPA meeting when officers are elected.

ACTION: It was the Consensus of the Finance Committee members to recommend to the JPA the addition of a Temporary Second Vice Chair Position.

9. <u>ACTION</u>: <u>PROPOSAL FOR DEVELOPING THE STRATEGIC PLAN DOCUMENT FOR THE METRO WASTEWATER JPA</u>

Executive Director Keze stated that this was an amendment to the original contract via a proposal to incorporate the new goals and objectives into a full Strategic Plan document as requested by several Directors. This was not included in the original scope of work of the strategic planning consultant.

Director McKay left the meeting

Director Robak suggested that JPA staff complete this project.

ACTION: Motion Director Preciado, seconded by Vice Chair Jones, to accept the proposal. Motion carried as follows:

AYES: De Hoff, Preciado, Jones, Yamane

NAYS: Robak ABSTAIN: None ABSENT: McKay

MEMORANDUM

TO: Board of Directors, Metro Wastewater JPA

FROM: Karyn Keze, Executive Director

DATE: March 19, 2025

SUBJECT: FY 2026 Operating Budget Transmittal

The Metro Wastewater JPA's (Metro JPA) annual Operating Budget remains a straightforward and simple document. While the JPA's Directors and Metro TAC staff regularly engage with complex issues and high-value capital projects, the JPA itself functions efficiently through consultant contracts. This operational model eliminates many of the traditional expenses seen in public agency budgets, as there are no employees or fixed assets and, consequently, fewer layers of administrative costs, including insurance.

Enclosed are the following attachments comprising our FY 2026 Operating Budget:

- Attachment 1: FY 2025 Projected Budget vs. Actuals
- Attachment 2: FY 2026 Proposed Operating Budget
- Attachment 3: FY 2026 Budget Funding

This memo provides a brief overview of each attachment. A more detailed discussion, including cost allocations, will take place during our meeting on Monday, March 24, 2025.

FY 2025 PROJECTED BUDGET VS. ACTUALS (ATTACHMENT 1)

Current spending trends indicate that we will conclude FY 2025 in a significantly improved financial position compared to year-end FY 2024. Table 1, from the FY 2025 budget, shows the projected FY 2024 Year-End cash balance to only be \$8,827 over our required Operating Reserve at that time.

Table 1: FY 2024 Reserve and Cash Summary							
Fund Balance at 6/30/23	\$	263,174					
Projected Net Income FY'24		9,505					
Projected Fund Balance at 6/30/24	\$	272,679					
4 Months Operating Expenses FY'24		(263,852)					
Amount over Required Reserve	\$	8,827					

However, with the full funding of the FY 2025 Operating Budget and the establishment and funding of a Contingency Reserve, the JPA is projected to enter FY 2026 with a much stronger financial standing. Table 2 provides a summary of our projected cash position as of June 30, 2025.

Table 2: FY 2025 Re	serve and Cash	Summary	(Unaudited)

		10.0.0.100
Fund Balance at 6/30/24 Projected Net Income FY '25	\$	298,225 234,076
Projected 6/30/25 Fund Balance (a) Less 4 Months Operating Expenses FY '25	\$	532,301 (275,637)
Amount over Required Reserve	\$	256,665
Plus:		
Contingency Reserve (b)*	\$	197,714
Total Projected Reserves & Cash (a+b)	\$	730,015
*Contingency Reserve is 3-months wort	h of ope	rating cash

Attachment 1 presents a detailed, line-item breakdown of budget projections based on current and anticipated expenditures. However, with the release of the Draft Second Amended and Restated Agreement (SARA) on March 18, 2025, and the onset of the implementation process, there may be unforeseen increases in consultant costs.

FY 2026 PROPOSED OPERATING BUDGET (ATTACHMENT 2)

Attachment 2 outlines the recommended draft budget, developed by JPA Treasury and Financial staff. Most line items are rebudgeted at the same levels as FY 2025 due to ongoing consultant contracts, which are now in the final year of their four-year agreements. The primary increases in the FY 2026 budget include:

- 1. **JPA Audit Fees** A bi-annual audit of the JPA financial statements is required, with the FY 2024/2025 audit to be completed in FY 2026.
- 2. **Meeting Expenses** Increased based on the expected number of meetings.

- 3. **Board Member Per Diems** Adjusted to account for an increased number of meetings, alternate Board member attendance, and a 5% cost-of-living adjustment (COLA) in the meeting per diem prate.
- 4. **Printing, Postage, and Supplies** Increased based on projected office supply needs.

Alternatively, two major contracts have been removed from the budget:

- NV5 With the completion of the Draft SARA document and the retirement of Scott Tulloch, engineering support needs are reduced, eliminating the necessity of this contract. It is not anticipated that additional engineering services will be needed in the future other than those provided by Wilson Engineering.
- 2. **Strategic Planning** This was a one-year project contract and will be completed in FY 2025.

As a result of these adjustments, the FY 2026 draft budget reflects a modest increase of \$6,602 over FY 2025, representing less than a 1% change (0.08%).

Table 3: FY 2025 Versus FY 2026 Budget Summary

	 	<u>,</u>	
Budget Category	FY 2025	ı	FY2026

FY 2026 BUDGET FUNDING (ATTACHMENT 3)

As outlined in Attachment 3, the Metro JPA budget is funded primarily through two sources: Nonoperating revenues (reimbursements from the City of San Diego for administrative expenses and interest income), and membership dues. The majority of funding for the JPA budget is derived from the membership dues, which are allocated based on the City of San Diego's annual January Metro Budget estimate cost allocations to each Participating Agency (PA). This estimate is determined by the anticipated flows and strengths of each PA and their Exhibit G Pure Water cost allocation. The JPA's budget allocation follows this same methodology.

Attachment 3 provides a comparative summary of membership dues over the past two years and the projected budget funding for FY 2026. It should be noted that Metro cost allocations can vary from year to year based on each agencies estimated flows and strengths that they report to the City of San Diego in proportion to all of the other Metro agencies.

We look forward to discussing these budget details further at our upcoming meeting. Should you have any questions in advance, please feel free to reach out.

Sincerely,

Karyn Keze Karyn Keze

- (i) All policies required shall be issued by acceptable insurance companies, as determined by the Metro JPA, which satisfy the following minimum requirements:
- (ii) Each such policy shall be from a company or companies with a current A.M. Best's rating of no less than A:VII and admitted to transact in the business of insurance in the State of California, or otherwise allowed to place insurance through surplus line brokers under applicable provisions of the California Insurance Code or any federal law.

i. Additional Insurance Provisions.

- (i) The foregoing requirements as to the types and limits of insurance coverage to be maintained by Consultant, and any approval of said insurance by Metro JPA, is not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by the Consultant pursuant to this Agreement, including but not limited to, the provisions concerning indemnification.
- (ii) If at any time during the life of the Agreement, any policy of insurance required under this Agreement does not comply with these specifications or is canceled and not replaced, Metro JPA has the right but not the duty to obtain the insurance it deems necessary and any premium paid by Metro JPA will be promptly reimbursed by Consultant or Metro JPA will withhold amounts sufficient to pay premium from Consultant payments. In the alternative, Metro JPA may cancel this Agreement.
- (iii) Metro JPA may require the Consultant to provide complete copies of all insurance policies in effect for the duration of the Project.
- (iv) Neither Metro JPA nor any of its officials, officers, employees, agents or volunteers shall be personally responsible for any liability arising under or by virtue of this Agreement.

