STAFF UPDATES:

1. MWD took action on their rate increase last Monday. The City will discuss the impact of the proposed increases with CWA and will report back to IROC.
2. Update on water main breaks YTD 27 vs. 33 for last year. However, it was noted that there has been an increase in AC pipes compared to cast iron.
3. Update on sewer spills YTD: 15 vs. 16 last year. The spills were related to usual roots, and grease build up.
4. The Recycle Water Study Final Report was presented and discussed. Hard copies as well as aCD is available at your request, it is also posted on the Public Utilities Department's Web for your review.
5. We had elections of a new Chairperson as well as Vice Chairperson.
6. The following Subcommittees did not have a meeting therefore there is nothing to report. Finance, Environmental & Technical and Public Outreach, Education and Customer Service.

Respectfully...luis natividad