Policies of commercial general liability insurance provided by such subcontractors or subconsultants shall be endorsed to name Metro JPA as an additional insured using ISO form CG 20 38 04 13 or an endorsement providing the exact same coverage. If requested by Consultant, Metro JPA may approve different scopes or minimum limits of insurance for particular subcontractors or subconsultants.

13. Indemnification.

To the fullest extent permitted by law, Consultant shall defend (with counsel of Metro JPA's choosing), indemnify and hold Metro JPA, its Board, members of the Board, employees, and authorized volunteers free and harmless from any and all claims, demands, causes of action, suits, actions, proceedings, costs, expenses, liability, judgments, awards, decrees, settlements, loss, damage or injury of any kind, in law or equity, to property or persons, including wrongful death, in any manner arising out of, pertaining to, or incident to any alleged acts, errors or omissions, or willful misconduct of Consultant, its officials, officers, employees, subcontractors,

consultants or agents in connection with the performance of the Consultant's services, the Project or this Agreement, including without limitation the payment of all consequential damages, expert witness fees and attorneys' fees and other related costs and expenses. Notwithstanding the foregoing, to the extent Consultant's services are subject to Civil Code Section 2782.8, the above indemnity shall be limited, to the extent required by Civil Code Section 2782.8, to Claims that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Consultant. Consultant's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by Metro JPA, its Board, members of the Board, employees, or authorized volunteers.

14. Laws, Venue, and Attorneys' Fees.

This Agreement shall be interpreted in accordance with the laws of the State of California. If any action is brought to interpret or enforce any term of this agreement, the action shall be brought in a state or federal court situated in the County of San Diego, State of California. In the event of any such litigation between the Parties, the prevailing party shall be entitled to recover all reasonable costs incurred, including reasonable attorney's fees, as determined by the court.

15. Termination or Abandonment.

- a. Metro JPA has the right to terminate or abandon any portion or all of the work under this Agreement by giving ten (10) calendar days' written notice to Consultant. In such event, Metro JPA shall be immediately given title and possession to all original field notes, drawings and specifications, written reports and other documents produced or developed for that portion of the work completed and/or being abandoned. Metro JPA shall pay Consultant the reasonable value of services rendered for any portion of the work completed prior to termination. If said termination occurs prior to completion of any task for which a payment request has not been received, the charge for services performed during such task shall be the reasonable value of such services, based on an amount mutually agreed to by Metro JPA and Consultant of the portion of such task completed but not paid prior to said termination. Metro JPA shall not be liable for any costs other than the charges or portions thereof which are specified herein. Consultant shall not be entitled to payment for unperformed services, and shall not be entitled to damages or compensation for termination of work.
- b. Consultant may terminate its obligation to provide further services under this Agreement upon thirty (30) calendar days' written notice to Metro JPA only in the event of substantial failure by Metro JPA to perform in accordance with the terms of this Agreement through no fault of Consultant.

Scope of Services

The purpose of this As-Needed Consulting Contract for the Metro Wastewater JPA is to provide technical and financial support to the Participating Agencies ("PAs") in meeting their objectives of fair rates, equitable cost sharing, and program validation. The intention of the As-Needed Contract is to provide review and oversight of the San Diego Metropolitan Sewer System (Metro System) Fiscal Programs (Metro O&M, Metro CIP, and Pure Water Phase I and II) with a minimum of duplication by the PAs. By combining the efforts of the PAs into a central focal point, our goal is to assist in increasing the responsiveness of the group to key issues of concern, ensure coverage at key meetings, centralize data collection, minimize duplication of efforts by the PAs, and reduce the costs of both Metro TAC/JPA efforts, as well as the overall costs of the Metro System and Pure Water Programs.

Starting with FY 2023 the JPA is establishing a four-year contractual cycle for their consultant contracts and thus the services contained in this scope-of-services covers only the anticipated annual routine services provided during that time. Special services will be provided on an as-needed basis, at the request of the JPA Metro TAC Chair or JPA Chair, and a budget established based on required hours and the hourly rate as set forth in Exhibit B at the time the services are requested.

I. SCOPE OF SERVICES

The effort by The Keze Group, LLC (TKG) will be divided into six major categories, one each for: routine JPA services; participation in the annual "Exhibit E" audit; oversight of the Public Utilities Department (PUD) annual O&M and CIP budget preparation and cost allocations to the PA's, and five-year forecast; review of PUD's rate case(s); Pure Water Program support; and Metro TAC and JPA technical staff support.

 - 8. Review South Bay and North City recycled water sales and incentives to ensure that appropriate revenues are credited to the PAs. Review other income credits to insure those non-operating revenues are credited to the PAs.

Ms. Beth Gentry, P.E.
Metro TAC Chair
Metropolitan Wastewater Joint Powers Authority
P.O. Box 1072
National City, CA 91951

Dear Ms. Gentry:

Per Provisions in my current four-year Professional Service Agreement (Contract), with the Metro Wastewater Joint Powers Authority (Metro JPA), I am requesting an increase in my contract cost ceiling from \$100,000 to \$150,000. As we have discussed in budget tracking meetings with Metro JPA/Commission Chair Jones, this fiscal year has been an inordinately busy year with such unbudgeted items as the shift in my current consulting roll from consultant to a management role for the Metro JPA's Executive Team which included updating the JPA's website, planning two new Director orientations, and coordination of the Executive Consulting Team. In addition, as a member of the Executive Consulting Team I have addressed one-time unbudgeted issues such as the repeated sewage spills at Pumps Stations 1 and 2 and our inclusion in the Residuals Agreement negotiations, which started at the end of last fiscal year and continued for several months this fiscal year. All of these started after the Metro JPA's FY2023 budget was adopted (and thus my current Professional Services Agreement scope of services) and have affected all your Executive Consulting Team including myself, as they were not budgeted for in FYE2023.

Per your request I analyzed my year-to-date billings in detail to the Metro JPA (July 2022 to month-end February 2023). These were reviewed with Chair Jones and yourself and per your request I am providing an amended scope of services to my existing Contract to include the revised scope of services and the transition from financial consultant to the Metro JPA's Administrative Coordinator. The revised scope of service is attached to this letter and the new items to be included in my revised Contract are highlighted in yellow. The revised scope of services includes an additional 21 hours per month to generally cover the tasks described as follows:

			HOURS				
		Current	Proposed	Proposed	Amended	Amended	
		Contract	Monthly	Annual	Contract	Contract	
Task	Description	Hours	Increase	Increase	Hours	Amount	
1	Routine Meetings	75	4	48	123	\$20,910.00	
2	Exhibit E Audit Review	100			100	\$17,000.00	
3	Review of PUD Budget	30	2	24	54	\$9,180.00	
4	ARA SBB/SD Rate Cases	40	4	48	88	\$14,960.00

6	Metro TAC & JPA Staff Support	144			144	\$24,480.00	
7	General JPA Administrative Management	0	6	72	72	\$12,240.00	
	TOTAL	625	21	256	881	\$149,770.00	

These are generally described below with more details included in the Scope of Services:

Task 1: Routine Board of Directors and Metro TAC Meetings – 4 hours per month Inclusion of increased hours to support up to 2 AdHoc Committees per month.

Task 3: Review of City of San Diego Public Utilities (PUD) Budget and Five-Year Projections – 2 hours per month

Inclusion of hours to support Metro TAC members in understanding their annual billings from the City of San Diego for Metro O&M and Capital expenses and other technical and financial issues. These hours are based on the recent hours I have incurred preparing presentations and providing training meetings for two of our PAs who have new TAC members.

Task 4: ARA Strength Based Billing and PUD Internal Rate Case Review – 4 hours per month Inclusion of hours to provide more in-depth review of the upcoming draft revised Metro Sewer Service Charge rate structure financial model to ensure the integrity of its calculations and cost allocations and implementation training during FYE2025 and FYE2026 for PAs.

Task 5: Pure Water Program Negotiations and Cost Allocations – 5 hours per month Inclusion of additional hours, based on projected FYE 2023 year-end costs, to cover additional unbudgeted work tasks for completion and implementation of 2nd ARA and cost reconciliations of Pure Water Capital and O&M costs as we transition into the operation of Phase 1 facilities.

Task 7: Metro JPA Administrative Coordinator: General JPA Administrative Management – 6 hours per month

This is a new task added at the request of the Metro JPA and TAC Chairs to coordinate all aspects of the JPAs administration and Executive Team consultants.

I would like to thank you and Chair Jones for the opportunity to assume the role of Administrative Coordinator for the JPA. I look forward to working with you both to fulfill the Mission's and Vision's of the Metro Wastewater JPA in the upcoming years.

Sincerely,

Karvn L. Keze

This Professional Services Agreement ("**Agreement**") is made on this 6th date of June, 2024 between METRO WASTEWATER JOINT POWERS AUTHORITY ("**METRO JPA**"), and RODNEY GREEK, CPA ("**TREASURER**"), an independent contractor, collectively referred to herein as "**parties**" or individually as "**party**," to furnish certain services as provided in this Agreement and upon the following terms and conditions.

ARTICLE 1 TERM OF AGREEMENT

1.01 The term of this Agreement shall commence on July 1, 2024 (the "Effective Date"), and will continue through June 30, 2025 or until terminated as provided under Article 7, whichever occurs first. At the Parties discretion, and pursuant to a written letter agreement, this Agreement may be extended by one optional year according to the terms set forth in Attachment A – Scope of Work ("Attachment A") and herein. This Agreement may be further extended by a written amendment signed by both parties. Attachment A may contain further instructions regarding required timelines for performance of the Services to be provided under this Agreement. Time is of the essence for each and every provision of this Agreement.

ARTICLE 2 SCOPE OF WORK

Specific Services

- 2.01 TREASURER shall perform the services within the scope described in Attachment A and as authorized by METRO JPA (the "Services"). TREASURER will provide METRO JPA with periodic reports regarding the progress of Services performed, at METRO JPA's request. Any changes to the scope of work or timeframes identified in Attachment A must be authorized by METRO JPA in writing and shall be set forth as an amendment to this Agreement.
- 2.02 TREASURER shall determine the method, details, and means of performing the above-described Services. TREASURER shall supply all labor, tools, materials, and equipment required to perform the Services under this Agreement.

Standard of Performance

2.03 TREASURER shall perform the Services required hereunder in accordance with the prevailing standard of care by exercising the skill and ability customarily exercised by reputable members of TREASURER's profession providing the same or similar services in the State of California. While exercising its professional skill and expertise, TREASURER shall use reasonable diligence and best judgment, and shall perform the Services required hereunder in the best interests of METRO JPA. Acceptance by METRO JPA of reports, and incidental professional work or materials furnished hereunder, shall not in any way relieve TREASURER of responsibility for the adequacy of its work.

Personnel

- 2.04 METRO JPA has a primary interest in maintaining the individual services of the following key project team members:
 - 1. Rodney Greek
 - 2. Lee Ann Jones-Santos
- 2.05 No member of the project team shall be removed from the project team or reassigned by TREASURER without prior approval of METRO JPA. TREASURER shall immediately inform METRO JPA, in writing, should any of the key members become unavailable. TREASURER must submit the credentials for substitutes for key project members to METRO JPA for review and approval. At the discretion of METRO JPA, an interview may be required prior to approval of a substitute key project member.

ARTICLE 3 COMPENSATION

Compensation for Work Performed Under This Agreement

3.01 Compensation payable to TREASURER for Services performed under this Agreement shall not exceed fifty thousand dollars (\$50,000) during fiscal year 2025 (July 1, 2024 - June 30, 2025), in the aggregate, and fifty thousand dollars (\$50,000) during **optional** fiscal year 2026 (July 1, 2025 - June 30, 2026), in the aggregate. This amount shall not be exceeded unless agreed upon through an amendment to this Agreement executed by both parties. Such amendment shall identify any change in compensation as a result of the change in scope of work. The parties agree that this compensation was developed in accordance with the customary and prevailing compensation level in the community and surrounding area for comparable services. TREASURER and METRO JPA agreed to this amount through an arm's length negotiation between the parties.

Payment of Expenses and Monthly Invoices

- 3.02 METRO JPA will reimburse TREASURER for all reasonable expenses incurred in performing Services under this Agreement as the work progresses, provided that such reasonable expenses shall be included in and subject to the maximum compensation amount stated above in this Article. TREASURER shall submit invoices to METRO JPA's Accounts Payable department once per month. Such invoices shall include a brief narrative description of the work performed, as well as detailed time expenditures on a task-by-task basis pursuant to Attachment A. The term "expenses" means telephone bills, and federal express charges, mailing charges and any other pre-approved expenses by METRO JPA. TREASURER will provide METRO JPA with receipts and proof of payment for all expenses. METRO JPA shall make payment to TREASURER within forty-five (45) days of receipt of an approved invoice.
- 3.03 METRO JPA shall have the right to withhold payment from TREASURER for any unsatisfactory Services until such time service is performed satisfactorily or as otherwise provided for in this Agreement.

ARTICLE 4 RELATIONSHIP OF PARTIES

Independent Contractor

- 4.01 It is expressly understood and agreed that TREASURER is an independent contractor and its employees are not employees of METRO JPA while engaged in carrying out this Agreement. TREASURER is free from the control and direction of METRO JPA in connection with the performance of the work, TREASURER performs work that is outside the usual course of METRO JPA business, and TREASURER is customarily engaged in an independently established trade, occupation, or business of the same nature as that involved in the work performed. The parties agree that no work, act, commission, or omission of TREASURER or its employee(s) pursuant to this Agreement shall be construed to make TREASURER or its employee(s) the agent, employee, or servant of METRO JPA. TREASURER and its employee(s) are not entitled to receive from METRO JPA vacation pay, sick leave, retirement benefits, Social Security, workers' compensation, disability benefits, unemployment benefits, or any other employee benefit of any kind. TREASURER shall be solely responsible for paying all federal and state employment and income taxes, for carrying workers' compensation insurance, and for otherwise complying with all other employment law requirements with respect to TREASURER and its employee(s).
- 4.02 To the maximum extent allowable by law, TREASURER agrees to indemnify, defend and hold METRO JPA harmless from any and all liability, damages, or losses (including attorneys' fees, costs, penalties, and fines) that METRO JPA suffers as a result of (a) TREASURER's failure to meet its obligations under this Article, or (b) a third party's designation of TREASURER or its employee(s) as an employee of METRO JPA, regardless of any actual or alleged negligence by METRO JPA.

Non-Exclusive Relationship

4.03 TREASURER and METRO JPA acknowledge that the relationship between the parties is non-exclusive and TREASURER may perform or engage in any activity not inconsistent with this Agreement, including performing services for, or contracting with, other clients, persons, or companies as TREASURER sees fit. METRO JPA reserves the right to employ other contractors in connection with the Services described in Attachment A.

ARTICLE 5 OBLIGATIONS OF CONTRACTOR

Compliance with Laws/Rules

- 5.01 In performing the Services specified in this Agreement, TREASURER agrees to comply with all applicable laws, rules, regulations, and ordinances, whether federal, state, or local, including, specifically, the obligations of Treasurer delineated in Government Code 6505 and 6505.5, and any and all applicable METRO JPA policies, procedures, departmental rules, and other directives provided by METRO JPA to TREASURER. Any changes to METRO JPA policies and procedures that relate to TREASURER will be provided to TREASURER in writing. TREASURER agrees that, prior to entering into this Agreement, it has reviewed such policies, procedures, rules, and directives, the contents of which TREASURER will be deemed to have knowledge.
- 5.02 TREASURER shall ensure that any report generated under this Agreement complies with California Government Code section 7550.

Indemnity, Hold Harmless, and Defense

5.03 To the maximum extent allowable by law, TREASURER shall indemnify, defend, and hold harmless METRO JPA and its Member Agencies, and each of their respective officials, officers, directors, employees, agents and volunteers (collectively referred to as the "Indemnified Parties") against all claims,

demands, losses, costs, expenses, obligations, liabilities, damages, recoveries, and deficiencies, including interest, penalties, attorneys' fees, and costs (collectively referred to as "Liabilities") that such entities or persons may incur that pertain to, arise out of, or relate to TREASURER'S performance or obligations under this Agreement, or to TREASURER's negligence, recklessness, or willful misconduct, or a breach by TREASURER of any representation or agreement contained in this Agreement. TREASURER's obligation to indemnify, defend, and hold harmless METRO JPA shall extend to the acts or omissions, either directly or indirectly, by TREASURER's officers, officials, directors, employees, subcontractors, agents, representatives, volunteers, successors, assigns, or anyone for whom TREASURER is legally responsible. TREASURER's obligations to indemnify, defend, and hold METRO JPA harmless against any Liabilities shall apply regardless of any negligence of Indemnified Parties, except to the extent caused by the sole negligence or willful misconduct of the Indemnified Parties.

- 5.03.1 TREASURER shall cooperate with and do whatever is necessary to protect Indemnified Parties from any such Liabilities.
- 5.03.2 TREASURER shall defend Indemnified Parties, at TREASURER's own cost, expense and risk, from any and all such aforesaid Liabilities asserted in claims, demands, actions, causes of action, arbitration, mediations or other proceedings of any kind that may be brought or instituted against Indemnified Parties. TREASURER and Indemnified Parties shall be jointly represented by legal counsel, unless there is a conflict of interest, and TREASURER shall pay Indemnified Parties' reasonable attorneys' fees and costs as they are incurred. Indemnified Parties shall be consulted regarding, and shall approve, the selection of legal counsel. Should separate legal counsel be necessary for Indemnified Parties, as determined by METRO JPA, TREASURER shall pay for the reasonable attorneys' fees and costs including expert witness fees, as such fees and costs are incurred and within thirty (30) days of receipt of an invoice, for Indemnified Parties' legal counsel in addition to TREASURER's own legal fees and costs. In all circumstances, Indemnified Parties reserve the right to retain their own attorneys. TREASURER shall not agree without Indemnified Parties' prior written consent to any settlement on Indemnified Parties' behalf.
- 5.03.3 If TREASURER is obligated to defend Indemnified Parties pursuant to this Article 5 and fails to do so after reasonable notice from METRO JPA, Indemnified Parties may defend themselves and/or settle such claims, suit or assertion, and TREASURER shall pay to Indemnified Parties any and all Liabilities incurred in relation to Indemnified Parties' defense and/or settlement of such proceeding.
- 5.03.4 TREASURER shall pay and satisfy any judgment, award, liability, or decree that may be awarded, imposed, or rendered against Indemnified Parties as a result of any claims, demands, suits, actions, causes of action, arbitrations, mediations, or other proceedings whether legal, administrative or otherwise, including any settlement related thereto.
- 5.03.5 TREASURER's obligation to indemnify, defend, and hold METRO JPA harmless against all Liabilities shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for TREASURER, subcontractor, supplier, or other person under workers' compensation acts, disability acts or other employee acts or the insurance required by this Agreement. TREASURER's obligation to indemnify, defend, and hold METRO JPA harmless against all Liabilities shall not be restricted to insurance proceeds, if any, received by TREASURER or Indemnified Parties. Provision of insurance coverage as required by this Agreement shall not affect TREASURER's indemnity obligations.
- 5.03.6 TREASURER's indemnification, hold harmless, and defense obligation shall survive the termination or expiration of this Agreement.

Notice of and Participation in Third Party Claims

TREASURER shall give METRO JPA written notice of any claim or liability asserted by a third party that arises from or relates to the Work performed under this Agreement ("Third-Party Claim"), as soon as possible upon the receipt of information of any possible Third-Party Claim or of the commencement of any Third-Party Claim. TREASURER shall not oppose any attempt by METRO JPA to intervene or otherwise participate in any such Third-Party Claim. TREASURER shall not settle any Third-Party Claim covered by this Section unless it has obtained the prior written consent of METRO JPA, which consent shall not be unreasonably withheld, conditioned or delayed. METRO JPA shall have no liability under this Section for any Third-Party Claim for which such notice is not provided or is not provided in a timely manner, including no liability for contribution, indemnification, reimbursement or penalties. TREASURER's obligations hereunder shall survive the termination or expiration of this Agreement.

Official Bond and Insurance

- 5.05 TREASURER shall file an official bond in the amount of \$25,000 pursuant to Government Code section 6505.1. Metro JPA shall reimburse the TREASURER for the cost of the bond; provided, however, that such reimbursement shall not exceed \$1,500.
- 5.06 TREASURER shall procure and maintain in full force and effect for the duration of this Agreement, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by TREASURER, its agents, representatives, employees, or subcontractors. Insurance policies shall be on an occurrence basis, and coverage shall be at least as broad and in the minimum amounts as follows:
- 5.06.1 California Workers' Compensation Insurance, as required by the State of California, with statutory limits, and Employer's Liability Insurance with limits of no less than One Million Dollars (\$1,000,000) per accident for bodily injury or disease.
- 5.06.2 General Liability Insurance [ISO Form CG 0001, or equivalent], covering products and completed operations, bodily injury, personal & advertising injury and property damage with limits no less than One Million Dollars (\$1,000,000) per occurrence. If a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.
- 5.06.3 Automobile Liability Insurance [ISO Form CA 0001 covering code 1 (any auto), or if no owned autos, Code 8 (hired) and 9 (non-owned), or equivalent forms] with limits no less than One Million Dollars (\$1,000,000) per accident for bodily injury and property damage.
- 5.06.4 Error and Omissions (Professional Liability) Insurance appropriate to TREASURER's services, with limits no less than One Million Dollars (\$1,000,000) per occurrence or claim, and Two Million Dollars (\$2,000,000) aggregate.
- 5.07 The following are required provisions:
- 5.07.1 Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to Insured Parties.
- 5.08 TREASURER will furnish METRO JPA with certificates of insurance prior to the commencement of work under this Agreement, and as may be periodically requested by METRO JPA. TREASURER shall

include all endorsements necessary to comply with this Agreement, including additional insured endorsements, signed by the insurer's representative. Such evidence shall include confirmation that coverage includes or has been modified to include all provisions required by this Agreement. TREASURER shall, upon request of METRO JPA at any time, deliver to METRO JPA complete, certified copies of the policies of insurance, including endorsements, and receipts for payment or premiums thereon, required by this Agreement. Failure to obtain the required documents prior to the work beginning shall not waive TREASURER's obligation to provide them.

- 5.09 If any of the required coverages expire during the term of this Agreement, TREASURER shall deliver the renewal certificate(s) including the general liability and auto liability additional insured endorsements to METRO JPA at least ten (10) days prior to the expiration date.
- 5.10 TREASURER shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and TREASURER shall ensure that METRO JPA is an additional insured on insurance required from subcontractors.
- 5.11 Claims Made Policies. If any of the required policies provide coverage on a claims-made basis:
- 5.11.1 The Retroactive Date must be shown and must be before the date of the Agreement or the beginning of contract work.
- 5.11.2 Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
- 5.11.3 If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the TREASURER must purchase "extended reporting" coverage for a minimum of five (5) years after completion of contract work.

Conflict of Interest

5.12 Upon the award of this Agreement and periodically thereafter, TREASURER shall be required to complete and file with METRO JPA a Statement of Economic Interest (Form 700), to be provided to TREASURER by METRO JPA.

Assignment/Subcontracting

5.13 TREASURER shall not subcontract or assign this Agreement nor any duties or obligations under this Agreement without the prior written consent of METRO JPA. TREASURER shall be responsible for the acts and omissions of and for payment to any subcontractor performing services under this Agreement, and shall bind any such subcontractor to TREASURER's duties and obligations hereunder. METRO JPA shall have the right to approve any subcontractor agreements. Nothing contained in this Agreement will create any contractual relationship between METRO JPA any subcontractor of TREASURER.

If the costs, expenses, or other damages incurred by METRO JPA exceed the amounts withheld, TREASURER shall be liable to METRO JPA for the difference.
- 7.02 TREASURER may terminate this Agreement for cause if METRO JPA fails to cure a material default in performance within a period of 30 days, or such longer period as TREASURER may allow, after METRO JPA's receipt from TREASURER of a written termination notice specifying the default in performance. In the event of termination for cause by TREASURER, METRO JPA will pay TREASURER in accordance with Section 7.03.

Termination Without Cause

7.03 METRO JPA may terminate this Agreement for convenience at any time upon written notice to TREASURER, in which case, METRO JPA will pay TREASURER for all Services performed and all expenses incurred under this Agreement up to and including the effective date of termination less any costs, expenses, or other damages due to the failure of the TREASURER to properly perform pursuant to the Agreement. No compensation will be payable for anticipated profit on unperformed services.

ARTICLE 8 PROPRIETARY AND CONFIDENTIAL INFORMATION

8.01 Any written, printed, graphic, or electronically or magnetically recorded information furnished by METRO JPA for TREASURER's use is the sole property of METRO JPA. TREASURER and its employee(s) and subcontractor(s) will keep any confidential information provided by METRO JPA in the strictest confidence, and will not disclose it by any means to any person except with METRO JPA approval, and only to the extent necessary to perform the Services under this Agreement. On termination of this Agreement, TREASURER will promptly return to METRO JPA any confidential information in its possession.

RODNEY GREEK, CPA

Municipal and Special District Accounting, Controls, Integration, Monitoring, Reporting, and Security

Dear Ms. Keze,

Lee Ann Jones-Santos and I are looking forward to providing Treasurer services for the Metro Wastewater JPA. As we have been going through the proposal review process, a question was posed regarding how we determined the rates we included in our proposal.

I recently provided accounting proposal review services for a local government agency in San Diego County. Six firms submitted proposals for that RFP. Four of those proposals included a breakdown of the hourly billable rates for the various positions providing services to the agency. Below is a summary of the rate disclosures for those four firms.

Hourly rates from recent Proposals										
	Firm #1	Firm #2	Firm #3	Firm #4	Average					
Partner	\$ 375	\$ 394	\$ 650	\$ 445	\$ 466					
Director	\$ 235	\$ 326	300	\$ 330	\$ 297					
SR Mgr		\$ 293	\$ 450	\$ 320	\$ 354					
MGR		\$ 266		\$ 230	\$ 248					
Supv/Sr	\$ 170	\$ 214	\$ 225	\$ 165	\$ 194					
Assoc	\$ 115	\$ 161	\$ 170	\$ 135	\$ 145					
Admin	\$ 95	\$ 94	\$ 100	\$ 100	\$ 97					

These rates were specific to services proposed for the fiscal year 2025 (July through June) period. The proposals were prepared, received, and reviewed during the months of March and April 2024. I am not at liberty to disclose the names of the firms as that information is confidential.

After carefully considering Lee Ann's qualifications and many years of industry experience, along with the level of effort required for this Treasurer's position, I am bringing her on at a comparable rate to the position of Supervising Senior. I have also set my own rate near the low end of what I'm seeing in the profession. Maintaining a CPA credential requires a minimum of 40 hours per year of continuing education and adherence to professional standards. services.

If you have questions regarding this information, feel free to contact me at your convenience by email at riggreek@cox.net or by phone at 760-809-0681.

Master Services Agreement

This master service agreement ("MSA") documents the terms, objectives, and the nature and limitations of the services CliftonLarsonAllen LLP ("CLA," "we," "us," and "our") will provide for Metro Wastewater JPA ("you," or "your"). The terms of this MSA will apply to the initial and each subsequent statement of work ("SOW"), unless the MSA is changed in a communication that you and CLA both sign or is terminated as permitted herein.

1. Scope of Professional Services

CLA will provide services as described in one or more SOW that will reference this MSA. The SOW will describe the scope of professional services; the nature, limitations, and responsibilities related to the specific services CLA will provide; and the fees for such services.

If modifications or changes are required during CLA's performance of requested services, or if you request that we perform any additional services, we will provide you with a separate SOW for your signature. Such SOW will advise you of the additional fee and time required for such services to facilitate a clear understanding of the services.

Our services cannot be relied upon to disclose all errors, fraud, or noncompliance with laws and regulations. Except as described in the scope of professional services section of this MSA or any applicable SOW, we have no responsibility to identify and communicate deficiencies in your internal controls as part of any services.

2. Management responsibilities

You acknowledge and understand that our role is to provide the services identified in an SOW and that management, and any other parties engaging CLA, have responsibilities that are fundamental to our undertaking to perform the identified services.

3. Fees and terms

Fees for the services, per our proposal to provide professional audit services submitted by us on February 14, 2025 are as follows:

Two-year period ending June 30, 2025 (inclusive of 5% technology fee) \$23,630 Two-year period ending June 30, 2027 (inclusive of 5% technology fee) \$24,810

Work may be suspended if your account becomes 60 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our

engagements will be deemed to have been completed even if we have not completed the services. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

Payments may be made utilizing checks, Bill.com, your online banking platform, CLA's electronic payment platform, or any other client-initiated payment method approved by CLA. CLA's electronic online bill pay platform claconnect.com/billpay accepts credit card and Automated Clearing House (ACH) payments. Instructions for you to make direct bank to bank wire transfers or ACH payments will be provided upon request.

4. Other Fees

You agree to compensate us for reasonable time and expenses, including time and expenses of outside legal counsel, we may incur in responding to a subpoena, a formal third-party request for records or information, or participating in a deposition or any other legal, regulatory, or other proceeding relating to services we provide pursuant to a SOW.

5. Finance charges and collection expenses

You agree that if any statement is not paid within 30 days from its billing date, the unpaid balance shall accrue interest at the monthly rate of one and one-quarter percent (1.25%), which is an annual percentage rate of 15%. In the event that any collection action is required to collect unpaid balances due us, reasonable attorney fees and expenses shall be recoverable.

6. Dispute Resolution

Any disagreement, controversy, or claim ("Dispute") that may arise out of any aspect of our services or relationship with you shall be submitted to non-binding mediation by written notice ("Mediation Notice") to the other party. In mediation, we will work with you to resolve any differences voluntarily with the aid of an impartial mediator.

The mediation will be conducted as specified by the mediator and agreed upon by the parties (i.e., you and CLA). The parties agree to discuss their differences in good faith and to attempt, with the assistance of the mediator, to reach an amicable resolution of the Dispute.

Each party will bear its own costs in the mediation. The fees and expenses of the mediator will be shared equally by the parties.

7. Limitation of remedies

These limitation of remedies provisions are not applicable for any audit or examination services provided to you.

Our role is strictly limited to the services described in an SOW, and we offer no assurance as to the results or ultimate outcomes of any services or of any decisions that you may make based on our communications with you. You agree that it is appropriate to limit the liability of CLA, its partners, principals, directors, officers, employees, and agents (each a "CLA party").

You further agree that you will not hold CLA or any other CLA party liable for any claim, cost, or

damage, whether based on warranty, tort, contract, or other law, arising from or related to this MSA, the services provided under an SOW, the work product, or for any plans, actions, or results of an SOW, except to the extent authorized by this MSA. In no event shall any CLA party be liable to you for any indirect, special, incidental, consequential, punitive, or exemplary damages, or for loss of profits or loss of goodwill, costs, or attorney fees.

The exclusive remedy available to you shall be the right to pursue claims for actual damages that are directly caused by acts or omissions that are breaches by a CLA party of our duties owed under this MSA and the specific SOW thereunder, but any recovery on any such claims shall not exceed the fees actually paid by you to CLA pursuant to the SOW that gives rise to the claim.

8. Governing Laws, Jurisdiction, and Venue

The MSA is made under and shall be interpreted and governed by the laws of the state of California. This includes dispute resolution and limitation of remedies. If any action is brought to interpret or enforce any term of this agreement, the action shall be brought in a state or federal court situated in the County of San Diego, State of California. In the event of any such litigation between the Parties, the prevailing party shall be entitled to recover all reasonable costs incurred, including reasonable attorney's fees, as determined by the court

9. Time limitations

The nature of our services makes it difficult, with the passage of time, to gather and present evidence that fully and fairly establishes the facts underlying any dispute that may arise between you and any CLA party. The parties (you and CLA) agree that, notwithstanding any statute or law of limitations that might otherwise apply to a dispute, including one arising out of this MSA or the services performed under an SOW, for breach of contract or fiduciary duty, tort, fraud, misrepresentation or any other cause of action or remedy, any action or legal proceeding by you against any CLA party must be commenced as provided below, or you shall be forever barred from commencing a lawsuit or obtaining any legal or equitable relief or recovery. An action to recover on a dispute shall be commenced within these periods ("Limitation Period"), which vary based on the services provided, and may be modified as described in the following paragraph:

Service	Time after the date we deliver the services or work product*
Audit, review, examination, agreed-upon procedures, compilation, and preparation services other than those related to prospective financial information	24 months

^{*} pursuant to the SOW on which the dispute is based

If the MSA is terminated or your ongoing relationship with CLA is terminated, then the applicable Limitation Period is the lesser of the above periods or 12 months after termination of MSA or your ongoing relationship with CLA. The applicable Limitation Period applies and begins to run even if you have not suffered any damage or loss, or have not become aware of the existence or possible existence of a dispute.

10. Confidentiality

Except as permitted by the "Consent" section of this MSA, CLA will not disclose any of your confidential, proprietary, or privileged information to any person or party, unless you authorize us to do so, it is published or released by you, it becomes publicly known or available other than through disclosure by us, or disclosure is required by law, regulation, or professional standard. This confidentiality provision does not prohibit us from disclosing your information to one or more of our affiliated companies in order to provide services that you have requested from us or from any such affiliated company. Any such affiliated company shall be subject to the same restrictions on the use and disclosure of your information as apply to us. You also consent to our disclosure of information regarding the nature of services we provide to you to another independent network member of CLA Global, for the limited purpose of complying with professional obligations regarding independence and conflicts of interest.

The Internal Revenue Code contains a limited privilege for confidentiality of tax advice between you and our firm. In addition, the laws of some states likewise recognize a confidentiality privilege for some accountant-client communications. You understand that CLA makes no representation, warranty or promise, and offers no opinion with respect to the applicability of any confidentiality privilege to any information supplied or communications you have with us, and, to the extent that we follow instructions from you to withhold such information or communications in the face of a request from a third party (including a subpoena, summons or discovery demand in litigation), you agree to hold CLA harmless should the privilege be determined not to apply to particular information or communications.

The workpapers and files supporting the services we perform are the sole and exclusive property of CLA and constitute confidential and proprietary information. We do not provide access to our workpapers and files to you or anyone else in the normal course of business. Unless required by law or regulation to the contrary, we retain our workpapers and files in accordance with our record retention policy that typically provides for a retention period of seven years. After this period expires, our workpapers and files will be destroyed. Furthermore, physical deterioration or catastrophic events may shorten the time our records are available. The workpapers and files of our firm are not a substitute for your records.

Pursuant to authority given by law, regulation, or professional standards we may be requested to make certain workpapers and files available to a regulator for its regulatory oversight purposes. We will notify you of any such request, if permitted by law. Access to the requested workpapers and files will be provided to the regulator under the supervision of CLA personnel and at a location designated by our firm. Furthermore, upon request, we may provide copies of selected workpapers and files to such regulator. The regulator may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

11. Other provisions

You agree that CLA will not be assuming any fiduciary responsibility on your behalf during the course of this MSA, except as may be assumed in an SOW.

CLA may, at times, utilize external web applications to receive and process information from our clients; however, any sensitive data, including protected health information and personally identifiable information, must be redacted by you to the maximum extent possible prior to uploading the document or file. In the event that you are unable to remove or obscure all sensitive data, please contact us to discuss other potential options for transmitting the document or file.

CLA and certain owners of CLA are licensed by the California State Board of Accountancy. However, CLA has owners not licensed by the California State Board of Accountancy who may provide services under this MSA. If you have any questions regarding licensure of the personnel performing services under this MSA, please do not hesitate to contact us.

During the course of the engagement, there may be communication via fax or email. You are responsible to ensure that communications received by you or your personnel are secured and not shared with unauthorized individuals.

12. Consent to use financial information

We regularly aggregate anonymized client data and perform a variety of analyses using that aggregated data. Some of these analyses are published to clients or released publicly. However, we are always careful to preserve the confidentiality of the separate information that we obtain from each client, as required by the AICPA Code of Professional Conduct and various laws. Your acceptance of this MSA will serve as your consent to our use of Metro Wastewater JPA anonymized data in performing and reporting on these cost comparison, performance indicator and/or benchmarking analyses.

Unless authorized by law or the client consents, we cannot use a client's tax return information for purposes other than the preparation and filing of the client's tax return. By signing and dating this MSA, you authorize CLA to use any and all information furnished to CLA for or in connection with the preparation of the tax returns under this MSA, for a period of up to six (6) years from the date of this MSA, in connection with CLA's preparation of the types of reports described in the foregoing paragraph.

13. Consent to send you publications and other materials

For your convenience, CLA produces a variety of publications, hard copy and electronic, to keep you informed about pertinent business and personal financial issues. This includes published articles, invitations to upcoming seminars, webinars and webcasts, newsletters, surveys, and press releases. To determine whether these materials may be of interest to you, CLA will need to use your tax return information. Such tax information includes your name and address as well as the business and financial information you provided to us.

By signing and dating this MSA, you authorize CLA to use the information that you provide to CLA during the preparation of your tax returns to determine whether to offer you relevant materials. Your consent is valid until further notice.

14. Subcontractors

CLA may, at times, use subcontractors to perform services under this MSA, and they may have access

to your information and records. Any such subcontractors will be subject to the same restrictions on the use of such information and records as apply to CLA under this MSA.

15. Technology

CLA may, at times, use third-party software applications to perform services under this MSA. You acknowledge the software vendor may have access to your data.

16. Termination of MSA

This MSA shall continue for five years from March 6, 2025, unless terminated earlier by giving appropriate notice. Either party may terminate this MSA at any time by giving 30 days written notice to the other party.

CLA may terminate this MSA if you fail to cure a material default in the performance of this MSA within a period of 30 days, or such longer period as CLA may allow, after your receipt from CLA of a written termination notice specifying the default in performance. In the event of termination by either

party, you will pay CLA for all services performed and all expenses incurred under this MSA up to and

including the termination date less any costs, expenses, or other damages due to the failure of CLA to property perform pursuant to this MSA subject to the provisions of section 7. No compensation will be payable for anticipated profit on unperformed services.

Upon termination of the MSA, the provisions of this MSA shall continue to apply to all services rendered prior to termination.

17. Agreement

We appreciate the opportunity to be of service to you and believe this MSA accurately summarizes the significant terms of our relationship. This MSA, along with the applicable addendum(s) and SOW(s), constitute the entire agreement regarding services to be performed and supersedes all prior agreements (whether oral or written), understandings, negotiations, and discussions between you and CLA. If you have any questions, please let us know. If you agree with the terms of our relationship as described in this MSA, please sign, date, and return.

Statement of Work - Audit Services

March 5, 2025

This document constitutes a statement of work ("SOW") under the master service agreement ("MSA") dated August 9, 2023, or superseding MSA, made by and between CliftonLarsonAllen LLP ("CLA," "we," "us," and "our") and Metro Wastewater JPA ("you," "your," or "the entity"). We are pleased to confirm our understanding of the terms and objectives of our engagement and the nature and limitations of the services CLA will provide for the entity as of and for the period ended June 30, 2025.

Daphnie Munoz is responsible for the performance of the audit engagement.

Scope of audit services

We will audit the financial statements of the JPA, which collectively comprise the basic financial statements of Metro Wastewater JPA, and the related notes to the financial statements as of and for the two-year period ended June 30, 2025.

The Governmental Accounting Standards Board (GASB) provides for certain required supplementary information (RSI) to accompany the entity's basic financial statements.

The following RSI will be subjected to certain limited procedures, but will not be audited.

Management's discussion and analysis.

Nonaudit services

We will also provide the following nonaudit services:

· Preparation of your financial statements and the related notes.

Audit objectives

The objectives of our audit of the financial statements are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP). Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered

material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Our audit will be conducted in accordance with U.S. GAAS and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require us to be independent of the entity and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. Our audit will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinions.

We will apply certain limited procedures to the RSI in accordance with U.S. GAAS. However, we will not express an opinion or provide any assurance on the RSI because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. We will also perform procedures to enable us to express an opinion on whether the supplementary information (as identified above) other than RSI accompanying the financial statements is fairly stated, in all material respects, in relation to the financial statements as a whole.

We will issue a written report upon completion of our audit of your financial statements.

Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph to our auditors' report, or if necessary, withdraw from the engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming opinions on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express opinions or issue a report, or withdrawing from the engagement.

We will also provide a report (which does not include an opinion) on internal control over financial reporting and on compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements, as required by *Government Auditing Standards*. The report on internal control over financial reporting and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The paragraph will also state that the report is not suitable for any other purpose. If during our audit we become aware that the entity is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit conducted in accordance with U.S. GAAS and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

Auditor responsibilities, procedures, and limitations

We will conduct our audit in accordance with U.S. GAAS and the standards for financial audits contained in *Government Auditing Standards*.

Those standards require that we exercise professional judgment and maintain professional skepticism throughout the planning and performance of the audit. As part of our audit, we will:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and evaluate whether audit evidence obtained is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the amounts and disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on our evaluation of audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

Although our audit planning has not been concluded and modifications may be made, we have identified the following significant risk(s) of material misstatement as part of our audit planning:

- Management Override of Controls--
- Revenue Recognition

There is an unavoidable risk, because of the inherent limitations of an audit, together with the inherent limitations of internal control, that some material misstatements may not be detected, even though the audit is properly planned and performed in accordance with U.S. GAAS and *Government Auditing Standards*. Because we will not perform a detailed examination of all transactions, material misstatements, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity, may not be detected. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not require auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management and those charged with governance of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management and those charged with governance of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential.

Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting fraud or errors that are material to the financial statements and to preventing and detecting misstatements resulting from noncompliance with provisions of laws, regulations, contracts, and grant agreements that have a material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*. An audit is not designed to provide assurance on internal control or to identify deficiencies, significant deficiencies, or material weaknesses in internal control. However, we will communicate to you in writing significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we identify during the audit that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the entity's compliance with the provisions of laws, regulations, contracts, and grant agreements that have a material effect on the financial statements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

We will include in our report on internal control over financial reporting and on compliance relevant information about any identified or suspected instances of fraud and any identified or suspected noncompliance with provisions of laws, regulations, contracts, or grant agreements that may have occurred that are required to be communicated under *Government Auditing Standards*.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Management responsibilities

Our audit will be conducted on the basis that you (management and, when appropriate, those charged with governance) acknowledge and understand that you have certain responsibilities that are fundamental to the conduct of an audit.

You are responsible for the preparation and fair presentation of the financial statements and RSI in accordance with U.S. GAAP.

Management's responsibilities include the selection and application of accounting principles; recording and reflecting all transactions in the financial statements; determining the reasonableness of significant accounting estimates included in the financial statements; adjusting the financial statements to correct

material misstatements; and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for 12 months beyond the financial statement date.

You are responsible for the design, implementation, and maintenance of effective internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including evaluating and monitoring ongoing activities and safeguarding assets to help ensure that appropriate goals and objectives are met. You are responsible for the design, implementation, and maintenance of internal controls to prevent and detect fraud; assessing the risk that the financial statements may be materially misstated as a result of fraud; and for informing us about all known or suspected fraud affecting the entity involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the entity received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for implementing systems designed to achieve compliance with applicable laws and regulations and the provisions of contracts and grant agreements; identifying and ensuring that the entity complies with applicable laws, regulations, contracts, and grant agreements; and informing us of all instances of identified or suspected noncompliance whose effects on the financial statements should be considered. You are responsible for taking timely and appropriate steps to remedy any fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we may report.

You are responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including amounts and disclosures, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters, and for the accuracy and completeness of that information (including information from within and outside of the general and subsidiary ledgers); (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

You agree to inform us of events occurring or facts discovered subsequent to the date of the financial statements that may affect the financial statements.

Management is responsible for providing us with a written confirmation concerning representations made by you and your staff to us in connection with the audit and the presentation of the basic financial statements and RSI. During our engagement, we will request information and explanations from you regarding, among other matters, the entity's activities, internal control, future plans, specific transactions, and accounting systems and procedures. The procedures we will perform during our engagement and the conclusions we reach as a basis for our report will be heavily influenced by the representations that we receive in the representation letter and otherwise from you. Accordingly, inaccurate, incomplete, or false representations could cause us to expend unnecessary effort or could cause a material fraud or error to go

undetected by our procedures. In view of the foregoing, you agree that we shall not be responsible for any misstatements in the entity's financial statements that we may fail to detect as a result of misrepresentations made to us by you.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies to us of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the "Audit objectives" section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other engagements or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

Responsibilities and limitations related to nonaudit services

For all nonaudit services we may provide to you, management agrees to assume all management responsibilities; oversee the services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience to understand and oversee the services; evaluate the adequacy and results of the services; and accept responsibility for the results of the services.

Management is also responsible for ensuring that your data and records are complete and that you have received sufficient information to oversee the services.

Use of financial statements

Should you decide to include or incorporate by reference these financial statements and our auditors' report(s) thereon in a future private placement or other offering of equity or debt securities, you agree that we are under no obligation to re-issue our report or provide consent for the use of our report in such a registration or offering document. We will determine, at our sole discretion, whether we will re-issue our report or provide consent for the use of our report only after we have performed the procedures we consider necessary in the circumstances. If we decide to re-issue our report or consent to the use of our report, we will be required to perform certain procedures including, but not limited to, (a) reading other information incorporated by reference in the registration statement or other offering document and (b) subsequent event procedures. These procedures will be considered an engagement separate and distinct from our audit engagement, and we will bill you separately. If we decide to re-issue our report or consent to the use of our report, you agree that we will be included on each distribution of draft offering materials and we will receive a complete set of final documents. If we decide not to re-issue our report or decide to withhold our consent to the use of our report, you may be required to engage another firm to audit periods covered by our audit reports, and that firm will likely bill you for its services. While the successor auditor may request access to our workpapers for those periods, we are under no obligation to permit such access.

If the parties (i.e., you and CLA) agree that CLA will not be involved with your official statements related to municipal securities filings or other offering documents, we will require that any official statements or other offering documents issued by you with which we are not involved clearly indicate that CLA is not involved with the contents of such documents. Such disclosure should read as follows:

CliftonLarsonAllen LLP, our independent auditor, has not been engaged to perform and has not

performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. CliftonLarsonAllen LLP also has not performed any procedures relating to this offering document.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website or submitted on a regulator website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in those sites or to consider the consistency of other information in the electronic site with the original document.

We may issue preliminary draft financial statements to you for your review. Any preliminary draft financial statements should not be relied on or distributed.

Engagement administration and other matters

We understand that your employees will prepare all confirmations, account analyses, and audit schedules we request and will locate any documents or invoices selected by us for testing. A list of information we expect to need for our audit and the dates required will be provided in a separate communication.

We will provide copies of our reports to the entity; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing confidential or sensitive information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the sole and exclusive property of CLA and constitutes confidential and proprietary information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to California State Controller's Office, or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of CLA personnel. Furthermore, upon request, we may provide copies or electronic versions of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of seven years after the report release date or for any additional period requested by the California State Controller's Office. If we are aware that a federal or state awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Professional standards require us to be independent with respect to you in the performance of these services. Any discussion that you have with our personnel regarding potential employment with you could impair our independence with respect to this engagement. Therefore, we request that you inform us prior to any such discussions so that we can implement appropriate safeguards to maintain our independence and objectivity. Further, any employment offers to any staff members working on this engagement without our

prior knowledge may require substantial additional procedures to ensure our independence. You will be responsible for any additional costs incurred to perform these procedures.

Our audit engagement ends on delivery of our signed report. Any additional services that might be requested will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific SOW for that service.

Government Auditing Standards require that we make our most recent external peer review report publicly available. The report is posted on our website at www.CLAconnect.com/Aboutus/.

Unexpected circumstances

Changes in accounting and audit standards

Standard setters and regulators continue to evaluate and modify standards. Such changes may result in new or revised financial reporting and disclosure requirements or expand the nature, timing, and scope of the activities we are required to perform. To the extent that the amount of time required to provide the services described in the SOW increases due to such changes, our fee may need to be adjusted. We will discuss such circumstances with you prior to performing the additional work.

Agreement

We appreciate the opportunity to provide to you the services described in this SOW under the MSA and believe this SOW accurately summarizes the significant terms of our audit engagement. This SOW and the MSA constitute the entire agreement regarding these services and supersedes all prior agreements (whether oral or written), understandings, negotiations, and discussions between you and CLA related to audit services. If you have any questions, please let us know. Please sign, date, and return this SOW to us to indicate your acknowledgment and understanding of, and agreement with, the arrangements for our audit of your financial statements including the terms of our engagement and the parties' respective

responsibilities.

Sincerely,
